SPECIAL NOTICES

LEWIS & ALDERSON. 312 S. Main st.

The careful buyers know a good thing when they see it, and the great loads of furniture that have gone out from our store every day of late are the best evi- dence of their appreciation of our low prices; and we shall strive as usual to give better goods and more of them for less money than at any other store in the city. We have the store and cellar packed from floor to ceiling with about everything wanted in new or some-used furniture at exceedingly low prices. They were all bought for spot cash, and will be sold for spot cash at a very small percentage of profit. We have one of the best lines of new furniture, contract work, financial, and good chairs, some as low as 50c; and then if you want nice solid oak, fine-finished chairs, we have these, too, as cheap as the wholesale houses here. We have a large stock of er-grasses. Selling the best lines of goods for the least money is what has built up our trade, and if you want to save money on any kind of furniture, work, financial, and don't you ever stop looking till you get inside our door, and you'll al- ways be glad you found us.
