

Warner, past grand commander of the G. A. R. Warner in touching upon the pension question in a speech, said the men who were the friends of the soldier and who enacted the pension law, could be relied upon to deal justly with pension matters, and it belonged to the friends of the soldier alone to remedy the evils which have crept into the pension system. When General Black's turn to speak came, he said the pension rolls are polluted with the names of cowards, deserters and impostors, and no true soldier of 1861 to 1865 would object to a measure calculated to remove the disgrace.

ANNAPOLIS CADETS.

Large Crowds of Visitors at the Graduating Exercises. ANNAPOLIS, Md., May 30.—Large crowds gathered today to witness the graduation exercises of the naval academy. Target practice, presentation of diplomas to members of the graduating class, a parade and the presentation of medals for the highest scores in the target practice, were the attractive features of the day.

These cadets were drilled before the board of visitors this morning in steam launches and boats under sails and oars. The Italian warship Dogali, with Admiral Managhi on board, arrived in port this afternoon and was duly saluted. The cadets afterwards gave an exhibition of skill in steam engineering at the department, and proficiency in machine work at the machine shops. In the afternoon a sham battle was fought.

EXERCISES AT GETTYSBURG.

The Day Observed With More Than Ordinary Ceremonies. GETTYSBURG, Pa., May 30.—Memorial day was observed on this battlefield by more than ordinary impressive exercises, in the presence of thousands of people. In the morning colored school children decorated the graves of their dead soldiers. At the cemetery the veterans paraded before the soldiers' monument and officers of the post read services. Then as the band played a dirge the children of the public schools advanced in a long line over the graves of the fallen heroes and strewn them with flowers. The mayor of the day was George Reed, D., Ill., D.

AT PHILADELPHIA.

Russian and Austrian Officers Assist in the Memorial Exercises. PHILADELPHIA, May 30.—An unusual feature of Decoration day here was the participation in the exercises of 17 officers from the Russian flagship Dimitri Donokoff and her consort, the Rynda, and five officers from the Austrian corvette Frudsberg. After the decoration of the graves at Mount cemetery, the foreign guests were driven to Lincoln monument, where ex-Postmaster-General Wannamaker delivered an eulogistic address. From there they were taken to Laurel Hill cemetery, where they witnessed impressive services over the grave of General Meade.

There were also national guards, English soldiers from the military tournament and many civic societies, the procession being about half an hour in passing. The customary exercises were held at all the cemeteries.

OBSERVANCES ABROAD.

Americans in Paris Decorate the Tomb of La Fayette. PARIS, May 30.—About 500 persons, largely Americans, were present today at the decoration of the tomb of the Marquis de La Fayette, in honor of his services to the cause of American independence. The members of the La Fayette family arrived at the cemetery in landaus sent by Colonel Adams, representing La Fayette post of the G. A. R. of New York. As Colonel Adams placed wreaths and baskets of flowers on the tomb he delivered an eloquent tribute to the memory of La Fayette. Hon. James B. Ennis, American ambassador, who was present, made an emotional speech, in which he referred to the sacrifices of La Fayette in behalf of people to whom he was an entire stranger. Francois de Corcoran, great grandson of the Marquis de La Fayette, made a reply in behalf of the family. A distinguished company of Americans participated in the ceremonies.

Angels Again Victorious at Stockton.

The Ex-Colonels Defeated by Uncle Henry's Hiredlings.

The Pacific Coast One-Mile Bicycle Record Daily Smashed—Cycling Events at the East-Memorial Day Sports.

By the Associated Press. STOCKTON, May 30.—A large crowd at the game today saw Stockton defeated by Los Angeles by a score of 6 to 5. In the absence of the official umpire, De Paugher, an old time ball-player, was put in. Los Angeles complained loudly at some of his decisions. Harper and Nicol pitched each a fair game only. The game was exciting throughout, as Stockton led until the last inning when Los Angeles got two runs and won. Roberts made two splendid catches of distant flies, and Nicol stopped what seemed an impossible drive and got an assist.

PULLMAN ROAD RACE.

