The Rev. Mr. Schaeffer is now with Dr. Wilbur Chapman in Denver, where his work is meeting with marked success. He will arrive here with Dr. Chapman next Friday and will immediately commence his branch of the work.

Meetings will be held each afternoon in the different sections in turn, and it is expected that a general children's mass meeting will be held at the close of the meetings.

Preparations are being actively completed by the general evangelistic committee. The following list of meetings will be read from the different pulpits tomorrow:

OPPOSED TO CHANGE OF NAME OF STREET

Pioneers and Native Sons Dislike to See Ancient Names Displaced by Modern Ones

Action upon the petition to have the name of Buena Vista street changed to Broadway was yesterday deferred for one week by the board of public works.

A great deal of opposition has developed to the proposed change of names. Such organizations as the Pioneers and Native Sons are opposed on the ground that it is a mistake to substitute a common or commercial name for one that is more or less connected with the romantic past of the city.

When the petition again comes before the board it is expected that the proposal to change the name of the street will meet with strenuous opposition.

CARPENTER GRANTED RESPITE

Convicted Officer Was Not Sentenced Yesterday

C. M. Carpenter, the officer who was recently convicted of manslaughter for killing David Christian Frey at a cocking man held on May 1 last, was yesterday arraigned for sentence before Judge Smith in the superior court.

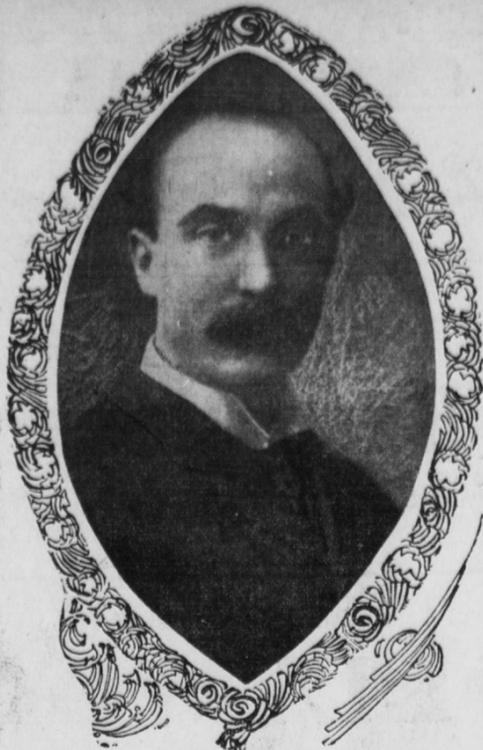

Attorney Luther Brown presented a physician's certificate indicating that Attorney Earl Rogers was physically incapable of appearing in behalf of his client. On the motion of Attorney Brown, no objection being interposed by ex-Governor Gage in behalf of the prosecution, Judge Smith granted Carpenter a respite from sentence for a period of ten days.

It was ordered by the court that all affidavits proposed to be filed in the case, in a motion for a new trial or otherwise, must be served on the attorneys for the prosecution in no event later than the ninth day.

T. C. SCHAEFFER, YOUNG PEOPLE'S EVANGELIST

HOUSE VOTES FOR MORE PATRONAGE

ADDITIONAL ATTACHES ON PAY ROLLS

Economists Are Outnumbered at Sacramento and Opponents Create Easy Jobs for Their Favorites

SACRAMENTO, Jan. 26.—The most exciting scene that has occurred in the assembly this session came about this morning, when additional attaches were placed on the legislative pay roll. The debate continued for an hour and was finally concluded amid confusion and a call of the house.

The debate was started when the committee on attaches and employes recommended the appointment of the following additional attaches:

S. K. Davis, committee clerk, \$4 a day; J. Kiely, committee clerk, \$4; Fred Bishop, committee clerk, \$4; Alice Tetran, cloak room attendant, \$3; Elva A. Lynch, stenographer, \$5; Fraser Ridgway, committee clerk, \$4; M. Murphy, committee clerk, \$4; L. Rienzi, cloak room attendant, \$3; Fred Sepulveda, porter, \$3; M. A. Ferrar, assistant sergeant-at-arms, \$4.

They further recommended that the names of Ada Rehm and May Brown, heretofore appointed as committee clerks at \$4 a day, be stricken from the roll and the following be appointed in their stead:

Miss Ada Rehm, stenographer, \$5 per day; Miss May Brown, stenographer, \$5; Jane I. Burgess, stenographer, \$5; W. J. Downie, committee clerk, \$4; George W. Hudson, assistant sergeant-at-arms, \$4.

Waste Leads Economists Assembliesman Waste, who has led the economists in the lower house, made a strenuous effort to shut off the further patronage.

"It seems to me," said Waste, "that an effort is being made to foist additional attaches on the pay roll largely in excess of the original \$10 a day allowed each member."

Coghlan of San Francisco declared that the attaches were all needed. He declared that imputations of dishonesty should not be cast on the majority that had voted for the attaches.

"The proposition is to place a lot of additional committee clerks on the pay roll far in excess of the original sum agreed on," said Assembliesman Rolley. "We may need a stenographer or two, but we would have more attaches of all kinds than are needed if they reported at other times than Saturday mornings to draw their pay."

