

JOHN DINNIE KILLED SAYS BRIEF MESSAGE

No Details as to Nature of Tragedy Yet Received by Mother.

John Dinnie of this city was accidentally killed Wednesday night at Detroit, Mich., according to a telegram received late this afternoon by his mother, Mrs. John Dinnie, 303 North Fifth street.

No details as to the nature of the accident are included in the telegram. Young Dinnie had recently been employed as a commercial traveler.

He was a nephew of Mayor James A. Dinnie, and his father, now deceased, was also a former mayor. Besides his mother he is survived by one brother, Arthur Dinnie, and several sisters.

WILSON LEADS IN CALIFORNIA ON NOON COUNT

San Francisco, Nov. 9.—Republican State Central Committee Chairman Chester Rowell declared just before noon the estimated county totals for all California showed Hughes 290 behind Wilson. Rowell declined to concede California.

HUGHES LEAD IN INDIANA SLIGHTLY CUT BY PRESIDENT

Indianapolis, Ind., Nov. 9.—Revised returns from 2,568 precincts out of 3,143 in Indiana decreased Hughes' lead over President Wilson in this state to 6,437. The vote was: Hughes, 321,993, and Wilson, 315,556. This leaves 190 precincts still to report.

Indianapolis, Nov. 9.—Hughes' lead over Wilson was slightly reduced by belated official returns received here at noon. With only 237 of the 3,143 precincts in Indiana missing, Hughes' margin was 8,487.

The Republican candidates for governor and United States senator hold good leads.

TUMULTY NOW CLAIMS THE GOLDEN STATE

Long Branch, N. J., Nov. 9.—Messages received by Secretary Tumulty at 8:40 o'clock this afternoon convinced him that President Wilson had carried New Hampshire and California, which, on the basis of states previously tabulated, would give the president enough electoral votes to re-elect him.

The New Hampshire message was from Senator Hollis and said that on a recount Wilson would carry the state by 800. The president made no comment.

NEXT CONGRESS TO DEMOCRATS

New York, Nov. 9.—Democrats are assured of control of the next senate and may have retained control of the house by holding ten seats in twenty-one congressional districts yet unreported. Divisions of members already elected: Democrats 210, Republicans 200, Progressives 2, Independents 1, Socialist 1.

MISSING VOTE IN NEW MEXICO SPLITS EVENLY

Santa Fe, N. M., Nov. 9.—Missing counties at 1 p. m. include seven normally Democratic counties, six normally Republican, and two in which the majority are small and variable. Several of these are remote and in the outer portions.

All of them are without wire facilities.

Rumanians Have Retaken Hirsova

Bucharest, Nov. 9.—It is officially announced that the Rumanians have reconquered the town of Hirsova in Dobruja on the Danube, 46 miles north of Tchernavoda.

CALIFORNIA WILL DECIDE VOTE

(Continued from Page 1)

Hughes' total thus became 247, Wilson's 251, with 266 necessary to elect.

So disposing of these previously doubtful states the situation appears thus: Wilson can win with California or Minnesota, but in addition must get North Dakota or New Mexico. Hughes can win with both California and Minnesota, or either with in addition both North Dakota and New Mexico.

At noon, if result of the incomplete returns are accepted as final in all but five states, the electoral vote would give Hughes 243; Wilson 251.

Five doubtful states are California, Minnesota, New Mexico, North Dakota and New Hampshire.

The sudden switch of New Hampshire from a small Hughes plurality to 93 votes for Wilson was the dramatic change in the situation this morning.

WILSON IS VERY ANXIOUS.

Long Branch, Nov. 9.—President Wilson arose shortly before 8 o'clock to hear the latest returns. When he learned the nearness of the contest in some western states he realized that he would have to wait longer for the final outcome. It was granted among officials here that there would be recounts in several of the very close states. It is believed weeks might pass before the questions involved are settled. Officials said the results would be closely watched in order to insure a fair verdict.

New York, Nov. 9.—After studying the election returns for two hours, Mr. Hughes went motoring. He declined to make any comment.

