

THE GUMPS—LIKE THE MAN WHO LOST HIS LEFT HAND AND LEFT LEG—ALL RIGHT!

HAIL WARRANT SALES TO BEGIN AFTER DEC. 1

Agreement With Twin City Firm to Bear Early Fruit for Farmers.

Bismarck, N. D., Nov. 13.—Purchase of hail warrants under the agreement entered into by the industrial commission and the commission of insurance probably will begin immediately after December 1, Governor Nestos said, following announcement of the completion of the negotiations with the Minnesota Loan and Trust company. The warrants will be written up this month in the office of the state auditor and delivered. Hail warrants, under the law, are payable December 1 and draw interest at 6 per cent from that date.

The trust company indicated it did not wish to continue the purchase indefinitely but the agreement would hold during the months specified. The amount of hail warrants to be in the hands of farmers is less than last year, the total being about \$2,200,000 after taxes are deducted by the hail insurance department.

Under the agreement, the trust company is to buy warrants in December at 98 1/2 per cent of face value, in January at 99 per cent, in February at 99 1/2 per cent and in March and thereafter at 100 per cent of face value. The agreement was entered into as early as possible by the administration, before warrants were sent out, so that farmers could take advantage of this offer if they desire from the very start. The same company paid 97 per cent the first month last year, the administration obtaining a price 1 1/2 per cent higher this year. Arrangements are being completed by the trust company to purchase the warrants through a central institution, probably in Bismarck.

A new device has been invented in France which detects icebergs within a distance of six miles.

NORTHWESTERN NEWS

SAYS WORD FOR RELIEF DRIVES

Nestos Urges Hearty Response to Pleas for Russians and Near East.

Bismarck, N. D., Nov. 13.—Endorsement of a drive to be conducted by the Northwestern Russian Relief committee to get food, clothing and money to relieve suffering in Russia was given by Governor Nestos, who issued the following statement today: "The Northwest Russian Relief committee has for some months been actively engaged in the task of completing its organization to get on a drive for money, food and clothing for the sufferers in Russia and the Ukraine during this fall and early winter."

"Some of the people of our state have already contributed to the main part of the drive to be conducted during the months of November and December, and I trust that we can depend upon a concerted movement on the part of all of our people aiding the county chairman and local committees in the great work they have undertaken."

"I have carefully investigated the record of this organization, and I have every assurance that the money, food and clothing contributed will not be wasted in salaries and office expenses, but will be used for the relief of the people who are suffering so intensely on the plains of Russia and the Ukraine."

"I sincerely hope that the men and women of North Dakota without regard to race, religion or politics will help this worthy cause, and contribute generously for the support of the stricken people in Russia and the Ukraine."

Boost for Near East Aid. Asking that men and women of North Dakota on Thanksgiving day give something for the relief of the starving people in the Near East, Governor Nestos today said: "From the Near East comes to the people of America the anguished cry of the starving, freezing, malnourished and sick; the plea of hundreds of thousands of suffering children and women, lacking food and clothing, and terrorized by conditions existing there. The tragedy of Syria, Armenia and the Christian world, and I am sure that the people of North Dakota will gladly respond with liberal contributions to restore the health and to save the lives of thousands and of orphan children who are appealing to the American people."

"I would suggest that in the campaign of the North Dakota committee for the Near East relief, that as the children of the public schools are making their donations on Thanksgiving day for the relief of the unfortunate children in our state, that the men and women of the state on Thanksgiving day donate liberally for the relief of the sufferers of the Near East, and thus make the contribution of our state to this worthy cause a real help to these sufferers."

Many Changes Elected In Official Newspapers By Last Week's Election

Bismarck, N. D., Nov. 13.—Changes in many counties of the official newspapers resulted from the election of last Tuesday, the independent papers winning from league publications in many instances. In Ward county the Minot Daily News won from the Ward County Farmers Press while in Golden Valley the Beach Advance was named. Among other papers named are:

McHenry County—Mouse River Farmers Press (league). Kidder County—Kidder Farmers Press (league). Walsh County—Walsh County Record.

