HABEAS CORPUS IS DENIED

His Attorneys Will Vigorously Oppose His Being Taken East—A "Syndicate Investment Co"

The loss of \$50,000 and the good name of a well-known man of this city are involved in a sensational arrest which was made Friday afternoon by Detectives Auble, Hawley and Flammner.

Dr. Forest was arrested after Justice Owens yesterday afternoon on a charge of being a fugitive from justice.

Dr. Forest takes his arrest very coolly, and talked freely about the affair.

"I was engaged in managing a syndicate investment company in New York," he said, "and it was perfectly legitimate.

"I do not know for how much the firm failed, but I do know it was a reputable concern. My arrest is simply an attempt of some to make me pay the money that was lost by Whitney's failure.

WANT TO SEE HULL A Former Employment Agent Who Is Missing

There are several people in the city who are very desirous of finding De Witt C. Hull, who formerly conducted an employment agency in the McLean and Lehman block on Main street opposite Third.

His partner was Percy Miel, and he is still in the city, but does not appear to be acquainted with the whereabouts of Hull.

When Hull left here, about ten days ago, he made no concealment of the fact, but stated he had been called to New Haven, Conn. by the serious illness of his wife.

It is now thought that Hull did not go to that place at all nor had any intention of going there.

Fred W. Bishop, the proprietor of the Natick hotel cigar stand, is probably the most anxious to get trace of Hull, as the latter got into him to the tune of about \$50,000.

On Friday Chief Glass received the following dispatch from Geo. W. McClusky, chief of the detective department of New York city: "Hold Dr. Wm. Forest. Will prepare requisition papers at once.

Indicted for larceny of \$2000 from Alex. McElwee, at 50 Broadway, April 1, 1937."

In addition to this Chief Glass received a circular regarding Dr. Forest, in which it was stated that the doctor had formerly conducted a stock swindling place at 50 Broadway, New York, and had succeeded in doing a large number of people out of money.

His swindling operations were alleged to have won him a net of \$50,000, of which \$20,000 was represented by the agency which had issued the circular.

It had been learned that Dr. Forest was located in Southern California.

Dr. Forest has been engaged in mining ventures, and he has an office at Pasadena.

The detectives arrested him after he came from Pasadena on an electric car and took him to the station. He asked that nothing be said of the matter then, so the details were not given out.

He communicated with Messrs. Groff & Waterman, and the attorneys were up bright and early to try and get him released on a writ of habeas corpus yesterday.

The meeting was called to discuss the feasibility of including steamers plying between South America and San Francisco to stop at Los Angeles ports on their way up the coast.

The matter was discussed pro and con, and resulted in the appointment of a committee to inquire into the matter and report at the meeting Saturday next.

The committee is composed of Hancock Banning, C. H. Long and H. S. McKee.
