### THE NATION'S LAWMAKERS

#### Interesting Proceedings in the Senate.

#### A Bill to Repeal the State Bank Tax,

#### Introduced by Gordon, Given a Cool Reception.

#### Wolcott Makes an Eloquent Argument for Free Coinage and Hard Money as a Gold Standard Bimetallist.

By the Associated Press.

WASHINGTON, Aug. 15.—In the senate this morning Gordon of Georgia recalled a plank in the last Democratic platform by presenting a measure to suspend for 90 days the law imposing 10 per cent tax on state bank issues. He declared it would give relief to the country in 15 days and make it possible to move the cotton crop in the south. The proposition was not received with any particular warmth by the senate and it was referred to the finance committee.

#### VOORHEES' RELIEF MEASURE.

Voorhees reported back from that committee the bill introduced by him yesterday as a measure of relief. It had, he said, the approval of the committee and the secretary of the treasury, and he hoped the senate would take the matter up. National banks were no favorites of his, but that was no reason why they should not be used to bring about a measure of relief, if they were capable.

#### COCKRELL OF MISSOURI OBJECTED, SAYING SEVERAL SENATORS DESIRED TO BE HEARD ON THE PROPOSITION.

#### RELIEF FOR LAW-MAKERS.

The bill went over and Cockrell then asked the senate to pass the house joint resolution for the payment of mileage to senators and representatives for the present session.

#### FRYE OF MAINE RIDICULED THE IDEA OF PUBLIC DUTY WHICH WOULD POSTPONE RELIEF FOR THE PEOPLE AND MAKE HASTE TO PROVIDE RELIEF FOR THE SENATORS AND MEMBERS.

#### THE LEE MANTLE CASE.

The Lee Mantle case, involving the question of the right of the governors of states to appoint senators under certain circumstances was taken up and Hanton of Virginia spoke briefly in support of Mantle's right to a seat.

#### WOLCOTT INTRODUCED A JOINT RESOLUTION EXTENDING FOR SIX MONTHS THE BONDED DEPOSIT LAW TO GOVERNMENT WORKHOUSES.

#### LODGE THEN MADE AN ADDRESS IN ADVANCE OF HIS RESOLUTION OFFERED TUESDAY LAST, DIRECTING THE COMMITTEE ON FINANCE TO REPORT AT ONCE A BILL TO REPEAL THE PURCHASING CLAUSE OF THE SHERMAN ACT.

#### WOLCOTT WAXES ELOQUENT.

Wolcott of Colorado replied at length. He had yet to hear any intelligent man state he firmly believed the Sherman act had wrought the injury under which the country now suffers. The Sherman act was illogical and vicious in that it made of silver a commodity and left silver bullion in the treasury uncoined. It had some advantages, however. Its quasi recognition of silver had been of infinite value in the hope it had inspired of bimetallism, and in fact it had afforded an enlarged currency from month to month for the past three years. It had given the country currency backed by the credit of the government and by silver at its bullion value. That was pretty good currency, better than the \$30,000,000 of clearing house certificates in circulation in New York. The only tangible statement he could get out of the injury wrought by the Sherman act was that there was a lack of confidence in Europe, but he did not find that statement borne out by the facts. American securities have been held enormously in Great Britain. That country suffered seriously in Argentine and her own colonies, and had been forced to sell her securities. Great liquidation had come, not because there was a lack of confidence in American finances in Great Britain, but because the holders of American securities were compelled to sell. The Sherman act was not responsible for the Reading fiasco, or the whisky trust trouble, or the cordage trust trouble, and yet the New York papers, striking a balance between the quotations of now and a year ago, argued that silver and the Sherman act were responsible for all these disasters. The real cause of the present financial panic was to be looked for elsewhere. It came partly because of European losses in South America and Australia; partly because Brussels and Austria were buying gold, and partly because the United States had purchased more goods abroad than it has sold abroad. All the causes were utterly independent of and irrespective of silver and the Sherman act. All the legislation that might be enacted would not bring back confidence to the men who have withdrawn their money from the banks.