Richland County—Wahpeton Globe. Steele County—Steele County Farmers Press. Pembina County—Pembina Pioneer Express. Grand Forks County—Grand Forks Herald.

Ransom County—Lisbon Press (defeated Farmer Independent, league). Enderlin County—Valley City Times (defeated Public Opinion, league). Foster County—Carrington Independent.

Dickey County—Oakes Times. Stutsman County—Jamestown Alert. Griggs County—Courier-Sentinel (league). Cavalier—Cavalier County Republican.

Fergus—Fergus County Tribune. Morton—Mandan Pioneer won from Mandan News, league. Ramsey—Devils Lake Journal. Burke County—Bowbells Tribune (league).

Grant County—Garage Press. Traill County—Billboro Banner. Emmons—Emmons County Record. McHenry—Farmer's Press, league. Logan—Napoleon Democrat. Hettinger—Mott Pioneer Express. Mercer—Hazen Star. Cass—Fargo Forum.

NO WORD ON CAR DISTRIBUTION PLAN HAS BEEN RECEIVED

Bismarck, N. D., Nov. 13.—No word has been received of the attitude of the Interstate Commerce commission toward the request of the state railroad commission that it be permitted to direct the distribution of cars between elevators within the state, following the visit of Major Bailey, representative of the commission, here.

Chairman Milhollan and Commissioner Stutsman are at Detroit, Mich., attending the National Association of Railway Commissioners. The former returned from there to Washington to attend the express rate hearing. Before leaving here Mr. Milhollan said that unless action is obtained from the Interstate Commerce commission the attorney general's office and the railroad commission plan to invoke the North Dakota state law of 1917 requiring railroads to distribute cars under order of the commission.

The carriers have indicated a desire to work with the commission, members say, but declare they are bound by rules of the Interstate Commerce commission.

Last of Real Estate Bonds Sold To Toledo Firm are Signed Up

Bismarck, N. D., Nov. 13.—The last of the real estate bonds sold to Spitzer, Rorick and company, totaling \$3,500,000 have been signed up by state officials representing farm loans for which mortgages have been assigned to the state insurance by the Bank of North Dakota.

It is probable that sale of more bonds will not be made for a few weeks, as administration officials believe the slump in the market which followed a large treasury issue will be dissipated.

The Bank of North Dakota will department money to the farm loan department until bonds are sold.

Confesses To Assault On Bismarck Man; Is Fined \$50 And Costs

Bismarck, N. D., Nov. 13.—H. Long, charged with assault against E. A. Hughes, entered a plea of guilty in police court here this morning. He was fined \$50 and costs.

No testimony was entered, but in his opening statement State Attorney McHardy stated that it allowed to put witnesses on the stand they would testify that the man's name was Jack Keith of St. Paul.

PEAN PODIUMS ASSOCIATION. Cavalier, N. D., Nov. 13.—A meeting was held at Cavalier, N. D., at a meeting on Nov. 13, 1922, a poultry association for Pembina county will be organized in present plans mature.

The move for the association follows a series of calling demonstrations held throughout the county by County Agent Parke.

It was discovered in the calling demonstrations that fully fifty-five per cent of the birds on Pembina county poultry farms are non-producers and it is hoped through the medium of an association to breed the poultry up to a higher standard and to assist farmers in marketing.

POTATO PLOTS YIELD WELL

Green Mountain Variety Lead in Production at Park River School.

Park River, N. D., Nov. 13.—The Agricultural and Training school at Park River has carried on an experiment during the past season with seed secured from forty potato growers of northeastern North Dakota.

In the spring each of the growers submitted seed necessary for the planting of a Green Mountain variety. The seed was handled, treated, and cut in the same way for each plot. The land had been prepared in exactly the same way for each plot. The plots were all planted on the same day and the treatment given during the season was identical in each case.

The figures given below indicate the yields secured on the plots: The average yield for all plots was 249.83 bushels.

