**8000 Yds. of High Grade Embroideries**  
25c Yard

Widths Up to 22 Inches  
Actual Values to \$2.00  
No Phone or Mail Orders

Our embroidery sales in the past have been the talk of the town, but this sale will eclipse any similar event ever attempted by any dry goods store on the Pacific coast. For lowness of price, fineness of quality, variety of styles and immensity of assortments, this embroidery sale will outshine and eclipse any of our former efforts. There's a round 8000 yards of the prettiest embroideries you've ever viewed. The very newest designs. Dainty, lacy, effects in leaf, festoon, floral, wheel, scroll, Irish Point and fruit patterns—both open and blind effects, intricate patterns that seem beyond the power of the designer. There are both edges and insertions in widths ranging up to 22 inches. Fine cambric, nainsooks, swisses, etc. Many of these are actually worth \$2.00 a yard. Some worth \$1.00 and scarcely a piece but would be cheap at 50c. For convenience in selling, this lot will be divided into two sections. 4000 yards will go on sale promptly at 8 a. m. Monday, and the remaining 4000 yards go on sale at 1 p. m. Extra sales people will be here to attend to your wants and extra bundle wrappers and cashiers to save all delay. If you ever expect to use a yard of embroidery for any purpose whatsoever you can't afford to let this opportunity pass you by. Monday, at the hours stated, at 25c a yard.
