

Submitting to DISTRICT.

San Francisco submitted to a stain upon her honor when rampant ruffianism was allowed to run rough-shod over a respectable course of her returns.

It cannot be done by putting tables on Montgomery street, with attendants to importune for signatures to a paper to be presented to the Legislature—there is no assertion of manhood in that.

The unparalelled outrage committed by Dennis Kearney and his ruffians at Platts Hall, lies upon the city of San Francisco as a foul dishonor. We owe it to our past, our present, and our future, to wipe out the "damned spot," and redeem our standing among the civilized cities of America.

Mr. Sumner W. Bugbee, of San Francisco, has made arrangements for a grand musical festival in that city on the 25th, 29th and 30th of May, in which the music will be sent into the interior of the State by means of the telephone.

The proposition is to procure several artists of first repute from the East or Europe, and to supply them with the entire musical talent in the State.

This will be the grandest musical entertainment ever given on this Coast. The Director has written to leading musicians in every part of the State, and has invited them from every town.
