THIS WEEK we propose to name prices that'll eclipse any of our past efforts. Men's and boys' fine and elegant

TAILORED CLOTHING

WILL GO AT PRICES

that'll surprise the people and paralyze our would-be competitors.

NOW MARK YOU!

When we name LOW PRICES, it ain't for trash, prison or Chinese made plunder, but for Clothing that's made to wear and reflect credit upon our unblemished reputation as the **GREATEST BARGAIN DISPENSERS** in Southern California.

CLEAR CRYSTALLIZED FACTS.

In this great Sacrificial Sale of ours country merchants and competing houses are our most liberal buyers, as we are selling our wares at prices lower than they can buy them at wholesale. But we want the people--**THE CONSUMERS**--those whose toil has taught them the value of their dollars (never too easily earned) to awaken to the knowledge of the fact that in this grand distribution of gigantic values their interests lie in prompt action.

MAIL ORDERS CAREFULLY FILLED.
