## POTATO CROP WILL BE POOR

### Hillsboro People report that Crop is all Vines and Few Tubers.

Hillsboro, N. D., Aug. 30.—The potato crop in this vicinity does not promise well. While the vines are very healthy on investigation the hills are found to contain very few tubers of any size. This may not be general but has been found the case on many farms where a big acreage was planted. Potatoes, like wheat, promise to be high in price this fall, as the crop is reported to be a failure throughout Minnesota and the other potato growing states.

## MANLAN LOSES ON ITS PAVING BONDS

Manlan, N. D., Aug. 30.—Inquiry reveals the fact that the city is out \$1,500 by not accepting the premium offered by J. H. McGillic. In place of this the city accepted the proposition of the Merchants National bank to pay a premium of \$1,000, and the city does not even get this, for that bank is not taking the bonds, but they are turned over to the contractor at their face value at the State Bank of Morton county taking them off his hands.

## HILLSBORO NOTES.

Hillsboro, N. D., Aug. 30.—Messrs. and Mesdames Penberg and Alfred Grimstedt of Fargo spent last Sunday at the O. J. Grimstedt farm in Bloomfield township. Miss Alpha Lindaa of Mayville is spending the week here as the guest of her brother, County Auditor Lindaa and family. Good clean roads and good home cooking are features at the Martin hotel that is giving it a splendid reputation among traveling public. Rev. E. E. Nyild of Willmar, Minn., the president of the Lutheran Free Church of America, visited with Rev. Winther Monday afternoon. Frank Mayla, night operator at the Great Northern railway station,

## CROP REPORTS FROM OVER NORTH DAKOTA

Omemee, N. D., Aug. 30.—The blue stem wheat is very poor, some fields being left as not worth cutting. Some of this variety has been threshed and has yielded from four to six bushels per acre. Durum wheat has withstood the rust and blight in pretty fair shape and there are some good fields of it to be threshed. Marquis wheat is a little better than blue stem. Oats are fair, but not heavy. Rye is the best of all, running from fourteen to twenty bushels per acre. Some fields of corn which will mature with two weeks more of good weather.

## TWO RUNAWAY BOYS ARE SENT TO HOMES

DeVils Lake, N. D., Aug. 30.—Two boys possessed by the wanderlust, Lloyd Jensen and Pat Cloon, aged 11 and 13, respectively, were apprehended by the police and returned to their parents. Pat Cloon is the son of a Minot man and it is said that on account of a stepmother he was placed in an orphanage at Fargo. During the summer he was taken by a Barnesville family, and not liking the surroundings, decided to look for scenery more congenial. He persuaded Lloyd Jensen to travel with him and they got as far as Devils Lake, but they were indiscreetly visited by the Great Northern yards where railroad men recognized them and notified the police, also giving the information which enabled the officers to communicate with the parents. Mr. Jensen came and took his son home and the police bought a ticket for the Cloon boy and sent him to his father at Minot.

## MANY AUTOMOBILES AT LARIMORE DAILY

Larimore, N. D., Aug. 30.—The number of automobiles in sight along Larimore's business street on pleasant days varies from three or four at about 8 o'clock in the morning, to over twenty in the afternoon. The numbers from twelve to sixteen may often be counted, but no given number remain so for many minutes owing to almost constant arrivals and departures. Many of them are in and out again from the surrounding farms.

## NIAGARA NOTES.

Niagara, N. D., Aug. 30.—Mrs. Chas. Fisher, who recently returned home from St. Michael's hospital at Grand Forks, after an operation for appendicitis, is recovering nicely. Geo. Hanson, who autoed to Ray a week ago Sunday, returned home Tuesday. Mr. and Mrs. Ward and daughter are visiting at the home of Mr. Ward's parents, Mr. and Mrs. Frank Woodward. H. C. Williams and family drove to Hepple last Sunday. C. M. English returned to Niagara from Medford, Ore., to make an in-donate stay while looking after business interests.

L. McNeill, former assistant cashier of the Bank of Niagara, has returned from Minneapolis to McCanna where he will operate the Niagara elevator there. Miss Evon Taylor is visiting at the home of her grandparents, Mr. and Mrs. H. Taylor. Work on the new school building, which has been held up on account of being unable to obtain material, has resumed and is progressing rapidly. Harvest is practically over and threshing begun in the vicinity of Niagara. According to all reports, Niagara crops are among the best in the state.

Miss Ida Kirk, Mrs. Stephen Nason and Miss Helen Small left last week enroute for Glacier National park, Mont., where they will make a short stay. Miss Small whose home is in Massachusetts, has been visiting relatives here for some time. The new residence of Frank Hanly is nearing completion.

