THE DEMOREST MEDAL.

The Entertainment by the Band of Hope.

An enjoyable entertainment was given Friday evening by twelve members of the Band of Hope at the M. E. Church in Pasadena under the supervision of Mrs. J. H. Blanchard.

The occasion was the grand prize contest for the Demorest gold medal. The Band occupied the elevated platform in the rear of the altar, Master Willie Herman occupying the chair in front as chairman.

The entertainment was opened by the Band singing "What a Happy Home," followed by a recitation between Mrs. Blanchard and the children. Prayer was then offered by the Rev. Dr. Brasser.

The medal was awarded to Master Eddie Longly by Prof. Parker for the best oration, and hoped that he would grow up as he had commenced.

A SNAKE STORY.

A Bunter Peacefully Plays with a Snake.

The special providence which it is said always watches over children was notably illustrated by an incident which occurred near Maynard recently. The four-year-old daughter of a rancher there was playing outside the house while its mother attended to the household duties within.

Mayo, To-Night.

Mr. Frank Mayo, the California actor who has won more fame and money in Nordeck than in any of his great successes, commences his season at the Grand Opera House this evening in his really great play, supported by his New York company.

There is a strong, manly magnetism of feeling in Mayo that flashes up in the impassioned scenes and inculcates the audience with his spirit. Recalls at the end of the acts are rules, not exceptions. The support is very effective. The company is evidently chosen for their fitness for their various lines of characters, and the whole performance is given with great impressiveness.

Even the costumes can be classified in the general care and completeness that colors all things belonging to Nordeck. They are historically correct, well fitted to their wearers, and are changed at every episode of the play.

K. of L.

Los Angeles Assembly No. 2405 held an open meeting in Masonic Hall, South Spring street, Saturday evening. The attendance was fair, and the audience was highly entertained by a variable programme, consisting of music, speeches, readings and recitations.

SEMI-TROPIC LAND AND WATER CO.

29,000 Acres 29,000

Of the best citrus land in the State offered for sale in twenty-acre blocks, and can be bought in five, ten, fifteen or twenty acre subdivisions.

Lytle Creek Water Piped on Each Lot.

Avenues 150 feet in Width Traverse the Tract.

Water Furnished from a Covered Cement Ditch.

This land lies on the elevated plain directly west of San Bernardino City. The plain is a vast elevated tableland with just enough of gentle undulation to break the monotony of the landscape.

Owing to the elevation, frost is practically unknown. Flowers in myriads bloom during the winter, the tenderest tomato sprigs are unscathed by frost, and the orange blossoms bloom in beauty throughout the winter.

There are 29,000 acres in this tract, but 10,000 acres only are as yet surveyed. The town, Rialto, is located near the center of this 10,000-acre tract, and on the California Central.

The California Central and the Southern Pacific both traverse this great tract, and in all probability the Southern Pacific's parallel route will soon add a third railroad to this princely citrus tract.

This plain grows as fine oranges as the world has ever seen and the finest quality of citrus fruit generally, as buyers can see for themselves. There is no better raising grape land in California. In fact all sub-tropical productions flourish to perfection.

LA PRESA!

THE BEAUTIFUL SWISS VILLAGE ON LAKE COMO

Being Reproduced in San Diego.

The most novel thing yet undertaken in the development of this Southern country is now being done at LA PRESA, nine miles from San Diego. The plan is to reproduce in that delightful spot the counterpart of the celebrated Swiss village on the shores of Lake Como, in Northern Italy. To this end a railroad is being built to the place, and a fine modern hotel is to be erected at once. The situation is most delightful; far enough removed from the sea to escape rough winds, yet near enough to be always cool. With pure water, fine scenery, and the best of soil, LA PRESA is just the place to invest for a quick turn with big profits. LA PRESA is sure to grow rapidly, as it has all the elements to attract a select class of settlers. Lots are sold for the low price of \$100 to \$125 each.