#### WOLCOTT EXPRESSED THE CONVICTION THAT WHEN PROSPEROUS DAYS CAME BACK TO THIS COUNTRY IT WOULD BE AFTER IT HAD ANNOUNCED TO THE WORLD THAT THIS WAS A NATION OF BIMETALLISTS, BELIEVING IN HARD MONEY, BOTH GOLD AND SILVER, AND THAT IT PROPOSED TO HAVE ITS SHARE OF THE GOLD OF THE WORLD; WAS RICH ENOUGH TO HOLD IT, AND WAS ENTITLED BY ITS RESOURCES AND CONDITIONS TO HAVE IT; THAT AT THE SAME TIME IT PROPOSED TO OPEN THE MINDS TO FREE AND UNLIMITED COINAGE OF SILVER, AND THAT WE HAD RETURNED TO THE PATHS OF THE FOUNDERS OF THE REPUBLIC.

#### HOAR POSSES AS A BIMETALLIST.

The Lodge resolution was then laid aside without action and Hoar addressed the senate on Year's resolution as to bimetallism. The Republicans, he said, stood ready to hold up the hands of the president and restore that resolu-

#### The Verdict in the Bering Sea Case Rendered.

#### Great Britain the Winner on Technical Points.

#### The United States Greatly Benefited in Practical Results.

#### The Sea is Not a Mare Clausum, but Fur Seal Life is Guaranteed Ample Protection—Details of the Decision.

By the Associated Press.

PARIS, Aug. 15.—The Bering sea arbitrators met this morning and the president, Baron de Courcel, delivered copies of the decision. Afterward he addressed the arbitrators, saying he recognized the great value of arbitration as a cause of peace between nations. He expressed the opinion that every international arbitration rendered war less probable, and said he looked forward to the time in the near future when it would be the rule, and not the exception, to settle international differences this way.

#### SENATOR MORGAN, ONE OF THE AMERICAN ARBITRATORS, AND LORD HANAN, ONE OF THE BRITISH, RESPONDED, RECIPROCATING THE BARRON'S SENTIMENTS AND RECOGNIZING THE HOSPITALITY RENDERED BY FRANCE.

#### THE SESSION THEN TERMINATED AMID MUTUAL CONGRATULATIONS AND EXPRESSIONS OF GOOD FEELING.

#### THE AWARD DECIDES THAT BY THE TREATY OF 1821 RUSSIA CLAIMED JURISDICTION IN THE BERING SEA TO THE EXTENT OF 100 ITALIAN MILES FROM THE COASTS AND ISLANDS BELONGING TO HER, BUT IN THE COURSE OF THE NEGOTIATIONS WHICH LED TO THE CONCLUSION OF THE TREATY OF 1825 WITH THE UNITED STATES, RUSSIA ADMITTED THAT HER JURISDICTION SHOULD BE RESTRICTED TO A CANNON SHOT FROM SHORE. FROM THAT TIME UP TO THE CESSION OF ALASKA TO THE UNITED STATES, RUSSIA NEVER ASSERTED IN FACT NOR EXERCISED EXCLUSIVE JURISDICTION IN THE BERING SEA, NOR ANY EXCLUSIVE RIGHTS TO SEAL FISHERIES BEYOND THE ORDINARY LIMIT OF HER TERRITORIAL WATERS.

#### ON THE SECOND POINT IT IS DECIDED THAT THE BODY OF WATER NOW KNOWN AS THE BERING SEA WAS INCLUDED IN THE PHRASE "PACIFIC OCEAN" IN THE TREATY OF 1825 BETWEEN GREAT BRITAIN AND RUSSIA.

#### ON THE FOURTH POINT IT IS DECIDED THAT ALL RIGHTS OF RUSSIA TO JURISDICTION AND SEAL FISHERIES PASSED TO THE UNITED STATES, LIMITED TO THE CESSION.

