FARGO WINNER OF TRACK MEET AT UNIVERSITY

Devils Lake in Second Place—Hamilton Man Individual State.

Fargo high school won the 18th North Dakota Interscholastic Track and Field Meet, held Saturday afternoon at the University field. The Fargo boys piled up a total of 84 1-2 points, their closest competitor being Devils Lake, with 21 1-2 points. Fargo also won the relay race.

The results of the meet are:

School	Points
Fargo	84 1/2
Devils Lake	21 1/2
Hamilton	15
Pembina	12
Grand Forks	11
Grafton	8 1/2
Jamestown	7
LaMoure	7
Carrington	7
Casselton	6
Cavaler	5
Williston	4
Park River	3
Lidgerwood	3
Portal	2
Harvey	2

The remaining 16 schools entered did not place in any of the events. Every event was hotly contested, but due to the high wind that the runners had to face, the time was slow for the greater part of the events.

Thacker Individual Star.

Thacker of Hamilton attained the honors of getting the highest number of individual points. He annexed first place in the running broad jump, tied for first in the running high jump, took second in the pole vault and the 440-yard run. Thacker's work deserves high commendation, as he individually won third place in the meet for his school. McElderry of Devils Lake, Paulson of Pembina, Powers of Fargo and Kelly of Devils Lake each annexed 10 points for their respective schools.

It was predicted Friday after the preliminaries that a number of state records would fall during the finals, but due to the high wind this was impossible.

Entries Much Larger.

The officials stated that there were more entries for this meet than any other state meet ever held in North Dakota.

Dakota. About 185 boys, representing 32 schools, were entered, slightly more than three times as many as were entered in the meet held in 1919. The attendance Saturday was unusually good, approximately 2,000 people being present.

Much credit is due to Paul J. Davis, director of athletics of the university, who was manager of the meet, for the successful manner in which the meet was carried out. The whole program was carried out without a hitch.

Relay Race.

The Fargo relay team, composed of Dunham, Barrell, Powers and Brockmuller, easily captured the half-mile relay race. This victory gives them the possession of the Relay Cup for the coming year. Permanent possession of this cup is obtained by winning it three times. Langdon captured it last year.

Jamestown and Grand Forks fought hard for second place. Jamestown winning out by a scant margin.

AMERICAN LEAGUE

St. Louis Victorious.

Washington, May 17.—St. Louis evening up the series by taking the largest crowd ever assembled at the Polo grounds, Cleveland defeated New York yesterday, 8 to 2. Mays was driven from the box in the first inning when the visitors scored five runs by clean hitting. Score: R. H. E. St. Louis 4 12 1 Washington 2 7 1 Wellmann and Billings; Johnson and Pichlich.

New York Beaten.

New York, May 17.—Before the largest crowd ever assembled at the Polo grounds, Cleveland defeated New York yesterday, 8 to 2. Mays was driven from the box in the first inning when the visitors scored five runs by clean hitting. Score: R. H. E. Cleveland 8 13 1 New York 2 7 1 Bagby and O'Neill; Thormahlen, Mogridge and Hannah.

WINNER WELL PAID.

Louisville, Ky., May 17.—Plotting a winner in a Derby brings its reward. Jockey Ted Rice, who rode Paul Jones to the front in the forty-sixth renewal of the Kentucky classic, was presented with \$5,000 by Capt. Earl Parr, owner of the famous little gelding. Rice divided the sum with Clarence Kummer, who rode Blazes, the other Parr entry. Before the race Parr told the jockies he would reward the winner to this extent, so they decided to split it evenly. This is the largest amount ever given a jockey for riding a winner in Kentucky.

In the Toledo-Louisville game of April 22 Joe Kelly of the Mud Hens stole everything but the park in the second inning. He would reward the winner to this extent, so they decided to split it evenly. This is the largest amount ever given a jockey for riding a winner in Kentucky.

Anything worth having is worth working for.

TALK NO. 1

Announcing the Safety Car

In August there will be delivered to this Company, six new Safety Street Cars with automatic equipment which will be placed in immediate service in Grand Forks.

As soon as the operation of these cars begin, we shall be affording the local public what we firmly believe is as good street car service as any city in the United States enjoys equal to twice its size and much better service than is to be found in most of them.

For we shall have applied in the local service the latest word in street railway vehicles, a device that is at once more economical, safer and more rapid than any street car heretofore in use.

These cars seat thirty-five passengers each and their operation is so nearly automatic that one man can run them more easily than can two men the old type of car.

