FREE TWO WEEKS.

An Unprecedented Offer—The Bryant Medical Institute—Examination, Advice and Treatment Free Until Cured—Hollenbeck Hotel Los Angeles, from May 27 Till June 3.

As there are many sufferers in Los Angeles and vicinity who are unable to visit the San Francisco institute, who desire treatment, and so many letters have been received asking for more information, it has been deemed advisable to visit Los Angeles to give those who desire such examination, advice and treatment as may be indicated in each individual case for one week FREE OF CHARGE, thus giving sufferers from all chronic diseases permanent attention and all the advantages of this new system that has produced such marvelous cures in San Francisco and vicinity.

Although the expense will be several thousand dollars, we know that the large number that we shall treat, the cures will be so varied, and the good we shall accomplish will cover so large a field, that the advertisement will be double what could be obtained by the expenditure in any other way. The scientific knowledge of these specialists of symptomatology, pathology, materia medica and mental therapeutics enables them to understand, locate and historicize disease in its incipency, progress and termination, and to prescribe the proper remedies necessary for a perfect and permanent cure. Our medicines—mostly imported—are pure, safe and free from mineral poisons, and are prepared under the direct supervision of Dr. Bryant, and will be furnished at cost.

Not only will the patient be surprised at their wonderful knowledge of disease, their plain, concise explanation of every cause and effect, but the rapidity with which they relieve and cure the most obstinate cases by the Bryant system. It is this system that has robbed the surgeon's knife of so many fatal operations in cases of tumors, cancers and other abnormal growths.

A WORD TO WOMEN. You who have suffered long and severely by the barbaric use of the speculum, caustic, pessaries, rings and other instruments of torture, also bitter and nauseous compounds, will welcome a system of treatment which speedily and permanently cures diseases of women without the use these cruel and unnecessary methods.

TO MEN. Those who desire special treatment, also those who have doctored much with no results, are invited to call and investigate our new system, which positively and permanently cures all cases taken for treatment.