#### AS TO THE FIFTH POINT, WHICH SPECIAL STRESS HAS BEEN PLACED BY THE UNITED STATES COMMISSIONERS, THE TRIBUNAL DECIDES THAT THE UNITED STATES HAS NO RIGHT TO THE PROTECTION OF OR PROPERTY IN SEALS FREQUENTING THE ISLANDS OF THE UNITED STATES IN THE BERING SEA, WHEN FOUND OUTSIDE THE ORDINARY THREE-MILE LIMIT.

#### SEALING REGULATIONS.

#### THE FOLLOWING REGULATIONS WERE ADOPTED BY THE MAJORITY OF THE ARBITRATORS, MR. HARLAN AND SIR JOHN THOMPSON DISSENTING:

#### ARTICLE I PROVIDES THAT THE UNITED STATES AND GREAT BRITAIN SHALL FORBID THEIR CITIZENS AND SUBJECTS TO HUNT FOR SEALS WITHIN A ZONE OF 60 MILES AROUND THE PRIBILOF ISLANDS.

#### ARTICLE II PROVIDES THAT THERE SHALL BE A CLOSE SEASON FROM MAY 1ST TO JULY 31ST IN THAT PART OF THE PACIFIC OCEAN, EXCLUSIVE OF THE BERING SEA NORTH OF THE 35TH DEGREE NORTH LATITUDE, OR EASTWARD OF 180 DEGREES LONGITUDE, UNTIL THE WATER BOUNDARY DESCRIBED IN ARTICLE I. OF THE TREATY OF 1876 BETWEEN THE UNITED STATES AND RUSSIA IS REACHED ALONG THAT LINE TO THE BERING STRAITS.

#### ARTICLE III PROVIDES THAT DURING THE OPEN SEASON ONLY SAILING VESSELS SHALL BE PERMITTED TO CARRY ON FUR SEALING OPERATIONS.

#### ARTICLE IV PROVIDES THAT SUCH VESSELS SHALL BE REQUIRED TO BE PROVIDED WITH A SPECIAL LICENSE ISSUED BY THEIR RESPECTIVE GOVERNMENTS AND TO CARRY A Distinguishing Flag.

#### ARTICLE V REQUIRES THE MASTERS OF SEALING VESSELS TO KEEP A LOG BOOK OF THEIR OPERATIONS.

#### ARTICLE VI. THE USE OF NETS, FIREARMS OR EXPLOSIVES IS FORBIDDEN IN FUR SEALING. THIS RESTRICTION IS NOT TO APPLY TO SHOOTING WHEN SUCH ARE USED IN FISHING OUTSIDE OF THE BERING SEA DURING THE SEASON WHEN SUCH MAY LAWFULLY BE CARRIED ON.

#### ARTICLE VII. THE TWO GOVERNMENTS SHALL TAKE MEASURES TO CONTROL THE FITNESS OF THE MEN AUTHORIZED TO ENGAGE IN SEALING. THESE MEN SHALL HAVE BEEN PROVED TO HANDLE WITH SUFFICIENT SKILL THE WEAPONS WITH WHICH SEAL FISHING IS CARRIED ON.