Weighing one-third less than the old types of cars, their pick-up is easily accomplished and they are stopped with a minimum amount of friction.

They are so equipped with safety-devices that they cannot be started until the door is closed and the door cannot be opened until they come to a dead stop.

The wheel base is of such extra-ordinary length that they ride as easily as two-truck cars.

All of the operation of starting and stopping are accomplished with the single simple movement of pressing a lever.

The entrance and exit is in front and the rear platform is entirely enclosed.

In fact, as far as the design of the car is concerned, every device has been employed to give a maximum amount of service.

The savings in cost of operation from the new cars, serves two most vital purposes, an increase in service for the public and an increase in pay for the operators with improved working conditions.

A 20% increase to service will be given on the University and South End line, with a 33 1-3% increase on the Riverside Park line.

One other thing is necessary, however, and this the car itself cannot supply.

It is necessary, if quick service is to be realized, that the patrons of these lines have their fares ready when they leave the car.

Purchase metal tickets, four for 25c, eight for 50c or 17 for \$1.00. It is cheaper, more convenient and saves time, for all, assuring you to reach your destination on time.

No change making, no delays. Your metal ticket can be passed into the fare box as you are leaving the car without delay to you and those behind.

When a transfer is desired, communicate your wants to the operator as you are passing in. The operator will have your transfer ready on arrival at your transfer point. When a transfer is given to an operator, do not have it folded, have it open that same may be readily checked by the operator.

This is the first of a series of advertisements acquainting the public with these cars. We believe that with acquaintance will come a willingness to co-operate by having the exact fare ready.

Failure to do this will not only cause delay to yourself but to other patrons and in a measure nullify our effort to give Grand Forks the best street railway service it ever has had.

We earnestly solicit your co-operation for a greater street car service in Greater Grand Forks.

Grand Forks Street Railway Co.

REDS AGAIN HIT STRIDE

Cincinnati and Cleveland Are Leading Respective Leagues Today.

New York, May 17.—The Cincinnati world's champion and the Cleveland Americans recovered their stride last week and again lead their respective leagues. The Chicago Nationals jumped into third place by winning their seventh straight victory. The New York Americans won all four games last week but lost Saturday.

In the National League, Cincinnati batted hard and led well except in the game dropped to New York when the Reds were unable to score on Benton. Reuther of Cincinnati allowed St. Louis two hits and no runs last Sunday. The champion split even with the Giants and took two from Philadelphia. The quakers ended their losing streak yesterday after nine straight defeats by downing the Reds in a 15 inning battle.

Brooklyn engaged in two more extra-inning contests and won both. The Superbas lost to Chicago but won twice with St. Louis and Boston's winning streak ended in the west. The Braves, after six consecutive victories including a close game from St. Louis, fell before Haines of the Cardinals and lost to Chicago. Alexander of the Cubs won his seventh straight game yesterday. Pittsburgh and New York made no progress. St. Louis gave its pitchers poor support.

In the American League Cleveland scored over Chicago, St. Louis and Boston but was halted by Quinn of New York, who checked Cleveland's winning streak at seven straight by hitting a home run that decided their pitchers' battle.

St. Louis pitchers hard but could do little against the bats of Cleveland. Ruth, New York's premier long distance slugger, brought his season total of home runs up to five. Hitting at least several thousand spectators, Boston and Chicago had a losing week. Williams of the White Sox had a record of six consecutive victories until defeated by New York. Washington, who checked Cleveland's progress, St. Louis had a losing week. Philadelphia fought hard to get an even break in four games.

In the intersectional games, the western teams of the National League have won 10 out of 16 while the eastern clubs of the American have taken 7 out of 13.

The week's record in each league of games played, won and lost, with runs, hits, errors, men left on bases, and other statistics, including the following:

AMERICAN ASS'N

Louisville Wins.

Milwaukee, Wis., May 17.—Betzels' home run in the eighth with Scheppner on base gave Louisville a 5 to 3 victory over Milwaukee yesterday before one of the biggest crowds that has seen a game here in several years. Koob pitched shut-out ball after the second inning when the home club scored all its runs. Score: R. H. E. Milwaukee 3 5 1 Louisville 5 8 1 Miller and Gaston; Koob, Decatur and Meyer.

Champions Win Easily.

