EDISON'S HANDY ENCYCLOPEDIA OF GENERAL INFORMATION AND USEFUL ATLAS

COMPILED BY THOS. F. EDISON. Worth Its Weight in Gold. 512 Pages of Closely Printed Matter. A Marvel of Completeness. Absolutely Thorough and Comprehensive. Business Forms, Legal Items, etc., on 2000 Subjects of Value to Every One in All Occupations. The Volume Has Over 50 Full Page Colored Maps and a Description of Every Country in the World. In Every Department it is the Most Complete Encyclopedia Ever Published, and Cannot Fail to Interest Everybody.

A REFERENCE ENCYCLOPEDIA

Containing a million items of great value to every one. Also a compilation of practical facts on practical subjects, all in shape for ready reference that cannot be had in any book or books at a cost of less than \$10. We guarantee perfect satisfaction, and will refund the money to any one dissatisfied. The publishers have sold 400,000 of these books on this guarantee, and have yet to have any one claim that they were not pleased with the volume.

This is unquestionably the most complete and convenient work for practical use ever published. It contains hundreds of simple rules and original methods, and millions of accurate answers to every question that can possibly arise and to every practical prob-

lem. It sifts and simplifies everything. Its tables, rules and methods are extremely simple, eminently useful, practical and fully abreast the age. Every one who wishes to be fully up to the times should possess a copy of this useful and convenient Encyclopedia. It will enable you to answer any question immediately.

It takes its place as the best work of its kind in existence.—The Sun.

It is invaluable and could not be too highly commended.—The Traveller.

The book is one which, though designed for reference, may be picked up at an odd half hour as a source of entertainment.—The Journal.

THE UNITED STATES CENSUS OF 1890, EDITION OF 1893

Edison's Handy Encyclopedia contains the latest (revised) figures concerning every city in the United States containing 5000 inhabitants or more. Each item is compared with the figures of 1870 and 1880. No such accurate compilation of the last census has yet been published.

MAN MAY FORGET. ENCYCLOPEDIAS NEVER DO.

The possession of a copy of Edison's Encyclopedia will prevent mistakes, relieve the mind, save labor, time and money, and instantly tell you everything you want to know. It will prove to be of great value to the business man, mechanic, farmer, housewife, and the boys and girls.