#### ARTICLE VIII. THE PRECEDING REGULATIONS SHALL NOT APPLY TO INDIANS DWELLING ON THE COAST OF THE TERRITORIES OF THE UNITED STATES OR GREAT BRITAIN, CARRYING ON FUR SEALING IN CANOES OR UNDECKED BOATS NOT TRANSPORTED BY OR USED IN CONNECTION WITH OTHER VESSELS AND PROPULSED WHOLLY BY PADDLES, OARS OR SAILS AND MANNED BY NO MORE THAN FIVE PERSONS IN THE MANNER HITHERTO PRACTICED BY INDIANS, PROVIDED SUCH INDIANS ARE NOT EMPLOYED BY OTHER PERSONS, AND PROVIDED THAT WHEN SO HUNTING IN CANOES OR UNDECKED BOATS THE INDIANS SHALL NOT HUNT FOR SEALS OUTSIDE OF THE TERRITORIAL WATERS UNDER CONTRACT TO DELIVER SKINS TO ANYBODY. THIS EXEMPTION IS NOT TO BE CONSTRUED TO AFFECT THE MUNICIPAL LAW OF EITHER COUNTRY, NOR SHALL IT EXTEND TO THE WATERS OF THE BERING SEA OR THE WATERS AROUND THE ALUTIAN ISLANDS. NOTHING HEREIN CONTAINED IS INTENDED TO INTERFERE WITH THE EMPLOYMENT OF INDIANS AS HUNTERS OR OTHERWISE IN CONNECTION WITH SEAL HUNTING AS HERETOFORE.

### THE ORANGE GROWERS.

#### THEY TAKE STEPS TOWARDS FORMING A PROTECTIVE UNION AGAINST THE PROFIT-SHARING MIDDLEMEN.

#### THE ARBITRATORS MAKE A SPECIAL FINDING ON THE FACTS AGREED UPON BY THE AGENTS OF BOTH GOVERNMENTS WITH REFERENCE TO THE SEIZURE OF BRITISH VESSELS IN THE BERING SEA IN 1887 AND 1889. IN ADDITION THE ARBITRATORS MAKE CERTAIN SUGGESTIONS TO THE TWO GOVERNMENTS. THE MOST IMPORTANT BEING THAT THEY SHOULD COME TO AN UNDERSTANDING TO PROHIBIT THE KILLING OF SEALS ON LAND OR SEA FOR A PERIOD OF FROM ONE TO THREE YEARS, AND SHOULD ENACT REGULATIONS TO CARRY OUT THE FINDINGS OF THE ARBITRATORS.

#### OPINIONS OF AMERICAN AGENTS.

Hon. John W. Foster, the American agent, said this evening he thought the restrictions of the arbitrators would render the pelagic sealing industry unprofitable. It not only converts the pelagic sealing industry during three out of the four months in which it can be said to be profitable, but will break the season. The United States, he said, have not obtained all they contended for, but the regulations are much better than those Mr. Blaine vainly offered Lord Salisbury as a settlement in 1890.

#### THE CONSENSUS OF OPINION OF THE AMERICAN AGENTS IS THAT THOUGH THE TECHNICAL SUCCESS RESTS WITH GREAT BRITAIN ON LEGAL POINTS, ON PRACTICAL GROUNDS THE VICTORY IS TO THE UNITED STATES, AS THE ARBITRATION WAS ENTERED UPON TO PRESERVE THE SEALS AND THE DECISION ACHIEVES THAT RESULT.

#### JUSTICE HARLAN ALSO THOUGHT THE GENERAL RESULT OF THE ARBITRATION FAR IN ADVANCE OF ANYTHING THE UNITED STATES HAD DEMANDED.

#### THE MEMBERS OF THE TRIBUNAL RESERVED THE RIGHT TO PREPARE AND FILE INDIVIDUAL OPINIONS IN THE CASE ANY TIME BEFORE JANUARY 1ST. JUSTICE HARLAN WILL PREPARE HIS IN SWITZERLAND AND WILL PROBABLY RETURN HOME THE LATTER PART OF SEPTEMBER.

#### SENATOR MORGAN SAILS SATURDAY.

#### THE STATE DEPARTMENT NOT FEELING ANY DISSATISFACTION.

WASHINGTON, Aug. 15.—The news of the decision was not received at the state department with the degree of disappointment that might be supposed. Private information had come that matters in Paris were not looking favorable for the United States. Besides, there had not always been in administration circles extreme confidence in the strength of the American case, and considerable difference of opinion existed as to the justice of the claims made by this government. Secretary Gresham declined to give an expression of opinion on the decision. He communicated the news to President Cleveland at Gray Gables, and also had a long conference with Secretary Carlisle.

