

PASADENA TAKES FEATURE EVENT

M'DANIEL MAKES FAREWELL APPEARANCE

Four Favorites Land and the Bookmakers Have Another Losing Day—Two Outsiders Win at Ascot

BY FOREST LOWRY.

The Riverside handicap, with a net value of \$1500 to the winner, was the star attraction yesterday at Ascot. Of the six originally leading to go, Warte Nicht declined, leaving Pasadena, Fustian, Lustig, Lord of the Heath and Cerro Santo to fight it out. Jimmy McLaughlin's Ben Strome colt was made favorite, and opened at 6 to 5. Several tips were circulated through the betting ring just before the horses went to the post, with the result that Pasadena receded to 8 to 5, while Lustig and Lord of the Heath were backed down a point each. Fustian, opening at 4, closed at 9 to 2.

Lord of the Heath was first to show in front when the barrier was sprung. He led his field up the backstretch, with all but Pasadena close at his heels. McDaniel made his move at the three-eighths pole, and one by one picked up his field. When the boy set Pasadena down he left his field far behind and won in the easiest kind of fashion. The race for second and third money was most spectacular, with Fustian coming strong on the outside. He wore down Lustig in the last few jumps. Lord of the Heath tripped palpably right on the end and finished fourth.

McJetta Beats Bad Lot

A bad lot of 3-year-olds went to the post in the opening event, which was a conditional affair over five furlongs of ground. McJetta, held at 1 to 1, raced well up till entering the stretch, where she moved up fast and assumed command an eighth from home, winning as Jockey Wood pleased. De Grammont, at 7 to 1, finished resolutely, and held the fast-tiring Borgian safe for the place. Philanthropist, the 9 to 5 favorite, was in close quarters through the stretch, and at the paddock crossed his legs and fell heavily. M. Lynch, who had the mount, escaped serious injury, and aside from a severe shaking up was not badly hurt.

The Lady Rohesia, at 3 to 1, was much the best of the seven 4-year-olds and upward which were asked to go over seven furlongs of ground in the second race. She trailed her field all the way, and only got up in the last jump. Atlantic, held at 10 to 1, took care of Glennevis in the run for home, and fifty yards from the wire looked all over the winner. Ralph Young was in a pocket all the way, and could not get through.

Another for Workman

W. A. Stanton's good 3-year-old Workman, always favorite at 4 to 5, easily disposed of S. M. Williams' Fireball for the six furlongs sprint race, third on the card. Fireball broke in front, and showed the way into the stretch. Workman moved up gradually, and in the run for home passed Fireball and won, going away. Blue Coat was third.

Rag Tag, backed from 8 to 5 and 6 to 5, made it three straight for the talent by annexing the fifth race on the card handily from Atlas, held at 11 to 1, and Palmist, a 12 to 1 chance. The distance was over the Slauson course, with Beautiful and Best, second choice in the betting, at 3 to 1, showing the way to the head of the stretch. Rag Tag was always within striking distance, and when McDaniel called on the Curl horse there was nothing more to it. Atlas closed well, and just did manage to outgame Palmist for the place. Tryon, a 2 to 1 favorite, led his field from start to finish, and won the mile and seventy yards race, last on the card, from Potrero Grande, held at 9 to 1, and Robador. Potrero Grande piloted by M. Wood had a rough journey, and did not have enough left to get up with the leader. Ray, at 8, Blissful, at 4, and Bailey, at 6, also started.

TRACK NOTES

Philanthropist was crowded into the fence by Maggie Mackey at the eighth pole, causing him to fall and throwing Lynch heavily to the ground. The boy was picked up unconscious but luckily escaped without any broken bones.

Fairly good prices were realized for the horses sold at auction sale yesterday. Hall & Marshall bought The Reprobate for \$825 and Morenus for \$725. C. T. Boots bought Vino for \$1500.

The remains of Jockey McCafferty, who was killed Friday at New Orleans, were shipped to Gravesend for interment. Jockey McCafferty was one of the most promising riders in the country and his loss will be keenly felt by both the turfmen and public as he was a youngster of excellent habits and had a kind word for all.

There was a heavy play on Borghesi, but he did not show anything in his race to warrant it.

The Lady Rohesia ran a phenomenal race. Away flatfooted she bolted at the start, then had to take the overland route and just did nip out Atlantic under the wire.

Lustig stumbled at the start, but for this would have been second.

