## Nearly Knocked Connolly's Gets Its Little Finishing Touches

### A FAST AND FURIOUS FIGHT

#### BEFORE A CROWD OF THREE THOUSAND

##### The Saginaw Kid Still Retains the Title of Lightweight Champion of the World

###### Associated Press Special Wire.

NEW YORK, April 30.—George Lavigne of Saginaw, Mich., is still the lightweight champion of the world. Tonight in the Broadway Athletic club, before 3,000 people he met and defeated Ed Connolly of St. John, N. B. Both men were weighed in this afternoon below the stipulated weight of 135 pounds and they were matched to box twenty-five rounds to decide the world's championship. The battle was fast and furious, but at the end of the eleventh round, Lavigne had Connolly fought to a standstill, after sending him down five times in succession with right swings on the head and jaw. Connolly has made a host of friends by his gameness in getting to his feet in a couple of seconds each time, but those efforts were unavailing and he staggered to his corner at the end of the eleventh round, hopelessly beaten. Joe Chynski, who was Connolly's principal handler, saw the fight was over, so far as the Canadian was concerned, and would not permit Connolly to subject himself to any more punishment. The closing round was a wonderful exhibition of nerve on the part of Connolly. Lavigne opened with the left on the wind and sewing a terrific left on the mouth. He followed this up with a stiff right on the ribs. Lavigne hooked his right on the jaw and Connolly went down. Five times in succession Lavigne sent Connolly down with his rights on the head and Connolly got gamely to his feet every time in a couple of seconds. The fight changed when he came up in the last time and he staggered to his corner in a very weak condition. When time was called for the beginning of the twelfth round Connolly was in such a weak condition that his seconds would not allow him to continue and the referee awarded the title to Lavigne. Lavigne's seconds were Sam Fitzpatrick, Ben Murphy, Jim Ryan and Tom Tracey, while Connolly was handled by Joe Chynski, Jim Kelly, Dick Moore and Bill Smith.

###### MAHER-SHARKEY

NEW YORK, April 30.—The Maher-Sharkey bout will take place in New York in June and the purse will be \$12,000. Buck Connolly, Maher's manager, is responsible for the statement. He declined to give the name of the club that had secured the bout.

###### ON THE DIAMOND

Winners of Yesterday's Games Between League Clubs

PHILADELPHIA, April 30.—Philadelphia, defeated Brooklyn today in a pre-arranged game in Newark. That Philadelphia, 5; base hits, 8; errors, 2. Brooklyn, 2; base hits, 5; errors, 1. Batteries—Wheeler and Clements; McMahon and Grim.

BALTIMORE, April 30.—The champions took the second game of the season today. The Giants, who they pleased, though the game at times looked close. Score: Baltimore, 5; base hits, 8; errors, 1. New York, 3; base hits, 8; errors, 2. Batteries—Hoffer and Clark; Sullivan and Warner.

ST. LOUIS, April 30.—The Indians won their first game this season by a score of 12 to 4. Attendance, 400. Score: St. Louis, 4; base hits, 9; errors, 6. Cleveland, 12; base hits, 12; errors, 0. Batteries—Hutchinson, Kissinger and Murphy; Wilson and O'Connor.

LOUISVILLE, April 30.—Frazier kept the Colts today and they did not score until the eighth inning. Both teams fielded brilliantly and two lightening double plays by the Colts' infield robbed the Colonels of several scores. Score: Louisville, 3; base hits 11, errors 2. Chicago, 2; base hits 7, errors 0. Batteries—Frazier and Wilson; Callahan and Anson.

WASHINGTON, April 30.—After playing the tenth inning Umpire Hurlst called the game on account of darkness. Score: Washington, 3; base hits 13, errors 3. Boston, 3; base hits 13, errors 3. Batteries—McLain and McGuire; Sullivan and Gansel.

CINCINNATI, April 30.—The game was postponed on account of rain.

###### Four Mile Race

SAN FRANCISCO, April 30.—The chief attraction at Ingleside tomorrow will be the four-mile race. Eight horses are entered to start, but it is doubtful if more than six will go over the long route. This is a most satisfactory field, as heretofore it has been a source of great difficulty to secure more than three starters. The Bache-Casparis, who promised to be the favorite, and is not in a fit condition to start, but his stable companion, Can't Dance, will prove a factor in the race. He likes a long route, although mud is his great forte. Schiller's last race was a good one, and although asked to carry a big weight, he has a pull on the score of class.

Longonga, if he starts, will be close up at the finish. He ran four miles at Oakland and made a creditable showing. He has a whole lot of weight off today. Little Bob looks a bit overdone, but he worked three miles in first class style the other morning, and if the strong work does not militate against him, he may get inside the money. Marcel is partial to a long route, but her recent form has been very bad. The same argument can be advanced against Wawona. Lucretia Borgia has been given a special preparation. She is in very light, but she will be handicapped by having a boy in the saddle, who will doubtless get tired before the horse.

Wheel of Fortune will probably not start.

Prof. E. P. Lewis of Berkeley university is a guest at the Westmeier.

## TURKS IN CONTROL

LONDON, April 30.—A dispatch to the Times from Larissa, dated Wednesday, says the Turkish cavalry has taken up positions in the environs of Volo and is waiting the arrival of infantry to occupy the town effectively. A majority of the Greeks have gone to Piraeus by sea. The railway is not yet working. Hafiz Pasha occupied a strong position and is advancing across the frontier.