#### IT IS PROBABLE THAT ALL THE VESSELS COMPOSING OUR FLEET IN THE BERING SEA WILL BE WITHDRAWN, EXCEPT ONE REVENUE CUTTER WHICH WILL BE USED IN MAINTAINING THE PROTECTIVE ZONE IN ACCORD WITH THE DECISION OF THE ARBITRATORS.

#### THE DECISION WILL COMPEL THE UNITED STATES TO MAKE COMPENSATION TO BRITISH SUBJECTS FOR ABSTAINING FROM THE CAPTURE OF SEALS IN THE BERING SEA DURING THE PENDING OF THE ARBITRATION. THIS DOES NOT TOUCH THE QUESTION OF DAMAGES PRIOR TO THAT TIME, AND FURTHER INFORMATION IS AWAITED AS TO THE NATURE OF THE FINDING WITH REFERENCE TO THE SEIZURES OF 1887 AND 1889.

#### SENATOR BUTLER SAID THE AWARD GAVE MORE THAN HE EXPECTED; THAT HE NEVER BELIEVED THE CONTENTION THAT THE BERING SEA WAS A CLOSED SEA COULD BE MAINTAINED.

#### SENATOR FRYE THOUGHT THE COURT WOULD HOLD THAT WE HAD A PROPERTY RIGHT IN SEALS, AND SAYS THE DECISION RAISES A VERY SERIOUS QUESTION AS TO LIABILITY FOR PAST ACTION.

#### SENATOR SHERMAN THOUGHT THE ADJUSTMENT OF THE CLOSE SEASONS AND THE EXTENSION OF MEASURES FOR THE PREVENTION OF PELAGIC SEALING VERY ACCEPTABLE.

#### ENGLAND IS SATISFIED.

#### THE BERING SEA DECISION SUITS JOHN BULL TO A T.

LONDON, Aug. 15.—Gladstone announced in the house of commons today that he had received a private telegram from Paris to the effect that, with a few exceptions, the award of the Bering sea tribunal of arbitration was favorable to British interests.

#### CONCERNING THE MATTER OF DAMAGES FOR BRITISH VESSELS SEIZED, A PARIS SPECIAL SAYS THE QUESTION OF AMOUNT WAS BY MUTUAL CONSENT RESERVED FOR FUTURE NEGOTIATION.

#### THE PALL MALL GAZETTE THIS AFTERNOON PUBLISHED A DISPATCH FROM PARIS TO THE EFFECT THAT ON THE QUESTION OF FACTS REGARDING THE SEIZURE OF SEALING VESSELS, THE DECISION OF THE TRIBUNAL IS IN FAVOR OF GREAT BRITAIN. THE PAPER ADDS THAT AS THE NATURAL RESULT OF THIS DECISION, THE UNITED STATES WILL GIVE CANADIAN FISHERIES COMPENSATION FOR SEIZURES ILLEGALLY MADE. THE REGULATIONS PROVIDING FOR A CLOSE SEASON ARE VERY STRINGENT. THE PROHIBITION OF FIREARMS MAY BE FOUND TO BE A SERIOUS DISADVANTAGE BY CANADIAN SEALERS.

#### BRITISH COMMENT.

#### THE LONDON PAPERS SAY UNCLE SAM GOT THE WORST OF IT.

LONDON, Aug. 15.—Speaking of the Bering sea decision, the Daily News says: "The decision is substantially in favor of the case advanced by England. Sir Charles Russell's powerful arguments convinced the arbitrators. Sir John Thompson refused to assent to the regulations. We have not the slightest doubt, however, that these regulations are a ~~and~~ just; even were they not, it is our duty to obey them, and we trust no difficulty will be raised by the Canadian government."

