Present Business Conditions Most Unusual in 35 Years
The past 12 months have seen more general advances in the costs of merchandise than any 12 months in our store's history. Much of the merchandise in our stock was purchased at the old prices and with few exceptions we have been able to maintain these old prices. This means a saving to you on many items not listed in this "ad" of from 10% to 35%. Plan your winter purchases at once while our stocks are complete.