Workman was the good thing to land the money for the public in the third race. He was backed from even money to 7 to 10 at post time and

could have equalled the track record if anything had been there to make him extend himself.

J. J. McCafferty sold Freestas to F. E. Baird yesterday. Terms private. He also sold Bugle Horn to J. D. Stephens for \$1000.

"Puddin'" McDaniel made his farewell appearance yesterday and celebrated it by piloting three winners out of four mounts. "Puddin'" and his father leave tonight for New York, where the boy will report to James R. Keene, for whom he will ride this season.

George Rose held Rag Tag out in the betting and when the Curl horse was returned the winner the popular bookmaker had almost a clean sheet.

McDaniel gave Pasadena a perfect ride and demonstrated that the colt is not a front runner by coming from behind and winning the feature event without an effort.

Pasadena was much the best in the handicap. He was out off badly right after the start and had to take the overland route all the way, then won handily.

A ton of wise money was burnt up on Buchanan. Those who saw his fast workouts in the morning went to it hook, line and sinker, forcing the price from 6 to 3 to 1 at post time. As the barrier was released Buchanan wheeled and had no chance thereafter.

Katherine Ennis was shut out at the half-mile pole. This one showed a lot of early speed and will win soon.

Robador would have been second but for being pocketed all through the stretch.

LOCAL HIGH SCHOOL GIRLS DEFEAT SHERMAN MAIDENS

Basketball Team Wins Decisively From the Indian Players

The girls' basketball team of the Los Angeles high school easily defeated the team of the Sherman Indians by the score of 26 to 16, on the high school courts yesterday afternoon.

The largest crowd of the season went up to the school to see the game, and although the local girls ran up a big score on the dusky maidens the game was snappy and full of interest.

High school's victory was practically won by the clever work of one of their speedy forwards, Mary Plummer, who threw all but one of the baskets made. The local girls outplayed their opponents in team work.

Another Victory for Harvard

Harvard school scored another victory on its home grounds yesterday when the Academy baseball team defeated the Thatcher team by a score of 13 to 3. Hill, the Harvard pitcher, did especially good work, allowing only two base hits and striking out nine men.

Daniels Wins Golf Championship

PASADENA, March 25.—Finals in the first and second flights were played in the Pasadena Country club golf championship today on the links of the Country club. Almost as much interest was shown in the playing of Paul Hunter and William Kerr for the silver cup as in the match between J. C. Daniels and C. F. Byington for the gold medal and the club championship. The youngsters played a stronger game really than the older men. Daniels won over Byington 8 up and 7 to play 36 holes, thus Daniels winning the gold medal given by the club, and also the championship for the season of the club. The 14-year-old

Senior Crew Wins

By Associated Press. BERKELEY, March 25.—A crew representing the senior class was victorious in the interclass regatta of the University of California on the Oakland estuary this afternoon. By Associated Press. INDIANAPOLIS, Ind., March 25.—The Indianapolis Racing association today transferred its membership from the Western Jockey club to the American Turf association.

CLARK'S STABLE TAKES THREE

WELL REPRESENTED IN THE DRIVING CLUB'S MATINEE

March Meeting of Harness Horse Enthusiasts Productive of High Class Cards—Pounder's Narrow Escape

With Agricultural park track in perfect condition the lovers of light harness racing in Southern California enjoyed one of the most successful matinees that has ever been held under the auspices of the Los Angeles Driving club yesterday afternoon. The racing was replete with driving, smashing finishes, and in several events the result was in doubt ten yards from the wire, with the drivers using the whip vigorously to urge on their sprinting footers.

William A. Clark, Jr., the son of Senator Clark, captured the stakes in every race in which his stable was represented, winning the 2:25 trot, the 2:25 and the 2:20 paces. Clark drove all his own entries and demonstrated effectively that he is more than moderately clever with the reins. The first race, the 2:25 trot, was taken in successive heats by the young owner, Master Delmar drawing away from George Anderson, driven by W. S. McGiffert, in the stretch, although every foot of the way was pluckily contested by McGiffert's bay gelding, Flash. George Chandler's trotter, was outclassed in both heats and never got within halting distance of Anderson and Delmar when the real racing began.

Master Delmar shows great improvement over his form in the last matinee, bringing his stride up for the drive and causing but little scoring. Clark handled his gelding ably and nosed out Anderson in the stretch, Master Delmar responding gamely when called upon for the final effort.

