East Grand Forks

BYDAL & BYDAL ARE EXPANDING

Will Have Double Present Floor Space Upon Completion of Improvements

Workmen began this morning to remove the partition which separates the store of Bydal & Bydal from the room on the west, formerly occupied by the Frank Drosky Clothing company.

The removal of this partition will give this progressive grocery firm one of the largest store buildings in the city. A new line of stock will be added to the store, and a member of the firm is at present in the east purchasing modern fixtures for its most attractive display.

This firm is evidently not frightened by the reports of crop failure, and is taking this step to adequately care for an anticipated increased fall and winter business.
