To House Owners.

In view of the depression in the real estate sales market, we have decided to give special attention to the house renting branch of our business. We want houses of all descriptions to rent. Our demand far exceeds our supply. Three days' rent will pay our charges in all cases, and as we can probably rent your house three days sooner than you can, it will cost you nothing to secure a tenant for a month and possibly a year. We rent a week sooner than you could we save you double what our charges will be; therefore put your property in our hands immediately and we will have you a carriage to show your house to anyone wishing to rent or buy it, and we advertise your property free. HER SUFFERINGS WERE INTENSE.

A well-known lady of this city, who was treated by the undersigned in Chicago last summer, speaks thus of the result: "I had suffered from displacement of the womb for six years, and was in constant misery from bearing down feelings, backache, constipation, urinary difficulties, indigestion, and a most distressing headache, from which I was seldom free. My sufferings during the menstrual epoch were intense, so as to oblige me to go to bed. I abandoned my painful supporter at once after commencing treatment with Dr. L. K. Blakeslee, and was entirely cured in less than two months."