The highest yielding plot was of the Green Mountain variety which yielded at the rate of 398 bushels per acre. The lowest yielding plot had been planted from Early Ohio screenings.

The highest yielding Early Ohio plot produced 24 bushels per acre. Since the only difference between all of the plots in the experiment came in the seed from which they were planted, it seems evident that increased treatment of the same day and the treatment given during the season will be conducted next season.

Results in Detail. The results of the experiments with the various seed plots follow: Early Ohio ... 249.83. Early Ohio ... 199.75. Early Ohio ... 221.29. Early Ohio ... 218.32. Early Ohio ... 255.82. Early Ohio ... 203.66. Early Ohio ... 267.31. Early Ohio ... 243.96. Early Ohio ... 215.97. Early Ohio ... 252.98. Early Ohio ... 235.99. Early Ohio ... 289.83. Early Ohio ... 302.54. Early Ohio ... 215.29. Early Ohio ... 273.08. Early Ohio ... 283.49. Early Ohio ... 217.37. Early Ohio ... 154.70. Burbank ... 289.83. Early Ohio ... 273.08. Honesty in little things is a great thing.

Michigan Man Dies From Blood Poisoning

Michigan, N. D., Nov. 13.—Funeral services were held from the Lutheran church here for William Novak, 36, who died from blood poisoning late last week at a hospital at Devils Lake.

The first indication of Mr. Novak's ailment was a small pimple on one of his arms. Infection from this spread rapidly until his whole arm and side were swollen. He was rushed to Devils Lake but nothing could be done.

The deceased leaves a wife and three children.

WILL TAX HOSPITAL

Minor, N. D., Nov. 13.—Approximately \$1,300 in taxes on the Lakeside hospital at Kenmare, which were removed from the tax list of the county for the year of 1921, on the ground that the institution was exempt from taxation in that it was owned and controlled by religious or charitable institutions, were ordered replaced on the list Saturday by the Ward county commissioners. The board acted on the recommendation of the state attorney who had received a letter setting forth the facts in the matter from the state tax commissioner at Bismarck. The board on July 13, 1922, passed the resolution ordering the taxes on the hospital.

The hospital is owned by the North Dakota Conference Board of Hospital Home, Deaconess and White Cross of the Methodist Episcopal church, and was leased to the Lakeside Hospital association.

The commissioners contend that the property, while probably of a religious or charitable character, was leased to private parties to operate.

Herald Want Ads Bring Results. Herald Want Ads Bring Results.

Independents Carry Ramsey, But Leaguers Elected in Williams

Devils Lake, N. D., Nov. 13.—Complete returns from Ramsey county give the entire independent ticket unusually large majorities over the Nonpartisans, all of the independent county candidates were elected with the exception of Martin Olsen for sheriff, who was defeated by D. J. Ruten by about 400 votes. Mr. Ruten carried all the Nonpartisan precincts and no doubt secured the entire Nonpartisan vote. Olsen was an independent member of the state legislature for two terms.

Three Independents will represent Ramsey county at the next legislative, A. B. Jackson, C. A. Hagen and Edwin Traynor.

State Auditor Thompson was re-elected and Sheriff M. C. Aasmund, Sheriff, Nonpartisan. The other county officers, including County Auditor Joseph Kramer, Clerk of Court Hermon Stedman, County Treasurer Earl George Elmelle, County Judge H. W. Swanson, and Coroner E. A. Toomey, were elected without opposition.

Edward Elmer, who was defeated by Miss Hazel McKay, superintendent of schools in the county, defeated Mary Norton by a three to one vote.

The vote on the head of the ticket, complete in the county, was: Frazier 1888; O'Connor 2945; Nestos 3408; Lemke 1889.

Leaguers Carry Williams

Williston, N. D., Nov. 13.—With the exception of Howard Lampman, independent, as commissioner of the first district, all of the offices in Williams county were carried by the Leaguers. Earl Erickson, who was endorsed by the Independents was elected by a majority of about 400 over Axel Swinley, Leaguer, who was endorsed by the Independents, won over Herman Nelson, president of the Williams County Farmers Press for the position of treasurer.