## DRAYTON NOTES.

Drayton, N. D., Aug. 30.—Mr. and Mrs. Chas. Wilkins returned to their home at Willow City Tuesday morning after a few days' visit at the R. J. Moore home in this city. Mrs. R. E. Bechtel and daughter returned to the city Monday morning from Tyler where they spent last week visiting at the McEadden home. Misses Mildred Campbell and Agnes Pico of Cavalier were the guests at the Southern home in this city over Sunday. They made the trip by auto. Mr. and Mrs. C. J. Solbakke and Mr. and Mrs. H. Lindberg returned Tuesday from their camping trip to Bemidji. They made the trip in their autos. A crew of men are at work dressing the N. P. track from this city north to the new steel was laid and the track graded. They are doing a fine job and the tracks look fine. H. Crawford returned to the city Sunday evening from Reynolds where he was called by the illness of his grand mother. He said that when he left Reynolds she was greatly improved.

## CULBERTSON

Culbertson, Mont., Aug. 30.—The Methodist Episcopal conference recently held in Kallispell has returned Rev. F. A. Armstrong, the popular pastor of the M. E. church here, to this charge for another year. Rev. and Mrs. Armstrong and daughter Ruth have returned to Culbertson after attending the conference at Kallispell. They made the trip by automobile, courtesy of the state route. At Kallispell they also attended the wedding of their son, Ariel Armstrong to Miss Marie Quick, of that city. Rev. Armstrong and daughter Miles City and Glendive were points visited on the tour.

A new town by the name of Noble is being planned in Richland county, south of the Wisconsin river, about twenty miles from here. It will be located on the branch line of the Great Northern which runs to Sidney, Mont. The site is in the center of a good farming country and should enjoy prosperity. An elevator is being constructed that costs \$10,000, a general store has been established and a petition sent to Washington for a post office. A number of prominent ranchers and farmers of the immediate vicinity are boosting the enterprise.

Candidates for the nominations in their respective counties for state and county primaries here tomorrow, practically closed a whirlwind finish today in boosting their candidacy. Practically every candidate for a county office, together with many of his friends has visited this place in the last two days. Due to the large number to be voted on, the voter is somewhat bewildered as to what candidates to choose. Predictions as to the outcome are pure guess work for that reason. Culbertson is furnishing its quota of candidates, with three men in the field. Paul Babcock, the present county attorney has his home in Culbertson and is a candidate for the county clerk's office. Formerly sheriff of Valley county, is making a hot fight for the republican nomination for sheriff of this county and G. H. Coulter, University Commissioner here, is out for the office of county clerk and recorder on the Republican ticket. Practically all candidates are lining up on the present river, but the outcome is watched with much interest for that reason.

Robbery attempted at massage parlor. Ryder, N. D., Aug. 30.—An attempt was made to break into the building adjoining the P. O. office, used by Mrs. Owens for a massage parlor and in which she also lives. Mrs. Owens heard the noise and thought at first it was made by rodents, but she perceived an attempt being made to take down a screen window from the outside and caught sight of the marauder, though he quickly disappeared through the front door for assistance, but the fellow finding himself discovered, evidently thought it time to move.

## TUBERCULOSIS IS CAUSE OF DEATH

Grafton, N. D., Aug. 30.—The death of Charles Carlson occurred at the home of his sister, Mrs. C. A. Johnson, a short distance southwest of this city. He had been suffering from tuberculosis for several months but was not confined to bed until the day of his demise. He was born at Ostergotland, Sweden, in 1884. He came to Walsh county in 1882 and remained in that county until he was left for North Dakota where he remained for four years. Since that time he has made his home at the Johnson farm, near his sister, Mrs. G. Hedra and Mrs. C. Johnson and two living in Sweden, and two brothers, John and Gus Carlson who reside near this city survive him. The funeral was held at the Johnson residence on Sunday afternoon, Rev. H. J. Glenn officiating.

## ROBBERY ATTEMPTED AT MASSAGE PARLOR

Ryder, N. D., Aug. 30.—An attempt was made to break into the building adjoining the P. O. office, used by Mrs. Owens for a massage parlor and in which she also lives. Mrs. Owens heard the noise and thought at first it was made by rodents, but she perceived an attempt being made to take down a screen window from the outside and caught sight of the marauder, though he quickly disappeared through the front door for assistance, but the fellow finding himself discovered, evidently thought it time to move.

## GRAFTON DRUGGIST GOES TO MONTANA

Grafton, N. D., Aug. 30.—A. H. Crawford, who has been employed as druggist in the drug store in this city the past three years, left for Dutton, Mont., where he will make his future home.

## R. B. MURPHY IS ON COMMITTEE

Michigan, N. D., Aug. 30.—Prof. R. B. Murphy has just received notice from the state superintendent of instruction that he has been appointed chairman of a committee to prepare a syllabus on "Methods of Teaching and School Management." This committee consists of Mr. Murphy, Superintendent Erickson of Mayville and Superintendent Simcox of Lisbon. This appointment was made by the state board of education. This is an important committee, having for its duty the duty of outlining a system of teaching and management in the schools throughout the state, and it is a signal honor for Mr. Murphy to be made chairman of this committee.