The second race also proved easy picking for the young millionaire enthusiast. Clark entered his pacing mare Christobel in this event and but two heats were necessary to pick the speediest horse. Dr. William Dodge's Lohengrin was Christobel's contender, and would probably have taken the second heat if he had not broke badly in the last hundred yards. The first heat was productive of one of the keenest finishes of the day. Lohengrin and Christobel rounded into the stretch neck and neck and there was little to choose between them two hundred yards from the wire.

Clark's horse had the pole and flashed under the wire a winner by a scant half length. Gladys M., driven by H. J. Meyers, trailed along a couple of lengths in the rear, but can be tabbed a future prospect of no small ability.

The second and final heat looked like Lohengrin all the way until Dodge's gelding lost his stride in the stretch, and Clark won, pulled up. This made the fourth successive heat that was added to the laurels of the Clark stable.

Clark's third and last victory was scored in the third race, the 2:20 pace for the Garland cup, of which William, Jr., already controlled a one-third interest. Daniel J., the big black gelding, represented the Clark interests in this race, but the gelding had all he could do to stall off Casey, handled by E. R. Guirado, for first money. Casey is the horse than ran away during the last matinee, and is one of the most unlikely appearing horses that ever toted a spider, but he certainly can cover ground with the best of them.

Daniel J. had a little more to offer in the stretch, however, and took the race with hardly a head on the right side of the wire.

While jockeying about for the start in the second heat an accident occurred which threatened to result seriously for G. A. Pounder, the driver of Glen. George Becker was warming up his trotter Mayo for the sixth race and was heading up the stretch. Pounder was letting his charge foot it in an opposite direction. Becker's horse swerved slightly in front of the grandstand and the two sulkies collided, and broken. Glen took the bit and went down the stretch with Pounder dragging along at his heels. The horse was thoroughly terrified and it seemed impossible for the driver to escape serious injury.

Pounder rolled from the wreck, however, just before Glen decided to seek other fields and pastures new and cleared the right railing, tearing out a couple of yards of fence and landing on the other side unscathed. Pounder was but slightly shaken up and the horse practically uninjured.

Henry Berry reconsidered his determination to scratch Briney K in the free for all trot with Ole, and it took three heats to decide the winner. Briney took the first heat in 2:17, but in the two succeeding heats Ole clattered down the stretch a winner in 2:16 and 2:13 1/2.

In the final of all pace Stanton Wilkes annexed the first heat and Welcome Mack beat out Dr. Bryson's Toughnut for the place, hands down. Welcome Mack captured the next two heats, nosing out Wilkes in both instances in the final drive. Dr. Bryson was unable to get the best out of Toughnut, the horse evidently not feeling in the mood to exert himself. The last heat was run in the creditable time of 2:14 1/2.

Secretary Redpath secured the services of two bluecoats to keep the irrepressible spectator behind the rail, and the matinee was free from the usual nuisance of the overflow meeting on the track. The band was also in evidence with an assorted and pleasing program of "sweet music."

WILL FOSTER HARNESS RACING

ASSOCIATION ORGANIZED FOR DEVELOPMENT OF SPORT

November and July Dates for Agricultural Park—Grand Circuit Performers Expected to Enter

Organized harness racing will be no longer neglected in Southern California. Local enthusiasts have recognized the advantages of the southern portion of the state for the fostering of the sport, and an association composed of several of the prominent business men and capitalists of Los Angeles has been organized for the purpose of helping and encouraging the development of the harness horse and harness horse interests.

The association will offer purses of attractive value to be competed for at each July and November meetings of their year that will certainly draw horsemen from the northern sections of the state, Oregon and Washington and also grand circuit performers, and which will naturally assure contests of the highest order. Besides the liberal purses the association will hang up trotting and pacing events, and for their July and November meetings it is the intention of the horsemen who have taken up the matter to offer valuable cups to compete for by gentlemen owners with their matinee trotters and pacers hitchers to wagon.

What could be more pleasing or create more interest in the way of light harness racing than a race of this kind, with Sweet Marie, Lou Dillon and Major Delmar as contestants, the owners handling the reins?

It is the intention of the association to open the California circuit with a meeting at Agricultural park, commencing July 3 to 8. Liberal purses will be offered for 2-year-old trotters and 3-year-old pacers. All class races will be for \$1000 purses. The races will be planned so as to include three daily and so arranged that a horse can take part in two events during the week.

