

Auto Tour To Boost Grand Forks Fair Will Leave At 7 O'clock Friday Morning

All Tourists and Cars Asked To Assemble at Commercial Club at 6:45; Over 100 Are Expected to Make the Trip; Minnesotans Plan Visits.

Over 100 Grand Forks boosters are expected to leave Grand Forks at 7 o'clock Friday morning for a 140 mile auto tour in northwestern Minnesota, planned with a view to boosting the Grand Forks fair to be held here next week.

All of the men who are planning to make the trip, and all cars are to meet in front of the Commercial club promptly at 6:45 o'clock in the morning, in order that the start may be made promptly.

The schedule for the trip provides for reaching Thief River Falls at 12:45 o'clock p. m., where the tourists will stop for lunch, and will leave at 2 o'clock in the afternoon. It is also planned to reach Crookston at 6:30 o'clock in the evening for supper and to leave at 8:30 o'clock.

The party should reach Grand Forks at 10:25 o'clock Friday evening.

The pathfinding party which left Grand Forks Wednesday morning returned late Wednesday night, reporting roads in excellent condition and great enthusiasm for the tour being manifested by the residents of the towns and cities along the route.

This is shown by the fact that both Thief River Falls and Red Lake Falls have arranged to run booster tours to this city during the fair next week.

O'CONNOR VOTE AROUND 7,000

Democratic Candidate Poll-ed 520 in Grand Forks County in Primary.

In 40 of the 53 counties of North Dakota, J. F. O'Connor, of Grand Forks, the only candidate for nomination for governor on the Democratic ticket in the recent state primary election received 6,158 votes.

Since it is probable that the 13 remaining counties will give the Democratic candidate between 800 and 1,000 votes it is apparent that his total vote will be in the neighborhood of 7,000. This will give him between 1,200 and 1,500 votes in excess of the majority received by Governor Lynn J. Frazier in the Republican primary.

The O'Connor vote is light on account of the fact that there was no contest for the Democratic nomination, but taken in connection with the Republican count it shows that a majority of the voters of the state were opposed to the Nonpartisan league.

SINGING BAND BIG ATTRACTION

Al Sweet's Band to Be Big Drawing Card at Grand Forks Fair.

One of the big, and strictly new attractions which Secretary E. R. Montgomery has secured for the Grand Forks fair next week is the famous Al Sweet Singing band. The organization is now at Fargo, and is proving an excellent drawing card at the state fair, according to Mr. Montgomery who was at Fargo for the opening day of the fair.

The band includes 18 players—each said to be an artist on the particular instrument which he plays, and 12 of the members are trained singers. Their music is of the highest order, and is arranged to appeal to a wide diversity of tastes.

This band will furnish music for the acts before the grand stand for both the afternoon and evening programs, every day of the fair, and for the big fireworks spectacle which the Thearle Duffield company will put on each night. Plenty of peppy, jazzy songs and band numbers will be "banqueted" in between the regular program numbers.

The members of the organization appear in white suits, and make a striking appearance, and their organization is known as one of the best of its kind now before the public.

Roads Ready. The main road between Grand Forks and the fair grounds has been put into shape in readiness for the traffic during the fair. Mr. Montgomery said today. The road has been dragged, and a liberal coat of cinders has been distributed, putting the thoroughfare into fairly good shape.