The Daily Telegraph says: "Our advocates have traversed the absurdly wide American pretensions very eloquently and learnedly, and the arbitrators brushed aside those finely woven pleas and have given a verdict for common sense and Great Britain. Yet, pleased as we naturally are to see England and Canada win their suit, it is a greater and nobler pleasure still to believe America will loyally accept the decision, and that we thus have wit-

#### Arrival of the New Chinese Minister.

#### Seventy-Eight People in His Official Family.

#### Gorgeous Costumes Worn by Members of His Party.

#### The Chinese Consul Gives Them a Cordial Reception—A Great Amount of Tea-Drinking and Balmaking.

By the Associated Press.

SAN FRANCISCO, Aug. 15.—Such kowtowing and salaaming, such an amount of tea-drinking, such gorgeous costumes as there were at the mail dock this morning, had not been seen here before for many a day. All this was to celebrate becomingly the arrival here by the steamer Gaelic of Young Yu, the new Chinese minister to the United States. Young Yu is a mandarin of high degree and brought a retinue of 78 people. Their costumes, when the suite showed themselves on deck, were something stunning, and such a display of rich silk brocades of rainbow hues has seldom been seen here. The Chinese consul and his local contingent went to the steamer, and their apparel was equally gorgeous. Turbans with red and slanting sides, that looked for all the world like cherry turnovers in black pans, were the features of the dress. The blouses were of all shades of blue, and the skirts varied from deep red to light blue and canary yellow. Flowing skirts with fancy pendants were all the go.

The Chinese consul and his clan were at the wharf long before the steamer arrived. Thirty-six carriages were there, too, waiting for the oriental suite. As soon as they came after the gang plank was thrown out the consul and vice-consul led the way aboard. There ensued an exhibition of Chinese cordiality. All the passengers gathered about to see the greetings. When the consul was led into the presence of the new minister in the latter's private car in the ceremony was excessive. Both immediately prostrated themselves until the tips of their hats touched the floor. They did not approach nearer than the opposite sides of a large round table. He writes his name now M. Y. Chung. The secretary of the legation, who was also educated here, makes his name read C. F. Moore. The party will go direct to Washington, where the retiring minister, Tseu Kwo Yin, awaits their coming.

#### THE ANTI-CHINESE WAVE.

Agitation Partially Subsidized at Fresno. A Further Outbreak Probable.

FRESNO, Aug. 15.—The anti-Chinese agitation has in a measure subsided, though it may break out again at any moment. No extreme violence is anticipated. There are a hundred or more white laborers around the streets, but a great many of them do not desire or will not work, and they keep those willing to work from it. Several gangs of Chinamen were driven from the vineyards last night and today. Just why they were is not known, as none of the whites would go to work in the places made vacant. A number of wagons having Chinamen on board to go to work were stopped on the streets and compelled to take the Mongolians back to Chinatown and unload them.

The committee appointed at last night's meeting has addressed another lot of resolutions to the business men and laborers, counseling moderation and pointing out the law. This was done in view of the action taken at some of the vineyards in despoiling Chinese camps.

A free labor bureau was opened today and the indications are that there is more work to be done than can be supplied by whites. Packing houses are advertising for white women to work and are being supplied. Nearly a carload of Chinese laborers came from the north on the 5-20 train and went to Chinatown. It could not be learned why or under whose contract they came at this time.

Chinatown is full of Chinese workmen who have come in from the country. In conformity with the wishes of the people, E. B. Rogers, manager of the Margherita vineyard, has ordered 75 boys from San Francisco and 25 more from the deaf and dumb asylum, to pick grapes and fruit.

#### SILVER PURCHASES.

WASHINGTON, Aug. 15.—The treasury department, as the result of its counter offer yesterday of \$0.7325 an ounce, purchased 230,000 additional ounces of silver, making the total purchases 280,000 ounces. The offers amounted to 305,000 ounces. The total purchases for the month are 1,786,000 ounces.