Mr. Nelson Awarded Both the First and Second Prizes. CHICAGO, May 30.—The great annual Decoration day cycling event, known locally as the Pullman road race, being a run of some 12 miles, from Michigan avenue and Van Buren street to the town of Pullman, was contested today by some hundred "bike" riders, including many men whose fame is national. The race is a handicap, the starters being penalized according to their known performances, with a view to getting everybody a fair chance to win the race. The day and weather were perfect and it was a merry spin. The winner of the race was M. Nelson, of the Columbia club, who had a six minutes handicap and who covered the distance in 55 1/2 minutes. He is the actual winner of the race, but the chief interest to cyclists centers in the time winner, that is the man who covered the distance in the shortest time, regardless of handicap. To determine who this man is required much figuring by the judges, who finally awarded the prizes as follows: First, M. Nelson, Columbia wheelmen, time, 55:17; second, M. Nelson, also the winner of the race, 55:44; third, Charles T. Knisly, Illinois Cycling club, 56:00 2-5.

CYCLING AT ALAMEDA.

The Coast Mile Record Lowered Three Times. SAN FRANCISCO, May 30.—The mile coast bicycle record was shattered three different times this afternoon. Walter Foster first cut the coast record, heretofore held by D. L. Burke of Los Angeles, from 2:30 4-5 to 2:29. This was done in a handicap mile race in the third heat. In the fifth heat Wilbur Edwards made the distance in 2:28 2-5. This new mark did not stand very long, as in the final heat Foster rode a mile in 2:28 1-5. The annual meeting of the Alameda Bicycle and Athletic club, which was held this afternoon at the Alameda grounds, was a brilliant success, at least 4000 people being scattered over the grounds when the first race was called. Walter Foster carried off the honors of the day, with William Edwards a very close second. Many new good men came to the front, among whom was Otto Ziegler of San Jose, who won the mile handicap on the 60-yard mark in 2:28. The Alameda track is four laps to the mile and is made of hard dirt.

It is probable that hostilities will be resumed at the end of the 48 hours during which it was agreed the truce should prevail.

A DYNAMITER RELEASED.

James Gilbert Liberated on Account of Ill-Health. LONDON, May 30.—James Gilbert, the dynamiter, has been released from Portland prison. He was sentenced in 1885 to penal servitude for life for having caused dynamite explosions at the tower and houses of parliament. The reason for his release is said to be the breaking down of his health. A priest and nurse accompanied Gilbert to London, where he will be taken to a hospital, where a nurse has been ordered for him by the Irish Amnesty association. Gilbert's appearance corroborates the recent reports as to his health. He moves feebly, stoops, and has aged 20 years during his confinement.

RELAY FOOT RUNNERS.

One Hundred Miles Covered in 9 Hours, 3 1/2 Minutes. NEW HAVEN, Ct., May 30.—With the first rays of daylight this morning, the longest foot relay race ever run in this country started from this city. Hundreds of people gathered about the building of the local Y. M. C. A. on Chapel street as the runners from this city took their places and waited for the word. Promptly at 5:30 the appointed signal was given, and the three New Haven runners sped away. W. C. Hunter, the fastest of the trio, was given a message sent by Adjutant-General Bradford to the message on to Stratford. His comrades were Frank Kenna and Gus Holland, all of this city. Close behind the runners was Director McCann of Bridgeport association on a bicycle to see that perfect fairness was maintained throughout the race. The journey of 75 miles was divided into blocks of 5, each relay taking a block, 40 minutes being allowed each relay for the distance. The first relay, from this city to Savin Rock, was covered by Hunter in 27 minutes, 1 second. At this place W. C. Bissell, Harry Smith and Dave Inrie took the message and shot along toward Milford, which was reached in 29 minutes, 50 seconds. From there three association men took the message on to Stratford. Their course was in fine shape and they made a creditable run, their time being 29:36. Stratford was left at 7:30 a. m. and the good time of 29:30 made to Fairfield. Twenty-five miles, one-third of the entire distance, had now been traversed and the fact that a great record had been set was appreciated. NEW YORK, May 30.—The last athlete to participate was Thomas Mellen, of Harlem, who took the letter on its arrival at Harlem bridge and spurred to the club house, the terminus of the day's trip, arriving at 2:35 p. m. The dispatch was read. It was a friendly greeting from the adjutant-general of Connecticut, and referred to the means of transporting it as the first race of its kind in the country. The total time of the race was 9 hours, 3 1/2 minutes.