The Daily News' correspondent at Salonica says that it is reported that 4,000 men of the garrison at Keramoti and blown up the railway tunnel near Okiadjibar, and that a strong band of insurgents has appeared at Nevisia with the intention of cutting off communication with Sorovitch. Troops have been hastily sent to Monastir, as an attack was feared.

The Athens correspondent of the Daily Chronicle, Mr. Henry Norman, says the report is current there that this (Friday) evening France has proposed to the other powers a suspension of hostilities, and the payment of a war indemnity large enough to cover the expense of mobilizing the Greek troops from Crete and the acceptance of the plan of autonomy of the island by the ports and the payment of a war indemnity large enough to cover the expense of mobilizing the Turkish troops.

## A BIGGER TAX ON BEER

### TO BE RECOMMENDED BY SECRETARY GAGE

#### Illicit Distilling Knocks the Profit of the Whisky Tax and Moonshining Is Increasing

WASHINGTON, April 30.—It is very probable that the secretary of the treasury will soon recommend to congress a material reduction in the internal revenue tax on distilled spirits and an increase in the tax on beer, the action will be taken on the ground that the present tax of \$1.10 per gallon is above the revenue producing point. Some days ago Senator Cullom introduced a resolution, which was adopted, calling on the secretary for his views on the subject and the commissioner of internal revenue has now in preparation a report to the secretary covering the facts involved. This report will show that since the increased tax on spirits from 90 cents to \$1.10 per gallon, illicit distilling has increased to a point almost not quite beyond control. This is the case in Kentucky and in the mountainous districts of the south. Recently evidence has been obtained of its extension in the north. Not long ago a large quantity of illicit whisky was captured in Atlanta and investigation disclosed the fact that it was manufactured in Kentucky. It is rapidly increasing and extending in many directions, internal revenue officers say is beyond doubt and with only the \$50,000 appropriated by congress for the detection and suppression of illicit distilling, the internal revenue bureau is almost helpless to stem the tide. Just what reduction will be recommended is not known but there are reasons for believing that 90 cents, the rate under the McKinley bill, will be fixed upon. Under the lower rate, it is contended that the inducements for violating the law would be reduced and at the same time the revenue would not suffer. No definite conclusions have been reached as to what the tax on beer shall be, but it is altogether probable that an increase will be advised.

## The Governor Resting

Prof. E. P. Lewis of Berkeley university is a guest at the Westmeier.

## THE PRINCESS JEERED

LONDON, April 30.—The Standard's correspondent at Athens says: Last evening as the Crown Princess Sophia was returning from a visit to the ambulance hospital, she was hissed and jeered by the crowd who forced her to return to the palace at the top of the speed of the horses. The royal arms have been permitted to fly over the palace in both the occupied and unoccupied parts of the city. The Turkish commander ordered the arms to be restored under severe penalties.

## TURKS AT TRIKHALA

CONSTANTINOPLE, April 30.—The Turkish government issued the following announcement today: The first division occupied Trikala on Wednesday. Two hundred convicts were released and armed on the previous day, and 20,000 rifles were distributed among the inhabitants by the Greeks, who also permitted the pillage of arms and ammunition. The Turkish commander ordered the arms to be restored under severe penalties.

## NOT CONFIRMED

LONDON, April 30.—The Daily Mail publishes a dispatch from Larissa dated Wednesday, which says: A battle has been proceeding near Trikala, upon which the Turks are fast advancing. They are superior in both arms and ammunition. The Turkish commander ordered the arms to be restored under severe penalties.

## GREEKS IN TURKEY

CONSTANTINOPLE, April 30.—In response to the notes of the French, Russian and British ambassadors, the Turkish government has announced that the expulsion of Greek subjects from Turkish territory is postponed to a period of eight days from May 3d.

## VERY DIFFICULT

LARISSA, April 28.—(Delayed in transmission) Volo has not yet been captured, but the town is practically at the mercy of the Turks. The Greek tactics are difficult to understand. It is asked here why, if the Greeks intended to retake Pharsalos when the Turks entered the plain, they did not destroy the telegraph lines, bridges and food supplies, as well as unexploded magazines, and why they did not take the guns, instead of leaving here almost everything necessary for a great army.

## AD FROM EGYPT

ALEXANDRIA, Egypt, April 30.—Four hundred Greek volunteers sailed today for Athens, and a thousand more will leave for the Greek capital tomorrow by a special steamer.

## TREATIES OF STORM

LONDON, April 30.—The Times correspondent at Athens says: The storm which threatened Greece seems to have passed away. The new cabinet contains several men of excellent talent, and the selection is generally well received. Nevertheless angry murmurings are still heard, and the sky may soon darken. The newspapers say a strong Turkish force, which seems to have passed away, attacked the Greek positions there on Thursday, and that the Greeks, after an obstinate resistance, were compelled to retreat to Arta. Two companies fell into disorder, and on arriving at Arta threw the town into a state of panic. The inhabitants fled, terror-stricken. No dispatches have been received from Arta since noon today (Friday).

## A GREEK RETREAT

ATHENS, April 30.—The report of the retreat in Epirus is confirmed. The Greeks are abandoning all positions they had occupied except Salagora. Philippida is among the places evacuated. The minister of war, before starting for Pharsalos, submitted to King George for signature a decree recalling the chief of staff, Col. Spantuzakis, whom the Delyannis cabinet, despite its promises, would not recall because the crown prince had
