Consult Dr. White.

MIDDLE-AGED MEN, Married or single, who are prematurely old, as a result of excess or of youthful follies, who are troubled with frequent aversions of the bladder, often accompanied by a smarting sensation, and finding a deposit of mucus in the urine, and sometimes small particles of albumen will appear, or the color will be first of thin or milky white, and changing to a dark and turbid appearance, causing nervous debility and loss of vitality. Remember, this is the second stage of seminal weakness. In all such cases a permanent cure is guaranteed, and a radical restoration of the genital-urinary organs. All letters and interviews are strictly confidential. Medicines packed so as not to excite curiosity, and sent by express, if full description of case is given, but one personal interview in all cases is preferred.

BLOOD AND SKIN DISEASES. Syphilis, a disease most horrible in its results, completely eradicated without the aid of mercury; scrofula, erysipelas, fever sores, blotches, ulcers, pains in the head and bones, syphilitic sore throat, mouth and tongue, chancre, etc., permanently cured where others have failed.

VARIICOCELE, Blood poison. Impotency. Acute and chronic orchitis. Enlarged Kidney and Bladder complaints. Prostatitis, Spermatorrhea, Inflammation and Cancer of the Neck of the Bladder. Skin diseases, special, nervous and chronic diseases of both sexes cured for life.

Gravel causes pains in small of back, and burning and scalding urine. Rheumatism, dropsy and other disorders of the blood often result from kidney disease. The symptoms often develop so stealthily that a dangerous stage is reached before the patient is aware of it. DR. WHITE CURES kidney diseases. Call before too late.

HEART, BRAIN AND NERVES. If you have a dizziness of the head, palpitation of the heart, difficult breathing and suffocating feelings, fullness of the head, a tired, irritable, discontented feeling, and fear of impending danger or death, a dread of being alone or the reverse—desire to be alone—if your memory is failing, and you are gloomy and despondent, or if you dream much or often, and feel an aversion to society, you are suffering from a serious disease of the nerves, brain or heart. You have no time to lose; call at once. I WILL CURE YOU.

MEDICINES. Prepared in my laboratory exactly to suit each case. No experiment. All cases treated privately at the office or by correspondence.

CAUTION! Dr. White calls special attention to the fact that his patients are not entrusted to the care of cheap imitations, which are many so-called imitations, which are established with some high-sounding title or under a borrowed name, and are conducted by men too unskilled and inexperienced to practice successfully under their own names. Dr. White is qualified in person.

None But Royal

BAKING POWDER is absolutely pure. No other equals it, or approaches it in leavening strength, purity, or wholesomeness. (See U. S. Gov't Reports.) No other is made from cream of tartar specially refined for it and chemically pure. No other makes such light, sweet, finely-flavored, and wholesome food. No other will maintain its strength without loss until used, or will make bread or cake that will keep fresh so long, or that can be eaten hot with impunity, even by dyspeptics. No other is so economical. The Baking Powders now being offered in this vicinity, with the statement that they are "as good as Royal" have been shown by the official analyses to be composed of alum and detrimental to health. The official chemists of the United States and Canada, State analysts, municipal boards of health, and physicians indorse the great qualities of the Royal Baking Powder.
