SECOND ROUND OF MATCH PLAY IS UNDER WAY

Four Eliminated Yesterday—Two Defaults For First Round.

Some Good Matches in the Play Under Way This Afternoon.

The second round of match play in the championship tournament of the local golf club is under way this afternoon. Jay Stevens is playing C. J. Murphy, Sherman Schlosser and G. M. Booker are matched, H. B. Finch and L. E. Birdzell are contesting and E. Lovejoy is matched with Wilbur Fingerson.

While all of the scratch men came through yesterday in the first round of match play, some of them had narrow escapes and won only after hard fights. Although the wind bothered again some excellent scores resulted and in his round Jay Stevens turned in a 98, one above par. Mr. Stevens did not keep a medal score on his first round. He is playing great golf this year and defeated C. O. Hagen yesterday five up and three to play.

Mr. Stevens is playing C. J. Murphy this afternoon. Mr. Murphy went into the second round by winning from Myron Bacon yesterday. The younger man sprung a surprise and catching Mr. Murphy slightly off his game, forced the contest into the nineteenth hole before the latter won. Mr. Bacon played a great contest and halved the eighteen holes with the runner up.

The Stevens-Murphy contest is attracting much attention today and is expected to develop into the best match of this round. Both men have been going strong this season and there is a possibility that an extra hole will be needed to decide the match.

Sherman Schlosser has a hard time winning his match from C. O. Finch and the latter was only put out of running at the seventeenth hole. Schlosser winning two up. At the end of the ninth hole Mr. Finch had his opponent two down, but the latter steadied in the second round and played much better golf.

G. M. Booker had as hard a time winning from F. L. Griffin, the score being the same 2 up and 1 to play. The Schlosser-Booker match today is expected to be an interesting one. Booker has been playing better golf this year than Schlosser for the most part, but whether he will win his match or not is a question.

H. B. Finch, present club champion, won from F. P. Fletcher yesterday 5 up and 4 to play and Birdzell defeated Vanderhoef by the same score. The champion is the favorite in his match today, although Mr. Birdzell is playing a good game this year.

Yesterday Dr. Whitcomb forfeited to Mr. Fingerson and Dr. Hewitt failed to play Mr. Lovejoy and these two players went into the second round without effort and are playing each other today.

AITKEN HAS PICKED HIS MASCOT FOR BIG HARVEST DAY RACES

John Aitken, entered in the big Harvest Auto Racing classic at Indianapolis, thinks he has picked a mascot that will bring him all sorts of luck in every race he enters. The mascot is a full-blooded bulldog, and he's betting on Aitken to win. Seated with Aitken is Maurice Becker, his mechanic.

subsidies and the tracking is good. These opportunities do not obtain on all farms, however, game being scarce in many sections and even the prolific cottontail becomes a curiosity. It is right here that the handtrap and the clay target fills a niche and lightens the gloom as nothing else can. The young man not only has at hand a sport so fascinating that it has captured the fancy of over 500,000 Americans but one which will, with a little weekly practice, so improve his accuracy and quicken his judgment on leads that when finally he does go afield in a game country his bag limit is assured.

LAWN TENNIS CHAMPIONSHIP IS ON MONDAY

National Tournament Play Will Begin First of Next Week.

128 Players Entered and Little Choice Between the Leading Ones.

New York, Aug. 25.—The 36th annual championship tournament of the United States National Lawn Tennis association which will be played on the courts of the West Side Tennis club at Forest Hill, L. I., beginning next Monday (August 28), will bring together the leading racket wielders of the country. The famous experts of the Pacific Coast the South and the Middle West will match speed and skill against the best of the Eastern stars and on the eve of the tournament the leaders appear to be so evenly matched that there is no outstanding favorite for the singles championship, now held by William M. Johnston of San Francisco.

Chief interest will likely center in the efforts of Maurice E. McLoughlin, the greatest tennis player ever developed in this country, to capture outright the mammoth silver bowl, emblematic of the singles championship. This trophy, the eighth offered since the formation of the Tennis association in 1881, has been in competition since 1911 and must be won three times, but not necessarily in succession, in order to become the permanent property of the victor. The present standing of the players who have won legs on the bowl is as follows: Maurice E. McLoughlin, San Francisco, two wins; R. Norris Williams, second, Philadelphia, one; William M. Johnston, San Francisco, one; W. A. Larned, New York, one.

Has Hard Row. Larned, who has retired from the tournament play, won the title and bowl in 1911. McLoughlin captured the trophy in 1912 and 1913. He was defeated in the final round by Williams at Newport in 1914, and by Johnston at Forest Hills last August. In order to get his way into the finals next week the California Comet must defeat a number of very high class players for his name was drawn in the lower half which contains a majority of the leading stars of the country, in addition to Kumagae, the best of the Japanese now playing in the United States. In the lower half of the field are McLoughlin, Johnston, the present champion, Karl Behr, T. R. Pell, Watson M. Washburn, N. W. Niles, George M. Church, Vernon K. 1896-1900, Roland Roberts, Willie Davis, R. Lindley Murray, Harold Throckmorton, F. B. Alexander, C. B. Doyle, Dean Mathey and other expert players. While, of course, McLoughlin will not have to meet all these stars he will be forced to fight hard for every advancement and may, if successful, reach the final round physically weakened, while the winner in the upper half has had a comparatively easy task in reaching the finals.