New York, (1 p. m.)—In Minnesota and New Mexico incomplete returns show Hughes leading, while in California and North Dakota, Wilson is leading.

NEW HAMPSHIRE SHIFTS TO WILSON.

Concord, Nov. 9. (11 a. m.)—Complete returns, but only partially verified officially, shows Wilson leading in New Hampshire by 93 votes.

The discovery of errors, Secretary of State Dean said, helped to reverse the lead from Hughes.

Concord, N. H., Nov. 9. (12 noon)—With two precincts missing the count in New Hampshire at noon gave Wilson a lead of 121. This is based on certified returns to the secretary of state, from 256 precincts and press returns from 36.

MAY TEST VOTE OF GUARDSMEN ON THE BORDER

Chicago, Nov. 9.—Guardsmen from two of the five states now classed as doubtful voted on the Mexican border. These were the troops from Minnesota and North Dakota.

California and New Mexico guardsmen did not vote outside their own states. West Virginia and New Hampshire guardsmen could not vote.

ARBITRATION.

"What would happen if an irresistible force should meet an immovable body?"

"It is not necessary for anything to happen. I maintain that arbitration is always feasible."—Louisville Courier-Journal.

CHARGES BALLOT TAMPERING IN NORTH DAKOTA

U. S. Marshal Alleges That Attempts Have Been Made in West.

Fargo, N. D., Nov. 9.—Charges that attempts were being made to tamper with the ballot boxes in a number of precincts in western North Dakota were laid before United States District Attorney Hildreth this afternoon by United States Marshal S. J. Doyle.

Mr. Hildreth said he would begin an investigation immediately.

Ballots for Grand Forks county, in accordance with the law, have been filed with County Judge L. K. Hassell, where they are secure from any attempts at tampering.

The trend of politics seems to again bring Senator LaFollette out as a presidential possibility in the future.

GLASS OF WATER BEFORE YOU EAT ANY BREAKFAST

Wash Poison From System
Each Morning and Feel
Fresh as a Daisy.

Every day you clean the house you live in to get rid of the dust and dirt which collected through the previous day. Your body, the house your soul lives in, also becomes filled up each twenty-four hours with all manner of filth and poison. If only every man and woman could realize the wonders of drinking phosphated hot water, what a gratifying change would take place.

Instead of the thousands of sickly, anaemic-looking men, women and girls with pasty or muddy complexions; instead of the multitudes of "nerve wrecks," "rundowns," "brain fags" and pessimists we should see a virile, optimistic throng of rosy-cheeked, people everywhere.

Everyone, whether sick or well, should drink each morning before breakfast a glass of real hot water with a teaspoonful of limestone phosphate in it to wash from the stomach, liver, kidneys and ten yards of bowels the previous day's indigestible waste, sour fermentations and poisons, thus cleansing, sweetening and freshening the entire alimentary canal before putting more food into the stomach.

Those subject to sick headaches, biliousness, nasty breath, rheumatism, colds; and particularly those who have a pallid, sallow complexion and who are constipated very often, are urged to obtain a quarter pound of limestone phosphate at the drug store which will cost but a trifle but is sufficient to demonstrate the quick and remarkable change in both health and appearance awaiting those who practice internal sanitation. We must remember that inside cleanliness is more important than outside, because the skin does not absorb impurities to contaminate the blood, while the pores in the thirty feet of bowels do.—Adv.

ASK RECOUNT IN NEW HAMPSHIRE

New York, Nov. 9.—Henry Morgenthau, in charge of the Democratic headquarters in the absence of Chairman McCormick, said a recount would be demanded of the vote in New Hampshire despite the figures this morning showing Wilson leading.

Morgenthau said the Democratic figures show Wilson leading 500 votes ahead in view of the complex situation that the state recount in any event may be necessary. He declared instructions to Democratic committee in New Hampshire to demand recount already gone forward.