The increasing popularity of harness racing in Southern California assures the success of the undertaking, the men who are back of the project being of recognized standing in the financial world and much experience in this form of sport. C. A. Canfield is president of the new association, William Garland vice president, A. W. Bruner secretary and manager and L. I. Christopher treasurer. With Mr. Bruner at the helm the organization will have the benefit of a man of many years' experience in light harness racing.

Horses now in California being prepared for the grand circuit will be able to remain and take part in the July meeting and then ship direct to Detroit, having a ten days' rest before the opening of the Detroit meeting the last week in July.

Lick Wins Field Day

By Associated Press. BERKELEY, March 25.—The first field day of the season was held under the auspices of the Bay Counties league on the University of California cinder track this afternoon in the presence of 2000 spectators. It was won by the California School of Mechanical Arts, 49 points; Oakland high school, 42 points; Berkeley high school, 25 1/2 points; and Lowell high school, San Francisco, fourth; Alameda high school, 7 1/2 points, fifth.

Three records were broken. Moulten of the California School of Mechanical Arts threw the hammer 157 feet 10 inches, breaking the record, 151, held by Blakemore of Berkeley. Moulten of Lick and Vail of Oakland broke the pole vault held by the latter at 10 feet 4 inches. Moulten vaulted 10 feet 8 1/2 inches and Vail 10 feet 5 inches. Referee Harris would not allow Moulten's record, pending a decision of the Pacific Athletic league.

Berkeley high school won the relay race, but was disqualified for fouling.

Cubs Shut Out Seals

By Associated Press. SAN FRANCISCO, March 25.—The Chicago National league team today made four runs in the first inning on hits and errors, but thereafter could not score. The locals were shut out, the visiting pitchers being very effective. Score:

Chicago, 4; hits, 7; errors, 1. San Francisco, 0; hits, 6; errors, 2. Batteries—Wicker, Lundgren and O'Neil; Miller, Henley, Wilson and Shea.

Another Winner for Vanderbilt

PARIS, March 25.—W. K. Vanderbilt's Azur won the Prix Andrea at Auteuil today with Woodland up.

BROTHER SEEKS MISSING MAN

Detectives have been asked to find W. T. Schwartz, a young man who is supposed to have been in Los Angeles several weeks ago and whose disappearance has alarmed his brother. Schwartz came to Los Angeles some time ago and after staying a short time disappeared. He left his suit case at the Y. M. C. A. building and when he did not return for it a search was made.

A telegram was received yesterday from a brother of the young man living in Denver. He telegraphed transportation over the Santa Fe route from Los Angeles to Denver, and the same was deposited at the Santa Fe offices. Schwartz is described as 18 years of age, 5 feet 8 inches tall and weighs about 150 pounds. He has dark blue eyes, dark hair and smooth face. When last seen he wore dark clothing.

SAVED FROM SUICIDE BY SHEER IGNORANCE

Mrs. Bennett Takes Mixture of Poison, Which Fortunately Counteracts Each Other

Had she been versed in the effects of poisons Mrs. T. M. Bennett, instead of being alive today, would be occupying a slab at the morgue awaiting the verdict of "suicide."

This morning shortly after 12 o'clock Mrs. Bennett became angry because her husband had been to a dance and tried to end her life. She retired to another room and swallowed a mixture of chloroform and morphine, intending to end it all.

The effect of the drugs was just the opposite from that intended by Mrs. Bennett. The nature of the two poisons made them act against each other and her husband had time to telephone for a doctor. The woman was taken to the receiving hospital, where Dr. Quint pumped the poison out of her system and sent her home.

Last night's attempt was the third which Mrs. Bennett has made to end her life. On each occasion she has been saved by the prompt arrival of a doctor. The Bennetts live at 353 South Broadway. Bennett is an employe of the Los Angeles Lighting company.

Bell, the Jail Breaker, Arrested

TACOMA, Wash., March 25.—Albert Bell, the robber who escaped from the federal prison on McNeil's island last Wednesday night, was found today hiding under several tons of hay in the prison barn. He was hungry and exhausted, and meekly submitted to arrest. Last night the reward for Bell's arrest was increased to \$250 on an order from the treasury department at Washington, D. C.

With a piece of string and a little sand and grease some Hindoo convicts sawed through an iron bar two inches in diameter in five hours and escaped from jail.
