It is my privilege to announce that I have purchased the controlling business interests of Mr. A. E. Palmer of the firm of A. E. Palmer Co., Jewelers. I have for the last eight years been a member of the firm in the capacity of acting manager; during that time the people of this community have been very liberal with their patronage—so liberal in fact that I am confident of your continued support.

To buy out Mr. Palmer's interests means money—much money.
