Headache and Dizziness.

FREQUENT CAUSES OF APOPLEXY AND PARALYSIS.—The most recent and profound rescarches in this direction by specialists have
developed conclusively that the above disorders frequently result in death or permanent
disability. Dr. Miles' Restorative Nervine is
the greatest remedy for either of these apparently insignificant causes. Nothing approaches
it in merit. Mrs. W. E. Burns of South Bend,
Ind., who had suffered from constant headache
for three months, was cured by it. The daughter of Daniel Myers. Brooklyn, Mich. had been
insane for 10 years, and was having from 15 to
25 fits a day. Nervine cured Ler of both fits
and insanivy. Sold on a guarantee by C. H.

The National Bank of California is one of the few banks that successfully stood the shock of the late panic and maintained full coin payments right through.

The National Bank of California pays no interest on deposits in any form, offers no special inducements for business other than reliability when the customers exercise their rights to demand their money.

In the matter of loans it looks more to reliability than high rates of interest, and desires no loans except from good and reliable parties, and then exacts good security, believing that no bank is better or more reliable than its loans.