Houser, who was brought in under a call of the house, voted against the proposition to increase the number of attaches. The report of the attaché committee was finally adopted by a vote of 48 to 28.

JUNKET IS AUTHORIZED

State Senate Votes Expenses for Committee's Trips

SACRAMENTO, Cal., Jan. 26.—By a unanimous vote the senate today authorized the first junketing from the upper house. The resolution providing for the junket did not encounter the least opposition and the proceedings in this respect were strongly in contrast to the heated debates on similar trips proposed during the week.

The resolution adopted this morning provides that the members of the junketing committee be the following:

Pendleton and Haskins, from the committee on finance; Woodward and Sanford, from the committee on education; Muenster and Markey, committee on hospitals and asylums; Welch and Coggins, committee on prisons and reformatories; McKee and Nelson, committee on public buildings and

grounds; Irish, committee on commissions and retrenchment, and J. L. Martin, sergeant at arms.

The junketers were granted a leave of absence from January 27 to February 1 for the purpose of visiting the state school at Whittier, the normal school at Los Angeles, the state hospital at Patton, the normal school and quarantine station at San Diego; the polytechnic school at San Luis Obispo and the state hospital at Agnew.

The committeemen will be allowed expenses incurred on the trip.

TO DROP BILL FILERS

Old Senate Attaches Likely to Go to Make Way for Younger Men

SACRAMENTO, Jan. 26.—A number of attaches in the senate are liable to be dropped from the payroll as the result of action taken by the Republican members of the upper house in caucus today. The complaint was made that a number of superannuated bill-filers are not properly performing their duties and that a number of younger attaches who had been appointed as committee clerks had refused to perform the labors inefficiently done by the older men.

It is now probable that some of the bill-filers may be dropped from the rolls as well as the younger men who have definitely refused to fill their places.

Taxation Committee Organized

SACRAMENTO, Jan. 26.—A conference of the special senate and assembly committee on revenue and taxation met this morning in the office of Governor Pardee and organized with Senator Ward as chairman. The other members of the committee are Senators Lukens and Belshaw and Assemblymen Waste, Goodrich, Stanton and Duryea.

To Reimburse Leach

SACRAMENTO, Jan. 26.—A resolution favoring the passage of a bill in congress to reimburse Superintendent Frank A. Leach of the San Francisco mint for the \$30,000 he paid for the defalcation of Walter Dimmick, was passed by the assembly.

BILLS IN ASSEMBLY

Measure Introduced Permitting Normal School to Buy More Land

SACRAMENTO, Jan. 26.—Among the bills introduced in the assembly today was one by Waste, placing under the jurisdiction of the board of bank commissioners all corporations organized under the laws of the state of California, or of any other state, territory or foreign country whose business consists of selling investment certificates or investment contracts in the state of California.

Assembliesman Houser introduced a measure authorizing the trustees of the state normal school in Los Angeles to purchase additional land and to change the present site.

JAIL FOR COL. CHINN

Kentuckian Must Serve Ten Days and Pay Fine for Carrying Gun

HARRODSBURG, Ky., Jan. 26.—Col. Jack Chinn, the famous Kentuckian, known on every race track in the country, must languish ten days in jail and pay a fine of \$25 for carrying a gun. There is no getting away from the jail part of the sentence, as the most the governor could do were he mercifully inclined would be to remit the fine.

Col. Chinn and James Renfro quarreled in a saloon here several nights ago, and when "gun play" was about to begin both were arrested on a charge of breach of the peace. When the merits of the quarrel were investigated the charge against Renfro was dismissed.

PASADENA HIGH SCHOOL WINNER

DEFEATS ORATORS IF THROOP IN JOINT DEBATE

Particular Star of the Occasion is Frank Russell of the Victorious Team—Local News Brevities

Pasadena Agency, 114 East Colorado Street.

PASADENA, Jan. 26.—There was a large and enthusiastic audience of young people tonight in the auditorium of Throop, when the debate between the two schools took place. Party spirit ran high, and bright banners and flags were waved as the different school yells rang out after the speeches by the young contestants.

President Wadsworth of Occidental college, Professor George Sumner of Pomona college and Professor Wheat of Alhambra were the judges chosen by Professor Ely and President Edwards of the two interested schools. The platform of the assembly room was prettily decorated with flowers and potted plants, and the judges and heads of the two schools, with Superintendent of Schools J. D. Graham, were seated on the rostrum.

The debate was one of a series arranged by the interscholastic league for this section of Southern California, the trophy given by Stanford being the prize to be won by the school having the last victorious debaters. The question considered tonight was whether or not the United States was justified in recognizing the government of Panama. Frank Russell and Harold Lucas argued for the high school on the affirmative, and Walter Pittenger and Arthur Dunning for Throop on the negative.

Frank Russell of the high school won first place with such high markings that in spite of Walter Pittenger gaining second honors, high school beat Throop 90 to 10. Russell is the crack debater for high school, having won first honors in every debate in which the school has been represented. Several times his second has lost the school first place as a school, but Russell has won every time.

Rev. A. Thatcher Smith, who has been called to fill the vacancy in the pastorate of the First Baptist church of this city, arrived in this city at 3 o'clock this afternoon, his wife and children accompanying him. Camper and Judge Merriam composed the committee which met Mr. Smith at the Santa Fe station upon his arrival.
