**Look Over Your Lighting NOW**

As the days grow shorter you'll be making more and more use of Electric Lighting.

Prepare for the long, dark evenings of Fall and Winter by giving your lighting equipment—from cellar to garret—a thorough inspection now.

Put Mazda Lamps in all the empty sockets, so they will be ready for use at any time—you can never tell when you will want them.

Wherever you find an old style, inefficient carbon fixture, group still hanging, replace it with a saving Mazda. Three times the light at the same cost.