St. Paul, Minn., May 17.—Seven hits netted six runs in the third inning for St. Paul and the champions easily defeated Toledo yesterday, 11 to 0, in drizzling rain. Duncan's homer in the third with two men on broke a one to one tie and started the Saints' rally. Score: R. H. E. St. Paul 11 11 1 Toledo 0 11 1 McColl, Stryker and McNeill; Coumbe and Hargrave.

Kansas City Wins.

Kansas City, Mo., May 17.—With the score 2 to 1 in favor of Indianapolis in the ninth inning, and two outs checked against Kansas City, the locals collected a base on balls and three hits which tied two runs and ended the game 3 to 2 for Kansas City. Score: R. H. E. Indianapolis 2 7 4 Kansas City 3 12 1 Rogge and Gossett; Evans and Brock.

BIG WRESTLING MATCH.

Des Moines, Ia., May 17.—Johnny Myers of Chicago, claimant of the Midwest wrestling championship, will meet Paul Prehn, the inter-Allied champion, in a finish match at Okaloosa, Ia., May 26. Prehn is wrestling instructor at the University of Illinois and is regarded as one of the best middleweights in the country. They have agreed to weigh 155 pounds at 8 o'clock. Seventy-five per cent of the \$1,250 purse will go to the winner.

ANN ARBOR TO HAVE BIG MEET

First Time in History That Big Track Classic Has Been Held in School.

Ann Arbor, Mich., May 17.—Track stars from a score of middle western colleges and universities will match their skill on Ferry field, Ann Arbor, June 4 and 5 in the twentieth annual western conference track championship. This is the first time in the history of the conference that the big track classic of the middle west has been held at the University of Michigan.

Every field is one of the finest athletic fields in the country. It comprises 40 acres enclosed in a high brick wall.

Within the walls are the 'variety club house, the intramural club house, the football and track stadium, the baseball stands and variety diamonds, tennis courts and a great strength of land used by the reserve and class teams in all sports.

In addition to the variety fields there are five football fields and five baseball fields laid out for the use of teams in the intramural department.

The baseball and football teams play on different fields, the baseball grandstand and bleachers being entirely separate from the football stadium. The baseball stands alone seat several thousand spectators.

The stadium encloses the football field and track. While still incomplete the stadium already seats 30,000 persons. A concrete stand runs along the entire south side of the field. On the north side is a wooden stand.

Across the west end of the field is a smaller wooden stand, but this is used only during the football season. During the track season the stand is removed giving spectators an unobstructed view of the entire course of every event.

The variety club house is situated at the east end of the field, the stands during the football season presenting the appearance of an immense horseshoe. When completed in concrete the stadium will seat nearly 50,000 people.

The cinder track is a quarter mile affair, said to be the fastest running track in the middle west. It has a

Philadelphia Wins.

Philadelphia, May 17.—Philadelphia broke its losing streak of nine straight games yesterday by winning from the Reds in the fifteenth inning in the fifteenth R. Miller walked, went to third when Kopf muffed Allen's throw as he stole, and scored on Rixey's long fly to center. Score: R. H. E. Philadelphia 3 12 2 Cincinnati 2 13 2 Rixey and Withrow; Ring and Rariden, Allen.

Wins Seventh Straight.

Chicago, May 17.—Alexander won his seventh straight game yesterday when Chicago defeated Boston, 5 to 1, giving the locals their seventh consecutive victory. Hollock's fumble of Cruise's grounder and Boehl's double saved the visitors from a shut-out. Score: R. H. E. Chicago 5 9 1 Boston 1 6 1 Alexander and Killifer; Hearn and O'Neil.

Baseball fans are pulling for Babe Adams this spring. He is a real comeback. One big league umpire says that when Adams gets in the box for the Pirates everybody gets set for a real game.

Bobby Lam, crack Chinese shortstop for the University of Missouri baseball team, hopes to return to China some day and teach the game to his people. His parents live in Honolulu. Bobby is big league caliber, critics say.

OPEN AIR BOXING.

Detroit, Mich., May 17.—The first open air boxing contest to be staged in Detroit is announced by the National Sporting Club for May 19. It will be held at Navin field and will be featured by a bout between Mel Coghlan and Johnny Dundee, light weights.

Jack Sharkey will fight Jimmy Wilde, the flyweight champion, next fall in London, he says, but he demands not less than \$25,000. Sharkey made his reply Saturday to the National Sporting club, which offered him \$15,000 for a twenty-round go. The fight would be a decision contest. Sharkey is confident that he can stop Wilde within twenty rounds, he says.
