SPECIAL NOTICES. JUST ARRIVED—ANOTHER LARGE shipment of those famous "Super" sewing machines at \$22.50.

Parties who have been waiting can now be supplied promptly. The people of this city and surrounding country are beginning to realize that it is not necessary to send away back East for a cheap machine, when they can get laid down at their own doors one of those "Super" sewing machines.

These "Super" sewing machines for \$22.50 (without paying agent's commission) by going direct to the Davis and Advance office, 427 South Broadway.

The latest production of one of the oldest, largest and most reliable factories on earth, the Davis company, who are represented in all of the principal cities of the world.

The "Super" at \$22.50 is fully guaranteed, and has all the latest labor saving features and improvements that mechanical genius, modern machinery, and 20 years' experience can suggest.

Simple in construction (a child can operate it), finest piano finished antique oak woodwork and easily-applied steel attachments, it is unquestionably the highest grade sewing machine ever offered at a price within reach of all.