128 Are Entered. Play will begin early Monday (August 28) morning with 128 competitors entered. Close to thirty courts will be available and the sixty-four survivors will meet Tuesday. The following day the field will be reduced to thirty-two; sixteen will play on Thursday; eight on Friday; four on Saturday and the winners of the semi-final round will cross rackets on Labor Day for the singles title unless unfavorable weather causes a postponement during one or more rounds of the tournament. The doubles championship will be played on the opening day of the tournament with Johnston and Clarence J. Griffin defending the title against McLoughlin and Ward Dawson, the challengers.

The list of the single champions since the opening tournament of the U. S. N. L. T. A. in 1881 is as follows: 1881-87, B. D. Sewer; 1888-89, H. W. Slocum, Jr.; 1890-92, O. S. Campbell; 1893-94, R. D. Wrenn; 1895, F. H. Hovey; 1896-97, R. D. Wrenn; 1898-1900, M. D. Whitman; 1901-02, W. A. Larned; 1903, E. L. Doherty; 1904, H. Ward; 1905, B. C. Wright; 1906, D. J. Clothier; 1907-1911, W. A. Larned; 1912-13, M. E. McLoughlin; 1914, N. W. Williams, second; 1915, W. M. Johnston.

SECOND TO TAKE PART IN LABOR DAY RACES TO BE HELD AT FARGO

Fargo will hold a big motorcycle race meeting on Labor Day, September 4, and at that time all of the speed kings of this part of the country will contest. Efforts are being made to make the event one of the biggest held in the west.

Gene Secord who has been winning most of his races again this year, will take part in the races. He is creating much interest by his sensational riding on his new eight valve Indian, touted as the fastest gas propelled machine made.

CHISHOLM WITHDRAWS FROM THE MINNESOTA STATE BASEBALL RACE

St. Paul, Aug. 25.—A surprise was sprung in the state fair baseball camp when Walter Brown, manager of the Chisholm team, announced his withdrawal from the state independent championship race, conceding the title to the Hibbing Colts.

Manager Brown said that his club could not afford to come to the big show to fight with Hibbing, even though the grand sweepstakes prize had been changed to \$200 instead of a silver cup. The Chisholm team might have won in Class A and also in the sweepstakes, which would have entitled them to \$400 cash. This amount would have more than paid the traveling expenses and hotel bills of the Chisholm club.

The race between Chisholm and Hibbing has been one of the features of the season. Hibbing has demonstrated clearly that they have it on their neighbors of the range, but not until he withdrew from the contest would Manager Brown admit it. Hibbing is given the state title without an argument and also wins the championship of the Duluth division of the state league.

GIBBONS MAY FIGHT DILLON

Announced that Two Boys Have Been Secured for St. Paul Bout.

St. Paul, Aug. 25.—Mike Gibbons and Jack Dillon, two of the greatest men in the pugilistic world today, probably will be the principals in the next show staged by the Capital City Athletic club in St. Paul.

This was announced yesterday by President Harry Sherman of the local club.

Although a definite date has not been set for this great attraction, President Sherman says that it may be put on the latter part of September, possibly the 22nd or 29th.

The Dillon-Gibbons bout has been sought by promoters all over the country for some time and in securing it President Sherman has spoken the greatest attraction that could be brought to the Twin Cities. Only yesterday it was announced that promoter Marshall of Brighton Beach had made a trip to Omaha to confer with Mike Gibbons on this same bout.

Mr. Sherman today gave Matchmaker Caine orders to proceed to line up the remainder of the card.

If Mike Gibbons enters the ring with Dillon in this big bout it will be his first appearance in his home town since he defeated Jeff Smith at the auditorium on March 17 last.

NORTHERN LEAGUE

Duluth, Minn., Aug. 25.—Duluth hit Matts hard in the opening game of the series here yesterday and easily defeated Superior 6 to 4.

Darby O'Brien in a double steal with Bentley pilfered the second sack.

Vikerist scored the last Duluth run in the eighth with a homer over the left field wall.

Score: R. H. E. Superior 200 000 101 4 6 3, Duluth 100 121 01x 6 10 3. Batteries: Matts and Erickson; Bentley and Withrow.

Winnipeg, Man., Aug. 25.—Herbert Rook, the clever young hurler of the Fargo-Moorhead league leaders, who has been standing Northern league batters on their heads in recent games and said to be slated for higher company, went the same way last night that Charlie Boardman did Wednesday night and the Pags shoved the hapoon into England's pets somewhat deeper by the count of 7 to 1.

Stevenson, slabbing for the home boys, was touched up quite lively but was invincible in the pinches with the result that the Pags closed up the gap a little more between second and first place.

President Ebbehts of the Brooklyn Nationals wired today to send Babe Adams, the locals' first sacker, along at once to take Daubert's place but Moll wired back that Winnipeg needed him as bad as Brooklyn did, so he will not report until the end of the season.

Score: R. H. E. Fargo-M. 001 000 000 1 7 2, Winnipeg 302 010 01x 7 8 2. Batteries: L. R. McEutour and Berger.
