COUNCIL PROCEEDINGS

City of Grand Forks, North Dakota

RESOLVED, AUGUST 10, 1916. Regular adjourned meeting of the city council held Thursday, August 10, 1916, at 8 o'clock p. m., Mayor Dinnie presiding and present on roll call Aldermen Kelsey, Fyves, Griffiths, Whitman, Sanders, Valley, Turner and Pederson—9.

Reports of Standing Committees. Sewer Plans and Specifications. Honorable Mayor and City Council: Gentlemen—Your Public Improvement committee, to whom was referred the petition of Don McDonald and others asking the city council to cause a lateral sewer to be built in the alley of Block 2, Andrew's subdivision, beg to report that we have examined the property to be assessed for this improvement, and recommend that the prayer of the petitioners be granted. (Signed) W. S. Whitman, And. Pederson.

Moved by Alderman Turner, seconded by Alderman T. J. Smith, that the report of the Public Improvement committee be adopted as read, and that the city engineer be instructed to draw the necessary plans, specifications and estimates of probable cost for this lateral sewer in the alley of Block 2, Andrew's subdivision, as petitioned for. On roll call the following aldermen voted aye: J. Smith, Kelsey, Fyves, Griffiths, Whitman, Sanders, Valley, Turner and Pederson—9. Carried.

City Treasurer's Cash Overage. A resolution was introduced by Alderman Valley as follows: That the auditor for cities, has recently completed an examination of the accounts of the treasurer and auditor of Grand Forks City, and whereas an overage of cash has been reported by the auditor of such examination affecting the records of the treasurer, and whereas the auditor recommended by the examiner (such recommendations having been submitted to and approved by the city council, and the same shown in the report in preparation by the examiner, a copy of which will later be filed with the city engineer, and now, therefore, on recommendation of the auditing committee of the city council, be it resolved that the auditor be instructed to show the cash balance at the close of each month's business together with recommendations of the same, designating bank balances, cash on hand and debit and credit items to be balanced in the monthly statements of the treasurer, and that the city engineer be instructed to direct to show the cash balance at the close of each month's business together with recommendations of the same, designating bank balances, cash on hand and debit and credit items to be balanced in the monthly statements of the treasurer, and that the city engineer be instructed to direct to show the cash balance at the close of each month's business together with recommendations of the same, designating bank balances, cash on hand and debit and credit items to be balanced in the monthly statements of the treasurer, and that the city engineer be instructed to direct to show the cash balance at the close of each month's business together with recommendations of the same, designating bank balances, cash on hand and debit and credit items to be balanced in the monthly statements of the treasurer, and that the city engineer be instructed to direct to show the cash balance at the close of each month's business together with recommendations of the same, designating bank balances, cash on hand and debit and credit items to be balanced in the monthly statements of the treasurer, and that the city engineer be instructed to direct to show the cash balance at the close of each month's business together with recommendations of the same, designating bank balances, cash on hand and debit and credit items to be balanced in the monthly statements of the treasurer, and that the city engineer be instructed to direct to show the cash balance at the close of each month's business together with recommendations of the same, designating bank balances, cash on hand and debit and credit items to be balanced in the monthly statements of the treasurer, and that the city engineer be instructed to direct to show the cash balance at the close of each month's business together with recommendations of the same, designating bank balances, cash on hand and debit and credit items to be balanced in the monthly statements of the treasurer, and that the city engineer be instructed to direct to show the cash balance at the close of each month's business together with recommendations of the same, designating bank balances, cash on hand and debit and credit items to be balanced in the monthly statements of the treasurer, and that the city engineer be instructed to direct to show the cash balance at the close of each month's business together with recommendations of the same, designating bank balances, cash on hand and debit and credit items to be balanced in the monthly statements of the treasurer, and that the city engineer be instructed to direct to show the cash balance at the close of each month's business together with recommendations of the same, designating bank balances, cash on hand and debit and credit items to be balanced in the monthly statements of the treasurer,