The Williams County Farmers Press won the official paper contest over the Williston Herald, by a very small margin. The Williston Herald put forth no effort in the campaign for official paper and its campaign expense amounted to only \$50 which was spent to have the name filed so that it would appear on the ballot.

The officers elected in Williams county are as follows: Sheriff, Carl Erickson; auditor, F. A. Hoare; treasurer, Earl Erickson; clerk, Robert Penman; register of deeds, O. O. Rousey; state's attorney, F. W. McGuinness; county judge, H. E. Wingerd; county clerk, Howard Lampman; third district, Howard Lampman; third district, P. J. Berg; fifth district, Otto Solberg.

The grain grading bill carried big in Williams county. The bill was established of a county high school last year.

KILLDEER BANK HAS REOPENED

Bismarck, N. D., Nov. 13.—The First State bank of Killdeer has reopened for business. It was closed November 22, 1920.

Officers are: President, Robert W. Brown; vice president, D. J. Pice; cashier, C. J. Kunz; directors, Fred Oberg, D. J. Price, H. N. Owens, T. G. Saunders, Robert Wilcox. The capital stock is \$25,000.

LARGE CLASSES CITY

More than forty candidates were initiated into the Knights of Columbus at ceremonies held on Sunday by Grand Forks council, No. 1260.

The Fargo degree team was in charge of the conferring of the first three degrees, which occupied the afternoon. The day's ceremonies opened with the knights and candidates attending mass at St. Mary's church where Rev. Father M. J. Fletcher celebrated the mass and gave a sermon.

Last night the initiates were the guests of honor at a banquet at the auditorium of St. Michael's church. There were 400 guests. Fred Traynor of Devils Lake gave the main address, taking as his theme "Americanism." The speakers of this city, and M. J. Hyland of Fargo also gave short addresses.

Musical numbers included a selection by the Knights of Columbus choir, and the third brother and a group of numbers by a male quartet, members of which are Mr. Zimmerman, Clarence O'Connor, Frank LaBine and George Engstrom. Miss Laura Nustang, and Ronald Davies gave a baritone solo.

On Saturday evening a smoker and dance was held for the candidates and council members.

Botineau Slogan Has Been Suggested

Botineau, N. D., Nov. 13.—"Do You Know Botineau?" is a slogan suggested by Alfonso G. Grace in an article urging community co-operation here.

A community social survey is now being made by students of the forestry department and they are using the suggested slogan.

INSPECT NEW SCHOOL

Starkweather, N. D., Nov. 13.—Chance to visit and inspect the new school building here when the doors are thrown open for a general welcome to the public today.

Dillage And La Coste Likely To Have Their Hearings This Week

Winnipeg, Man., Nov. 13.—Jim LaCoste, facing a charge in connection with the murder of Paul Matoff at Beinfait, Sask., Oct. 11, was reminded when he appeared before the judge at Weyburn, Sask., Saturday. It is expected that preliminary hearing will commence this week together with Lee Dillage in custody in connection with the same crime.

Mounted police believe they have secured all available evidence in Canada.

VERY LITTLE HARD COAL HAS REACHED N. D., SMART SAYS

Bismarck, N. D., Nov. 13.—A very small tonnage of anthracite coal which reached the Duluth and Superior docks between September 13 and November 13, according to the state railroad manager of the state railroad commission. Most of the coal has gone to Minneapolis, St. Paul and Duluth, but a small proportion going to other cities in Minnesota, North and South Dakota.

"Navigation will close on the Great Lakes on or about November 30, and North Dakota can depend upon receiving little anthracite coal for this winter's use," Mr. Smart said.

Bituminous coal has been moving more freely to the head of the lakes and large quantities of Illinois coal have been moved into this territory, according to information to the railroad commission.