## YIELD BETTER THAN AT FIRST THOUGHT

Williston, N. D., Aug. 30.—Indications that grain yields in this district are not as low as recently supposed, are found in the threshing operations so far conducted. Fields hit by black rust are yielding better than anticipated, the rust hitting this section quite late. J. J. Larson reports an average of 27 bushels of wheat on a 40-acre tract, the wheat grading Minn. Another tract on the same farm is running about 17 bushels.

## BIG SILO IS ALMOST COMPLETED ON FARM

Northwood, N. D., Aug. 30.—M. V. Linwell has about completed on his west end east farm, silo 15x32 feet, being of 130 tons capacity. Mr. Linwell is strongly impressed with the necessity of diversified farming, and is in the forefront of the progressive farmers of this vicinity. That silage ought to taste fine to his herd of 200 blooded Hereford cattle.

## STANLEY NOTES.

Stanley, N. D., Aug. 30.—Mrs. P. H. Colvert is spending a week at Berthold with relatives. Mrs. Peter Olson of this city was entertained at Minot by Mrs. J. N. Rue a few days last week. William Cooper of the Resard Rancho south of town was among the visitors in Stanley last Friday. Mrs. Rose M. Larson of Epworth, N. D., has been appointed postmistress at Epworth by President Wilson.

## 200,000 Hay Fever Victims in the United States

Season of Success at Hand—How to Obtain Relief. August is hay fever time. From the number of its victims, asthma and hay fever is fashionable, for it eclipses appendicitis as an aristocratic ailment. Everybody who possibly can lies away to an atmosphere that will not cause red nose and red eyes, but there are many who are unable financially to join their ranks. To all such, Warner's Safe Asthma Remedy proves a boon, for it has been a prompt relief from this spasmodic bronchial affection during the past forty years. Hay fever and asthma sufferers who have tried the usual remedies and found no success are loud in their praise of the sure and prompt relief Warner's Safe Asthma Remedy invariably affords. Simply the fumigation from a half teaspoonful burned in a saucer, when drawn through the mouth and throat, and held there as long as possible, then let out through the nostrils gives prompt relief. Witness what this man says, and hundreds of others have been equally benefited. "I had asthma very bad and had to sit up night after night. Could get no relief until I took Warner's Safe Asthma Remedy. In five minutes it was breathing easy and went right to bed and slept I would not be without it."—Mr. W. J. Hanscomb, Wollaston, Mass. Get a package today. At druggists or postpaid for 50c. Sample free from a half teaspoonful burned in a saucer, when drawn through the mouth and throat, and held there as long as possible, then let out through the nostrils gives prompt relief.

## ADMIRAL HELM TO HEAD COMMISSION

Washington, Aug. 30.—Rear Admiral James Helm, now commanding the Atlantic reserve fleet, was designated by the navy department to head the commission of naval officers which is authorized in the naval appropriation bill to make a study of the situation on the Pacific coast with a view to determining the necessity and site for an additional naval yard. The other members of the commission are: Chief Naval Constructor Washington L. Capps, formerly head of the bureau of construction and repair; Civil Engineer Harry H. Rouse-

## RUSSIANS NOW ARE MORE CONFIDENT

Petrograd, Aug. 30.—Rumania's entrance into the war is generally interpreted as an omen of final victory for the allies by Russian official circles and the press, which emphasizes the political and strategic significance. The fact that Rumania entered the war at so late a day and only after careful and mature calculation, in which sentiment prevailed, no part is according to the Petrograd newspapers, "a satisfactory indication of the growing belief among neutral nations that Germany is a beaten nation, and more particularly that Germany's influence in the Balkans is waning."

## THREE STRIKERS ARE WOUNDED

St. Louis, Mo., Aug. 30.—Three striking milk wagon drivers were shot here late yesterday afternoon by men who were on a milk truck belonging to the Pevely Dairy company. The men were taken to the city hospital. Whether they were seriously wounded had not been determined a few minutes after the shooting. The shooting was the result of an attempt on the part of the Pevely Dairy company to induce its locked-out drivers to return to work. About three hundred union men assembled on a vacant lot in front of the plant to demonstrate against re-

Men in the crowd hurled stones at the men on the truck who sought safety within the dairy plant. Even the censors of the war news cannot prevent the people of this country from getting a quite clear idea of what is going on.

## TO BRECKENRIDGE

Mr. A. Lohi has just accepted a position with the Great Northern, which makes two places with this company in one week by Aaker's Business College. Mr. Lohi starts at 5:00 a month. The day he left school his business course was worth \$3,000, because it produces what \$3,000 at 8 per cent would produce, more than he could have earned before. So one can afford to be without such a business as is offered at the A. B. C.