Girls With Beautiful Faces or Graceful Figures

American girls have a world-wide reputation for beauty, but, at the same time, there are girls in our cities who possess neither beauty of face nor form, because in these instances they suffer from nervousness, the result of disorders of the womanly organism. At regular intervals they suffer so much that their strength leaves them; they are so prostrated that it takes days for them to recover their strength. Of course, such periodic distress has its bad effect on the nervous system. The withered and drawn faces, the dark circles and crow's feet about the eyes, the straight figure without those curves which lend so much to feminine beauty are the unmistakable signs of womanly disorders.

When a girl becomes a woman, when a woman becomes a mother, when a woman passes through the changes of middle life, are the three periods of life when health and strength are most needed to withstand the pain and distress often caused by severe organic disturbances.

At these critical times women are best fortified by the use of Dr. Pierce's Favorite Prescription, an old remedy of proved worth that keeps the entire female system perfectly regulated and in excellent condition.

Mothers, if your daughters are weak, lack ambition, are troubled with headaches, lassitude and are pale and sickly, Dr. Pierce's Favorite Prescription is just what they need to surely bring the bloom of health to their cheeks and make them strong and healthy.

If you are a sufferer, if you daughter, mother, sister need help, get Dr. Pierce's Favorite Prescription in liquid or tablet form. Then address Dr. Pierce, Invalids' Hotel, Buffalo, N. Y., and receive confidential advice from a staff of specialists, that free; also 126-page book on woman's diseases sent free.

RECOUNT ASKED OF THE VOTE IN NORTH DAKOTA

New York, Nov. 9.—After an hour's conference with Mr. Hughes, Chairman Willcox of the Republican committee announced today there probably would be a recount "in all those states where the vote is close."

He replied in the affirmative when asked if that applied to New Hampshire, California, North Dakota, New Mexico and Minnesota.

"WE HAVE 'EM SEWED UP" SAYS MR. MCCORMICK

New York, Nov. 9.—Democratic Chairman McCormick at 4:30 o'clock issued the following statement:

"We have got the things sewed up. President Wilson is re-elected beyond any shadow of a doubt."

HUGHES LEADS IN PRESIDENT'S OWN STATE BY 54,000

Trenton, N. J., Nov. 9.—With twelve counties complete and 25 small districts missing in the eight remaining counties, Hughes leads Wilson by 54,774 in Wilson's own state.

CHAIRMAN GOES TO CONFER WITH CANDIDATE HUGHES

New York, Nov. 9.—Chairman Willcox left Republican headquarters this afternoon. It was understood that he had gone to confer with Hughes who was at his hotel nearby. It was reported that Willcox would have an important statement to make on his return.

WOMAN ELECTED TO CONGRESS BY MONTANA G. O. P.

Helena, Mont., Nov. 9.—The state Republican central committee on revised and fuller figures from the state today, claimed the election of Miss Jeanette Rankin to congress and the entire state ticket excepting governor and possibly lieutenant governor.

IT IS REPORTED HE HAD COME TO CONSULT WITH THE CHAIRMAN IN REFERENCE TO TAKING LEGAL STEPS TO INSURE A PROPER COUNT OF THE BALLOTS IN DOUBTFUL STATES.

"Gets-It" Never Falls for Corns!

There's Nothing on Earth Like It for
Corns and Calluses.

"Whenever you get corns and calluses, don't experiment—just use 'GETS-IT' and nothing else. Easy and simplest thing I know to use—just a few drops on in a few seconds—'GETS-IT' does the rest. The old way is to bundle up your toes in harnesses and bandages, use salves that make toes raw, cotton rings that make your corns pop-eyed, knives and 'diggers' that tear your heart out and leave the corn in. No wonder they make you limp and wince. Forget all these—use 'GETS-IT' the simplest corn remedy in the world, easiest to use, never falls or sticks, painless. Your corn loosens, then you lift it off. You can wear smaller shoes. 'GETS-IT' is sold and recommended by druggists everywhere, 25c a bottle, or sent on receipt of price by E. Lawrence & Co., Chicago, Ill.

Sold in Grand Forks and recommended as the 'world's best' corn remedy by the Lion Drug Store.—Adv.