"It is urged that to avoid fuel shortage the heating plants of our state be supplied with hard coals, and that their production may be kept to the highest possible point," Mr. Smart added. "This is necessary because of the fact that the facilities do not exist at this time, and when no coals are at hand production is limited. The car shortage has handicapped the production of lignite, but efforts made by the carriers and this commission is 'improving the situation.'"

Nestos Meets With Governors Today At Anti-Rust Conference

Minneapolis, Minn., Nov. 13.—Governor R. A. Nestos, fresh from a successful political campaign in North Dakota, will head the list of officials from 13 north central states who will gather here today for the second annual meeting of the conference for the prevention of grain rust.

President John B. Emery of the American Farm Bureau federation, who will be the principal speaker Tuesday, will be greeted upon his arrival by the other presidents from several northwestern states. Among them will be Hans Georzen of North Dakota, W. S. Hill of South Dakota, and George W. McKerron of Wisconsin.

TWO BROTHERS ARE SLAIN WITH AXE

Orford, N. D., Nov. 13.—The bodies of John and Charles Davis, brothers living together in a small house on the outskirts of this town were found from their heads smashed by blows from an axe when a third brother, Prescott Davis, of Harwich, Vermont, and his wife arrived for a short visit early last night. Sheriff Claude Murray of Assiniboia and County Solicitor John Noonan of Orford will arrive here today to take charge of the investigation.

John Davis a veteran of the Civil war, and his brother, according to the authorities, and the third brother were accustomed to carry large sums of money in their clothing. They were also said to trade in watches and guns. No trace of several watches, believed kept in the house was found by the officials.

The only door through which access to the house could have been gained was found locked on the outside with a padlock, and the door was found open when Sheriff Davis arrived. They said.

Canada Harvests A Bumper Wheat Crop

Ottawa, Ont., Nov. 13.—If Canada's wheat crop of 320,968,000 bushels were ground into flour and made into bread there would be enough to supply every man, woman and child in the United States with a loaf weighing twenty-four ounces a day for four months, or a similar ration to the entire population of England for a whole year, according to a computation based upon figures given out by the Canadian department of agriculture.

It would take 257,250 grain cars with a capacity of 40 tons each to move the crop and placed end to end the cars would make a train of wheat 1,846 miles long, or who extending from Montreal to a point 26 miles west of Swift Current, Sask. or from New York to Denver.

The value of Canada's field crops for 1922 is estimated at \$1,119,275,553. Of this total, the wheat crop accounts for \$389,343,359. The oat crop this year is valued at \$224,510,380, an increase of nearly \$100,000,000 over the value of the 1921 crop.

RETURNS FROM NORTH

Pembina, N. D., Nov. 13.—Inspector S. T. Wood of the Royal Canadian Mounted police has returned from Herschel Island in the far North and arrived at Emerson with his wife and son Donald.

The trip from the far off island took two months. It has been three years since they left Emerson and they have had a very hard experience. Mrs. Wood is remembered here as Miss Gertrude Peterson, formerly of Emerson.

HANNAH NOTES

Hannah, N. D., Nov. 13.—The Commercial club held a meeting in the Doric theater building. Ways and means of financing the purchase and maintenance of a fire fighting apparatus sufficient for the protection of the town was discussed. The matter of incorporating the town was brought up after the business meeting lunch was served.

Mr. Joseph Myers, who has been ill for several days, is now improving.

Dr. Caldwell and wife of Winnipeg, visited the local customs house on their way to Hot Springs in their car. The doctor has equipped his Buick chassis with all the modern comforts of motorists.

Miss Edna Ullott of Langdon, came on Friday to conduct her music class, returning home Saturday.

A. J. Chapman was in town on business Friday.

Mrs. J. McLeod of Langdon is visiting at the C. B. McMillan home.

Mrs. George Stevens returned home Friday after spending the month visiting Mrs. J. Samuelson of Hibbing, Minnesota.

R. C. Gemmill returned to his home at Grand Forks Saturday after spending a few days visiting at the R. J. Higgins home.

Mrs. James Black and little daughter spent the past week visiting with friends at Dresden.

Mr. and Mrs. Richard Halls of Williston visited at the
