MISCELLANEOUS.

—THE— Alexandre Weill TRACT, CENTRAL AVENUE, Between Eighth and Vejar Sts.

This beautiful tract, situated near the heart of the city, was cut up and thrown upon the market after the so-called big boom of last year had

"folded its tent like the Arab And silently stolen away."

But owing to its splendid location, moderate prices and liberal terms it has enjoyed a healthy

BOOMLET From the moment when it was first placed before the public. It is the general favorite among the many beautiful subdivisions of the City of the Angels, and nothing will be left undone by the owners to make the tract the most attractive residence property east of Figueroa street.

When all the improvements now under way and in contemplation will have been completed, some futuro Wordworth, standing at the corner of Eighth street and Central avenue, and seeing the beautiful young settlement of lovely homes on the Weill tract, and the grand old mountain range of the Sierra Madre looking down proudly upon it, may well exclaim:

"Earth has not anything to show more fair; Dull would he be of soul, who could pass by A sight so touching in its majesty."

Full particulars in regard to prices and terms of the Alexandre Weill Tract, can be obtained at the office of the undersigned, who will be most happy to give intending purchasers a free ride and show them the property.
