Yesterday morning a party of California excursion party, in charge of J. C. Judson, arrived in the city. The party left Boston on the 3rd of May, and the trip across the continent was a most delightful one. Following is a list of tourists:

THE GREATEST STUDY OF HUMANITY

The greatest study of humanity is man, and who of his wondrous frame doth scan, ponder and devise to cure an ill.

Who remembers not how the distressed mother, Her child's entreaties tries to smother, Physicians hasten, and the horrid dose to take, The remembrance e'en now does nausea wake.

We have it now! and great DE PRATT'S name Appears upon the scroll of fame! Has hit upon DELICIOUS FRUIT To cure our ills.

Away at once with draughts and pills; For whether it be indigestion, liver complaint or constipation, Or any disease to which flesh is heir, He here with pride does boldly declare, That it can be cured by a HAMBURG FIG.

At drugists, 25 cts. a box. J. J. Mack & Co., proprietors, S. F.

They Never Fail. California's scenery cannot be surpassed in the world, with her beautiful evergreen valleys and her continuous snow-capped mountains.

New Has Faith. I had been troubled all winter with cold and pain in the chest and got no relief from remedies recommended by druggists and physicians.

Sooths and Heals. The combination of Abietine Balsam and Mountain Balm in Santa Able soothes and heals the membrane of the lungs, inflamed and irritated by disease.

Cure for Piles. PILES are frequently preceded by a sense of weight in the back, loins and lower part of the abdomen.

Cure for Sick Headache. For proof that Dr. Gunn's Improved Liver Pills cure Sick Headache, ask your druggist for a free trial package.

Buy the Best Face Powder. Freeman's Medicated Invisible Face Powder is sold for two bits, is equal to any four bit powder made.

A New Lumber Yard. Has been established by the Schaller-Graham Lumber Company on Washington street, nearly opposite the Washington Hotel.

In their New Quarters. Grandall, Crow & Co. are now at 153 and 155 West First Street, with full line of stoves, mantels and grates.

A Delicate Complexion. Charly covered a multitude of sins, and so does a soft and youthful complexion.

Notice. As we are the only holders of silver medals (the highest possible award for merit) of the Mechanics Institute Fair, San Francisco, 1884, for "Expert" and "Brought" California make, and observing that others are claiming the same distinction.

The Los Angeles Storage, Commission and Lumber Company, San Pedro street, near Third, are doing the largest business in cement of any concern in the San Gabriel and the Santa Ana valleys, for instance, from Arroyo to Monterey. But the greatest traffic on the other side of the San Gabriel river, where a new settlement has sprung up lately called Vineland. Mr. Baldwin knows considerable of it, which he intends to clear pretty soon. The growth that trees and vines of all descriptions are making without irrigation is astonishing. But grain it is not sated. All deep-seated trees and vegetables, such as corn, do well.

These lands are now bought up largely by California fruit-growers, who know their value. Wonderful how long these priceless lands have been lying unused, even by agriculturists.

EDWARD RECORDS, P. O. BOX 1450. (ap24-1f) 10 COURT STREET, ROOMS 11 and 12. INSECTICIDE. We beg to call your attention to an article we are manufacturing for the purpose of eradicating and destroying the Scale Bug, Harvest Flies, Tree Hoppers, Plant Lice, Etc. It has been fully tested by the Agricultural Department of the State University, and pronounced a success, the endorsement of which we append. It is put up in convenient forms for use. The chemicals employed in same will not hurt the most tender bush, as has been fully demonstrated. It is put up in liquid form ready for use in barrels and gallon cans, and in paste form in 2 and 4 lb. cans and barrels, which must be diluted before using; therefore, we recommend the liquid form as being the best for use. (Copy of letter received from the University of California, College of Agriculture, Berkeley, dated Dec. 4th, 1886.) Dear Sir:—We have lately tested the insecticide preparation of Whale Oil Soap sent by you to us, and have found it to be very effective against the Scale Infesting Orange and Bay Trees; also against the Thrips. From our previous experience with a similar composition, I think it will be found fully effective against any small Insect Pests not specially protected like some of the armored Scales, and against which any wash short of strong lye cannot be used. CLAREMONT THE BEAUTIFUL. There is enough of true merit in the superb climate of Southern California, enough to praise in the magnificent scenery, and the remarkable fertility of the soil to make it unnecessary to resort to foolish expressions or misstatements of any character.

CLAREMONT THE BEAUTIFUL. New town on the Santa Fe Route, midway between San Bernardino and Los Angeles, possesses all the requirements to make it the leading suburb of Los Angeles, the mountain home, the place of rest, the sanitarium. Why? This can be answered in person by you in a day or two, for the train will soon be running past its sunny hills. Look carefully at all the new towns, and then examine the peculiar attractions of

CLAREMONT. Located at the foot of the picturesque San Antonio Canon, it monopolizes the only good view of that grandest of our mountain peaks—"Old Baldy." The pure water, the inviting pools, the air, the rock trout can only be reached easily from Claremont. Below some 400 feet is Pomona, nestled in a valley as lovely as that of Cashmere, and as fruitful as that of Egypt. The panorama from

CLAREMONT. Is not equaled in California. Our water supply is the very best. We are the very center of the great arid belt. The Claremont Water Company pipe its water under 100 feet pressure. Our soil is the most productive in California. Mortal eye never looked upon roses, strawberries, apricots, peaches, plums, oranges or lemons, more perfect than those of Claremont. We are authorized to state that COMMUTATION TICKETS Will be sold to Claremont residents at very low rates, at once upon the opening of the railroad. This week "THE MANCHESTER," An exquisite hotel, will be begun. The most picturesque cottage on the line is now building; a Bank building contracted for. The railroad company will make their depot grounds a Park. The depot will be an artistic building, calculated to please the class of residents that are sure to make

Claremont Their name. The Pacific Land Improvement Company take pride in Claremont as their first town. The street grading and general improvements are going on rapidly. Visit the property. Make an investment that will pay you 100 per cent in a few months. Get the office of the PACIFIC LAND IMPROVEMENT COMPANY and buy the lots from first hands. W. H. HOLLAND, Gen'l Agent.
