

SOCIETY GREETE EASTER BRIDE

PASADENANS ATTEND PRETTY RECEPTION

Auction Sale of Horse Show Seats Assures Success of the Venture. Plans Complete for the Track Meet

Pasadena Agency, 114 East Colorado Street.

PASADENA, March 31.—One of the most delightful receptions given during the season was that of this afternoon given by Mrs. A. D. S. McCoy and her sister in honor of one of the Easter brides, Miss Mabelle Doolittle, who is soon to wed Neal Traylor of the Herald staff. The McCoy home was beautiful with masses of fragrant bloom, green and white being used in the front drawing room, red poinsettias in the den, while in the dining room ragged robin roses were grouped in artistic profusion. Daylight was excluded and tall candles with red shades were used. Mrs. McCoy, Miss Crawford and the guest of honor received. Mrs. McCoy wore a handsome gown of blue crepon trimmed with Maltese lace, Miss Doolittle was charming in gray crepe de chine over lavender, and Miss Crawford wore black silk net.

Auction Sale a Success
The auction of boxes for the horse show next week opened tonight at F. T. Kuranaga's store. Twenty-four boxes were sold at a total of \$252. Col. W. J. Hogan of Louisville, Ky., was the auctioneer. Other auctions will be held, as there are sixty-four boxes to dispose of. The advance sale of tickets will begin tomorrow at Jarvis & Prinz.

Ready for Track Meet
The grammar schools of Pasadena will hold one of the biggest field and track meets ever held in this part of the state tomorrow afternoon at Tournament park. Nine schools will be represented and over 200 entries will be made. The most interesting features of the afternoon promise to be the relay races for the championship of each grade. All schools have entered teams to contest in the relay for the championship of the schools. The track has been put in the best of shape for the meet. The prizes are handsome silver loving cups. Each boy entering for any event must be up to a high standard in his regular school work.

Goek After Prisoner
Constable Samuel F. Wallis left on last night's Owl for Fresno to bring back Edward McKim, the young man who is charged with taking a horse and buggy from a local stable March 11 and selling it in Bakersfield. Here it is expected that the man who went under the name of Kennedy will be brought directly here for preliminary examination on the Boyd complaint.

Makes Big Building Record
Building permits issued during the month of March aggregate \$148,775. This runs the March record way ahead of any previous March aggregate. Last month the building permits called for structures to cost \$116,583. The largest single permit was for the house to be erected by Mrs. Ada Webb at 47 South Madison avenue. The next is that by Mrs. Luella R. Garvey of South Pasadena avenue. The Throop Institute permit for the construction of a gymnasium on the corner of Fair Oaks and Chestnut street. Many of the permits were for medium sized houses and five and six-room cottages in the edges of the city, where the rapid growth of the city is most noticeable now.

Entertain a Box Party
Mr. and Mrs. W. C. Burns entertained a party of their friends this evening with a box party at the Mason opera house, Los Angeles. The trip was made on the Poppy. The party included a number of Pasadena's leading society people.

**ANTI-SALOON LEADER
RESIGNS PASTORATE**

Rev. H. B. Gage Leaves First Presbyterian Church at Long Beach Through Ill Health
Special to The Herald.
LONG BEACH, March 31.—Rev. H. B. Gage, well known as a leader in the Anti-Saloon league, has presented his resignation as pastor of the First Presbyterian church owing to ill health. The congregation last evening elected Rev. George T. Chrisman, D. D., assistant pastor pro tem.

Albert Soller, aged 12, son of Thomas Soller of 230 Lime avenue, was thrown from his horse this morning and broke his collar bone.

The oratorio, "The Crucifixion," will be rendered by local singers in the Long Beach Methodist church Thursday evening, April 13, for the benefit of the Y. W. C. A. and Y. M. C. A. building fund. The singing will be led by Rev. Charles T. Murphy and the vested choir of St. Luke's Episcopal church.

The second year German class of the high school will render a version of "The Private Secretary," translated from the German, tomorrow evening.

ALARMING FIRE AT SANITARIUM

SAN BERNARDINO PIONEER HELD FOR ARSON

Wholesale Colonization of Voters in the City Alleged and Many Prosecutions Are Expected

Special to The Herald.
SAN BERNARDINO, March 31.—Fire this morning about 3 o'clock practically destroyed the California sanitarium, causing a loss of \$4000 or more, and endangering the lives of a number of patients and nurses, most of whom were sleeping when the blaze was discovered.

Mrs. Clayton, a patient, smelled smoke, and a nurse ran down the stairs and found the interior of the dining room a mass of flames. The patients were quickly removed from the institution to a private hospital next door, while the fire department worked on the blaze. This was confined largely to the rear portion of the building, though the entire structure was water-soaked and damaged by smoke.

The heaviest loss is in the operating room, where all the instruments and appliances were ruined. The insurance is small. It is probable the sanitarium will be rebuilt and enlarged.

Ynacento Garcia, one of the oldest Mexican pioneers of this valley and well known, was this morning placed under arrest by Policeman Ketring and charged with arson on complaint of his neighbor, M. M. Diaz.

According to Diaz, he was awakened this morning by fire and found the side of the building in flames. A can of kerosene from which oil had been poured on the flames was standing near by and he caught sight of Garcia running away.

Garcia claims to know nothing of the affair and stoutly maintains his innocence. Diaz, however, claims that Garcia a year ago set fire to an out-building on the Diaz premises and that since then he has repeatedly threatened to kill him and destroy his house.

Diaz also claims that Garcia called on him yesterday afternoon, flourishing a revolver and pruning knife, and threatened his life. He says Garcia also declared he would burn him out during the night, and that caused him to be on his guard.

Diaz claims Garcia's enmity arises from jealousy of his wife.

County Clerk Pfeiffer has invoked the section of the law requiring keepers of lodging houses to furnish lists of persons occupying rooms. It is thought that many illegal registrations will be found and that a number of prosecutions will be commenced.

MONROVIA WANTS STATE HORTICULTURAL STATION

Proposition Is Being Fostered to Make a Gift of Land for a Site

Special to The Herald.
MONROVIA, March 31.—An effort to bring the state pathological laboratory and culture station to this district was initiated this afternoon at a meeting of the Monrovia-Duarte Farmers' club. A committee from that organization will take up the project with the board of trade and fruit exchange with a view to securing free land to offer for the site.

The D. D. club, an organization in which the young lady teachers of Monrovia are prominent in membership, gave an entertainment at the club house this evening. April folk jokes were played upon the guests and the lunch served was masked under absurd titles.

Miss Alice Armstrong, daughter of Mr. and Mrs. E. S. Armstrong, will be married to Edward Knapp on April 12. The ceremony will be performed at the woman's club house and will be the first wedding celebrated in the stronghold of Monrovia femininity.

Do not go east. Try Hotel del Coronado.

ELECTION AT CORONA

Special to The Herald.
CORONA, March 31.—On April 7 an election will be held at the school house for the purpose of electing a trustee for three years to fill the vacancy by the resignation of Miss Helen Platt. At present there are two candidates in the field, viz., W. J. Pentelov and W. L. Lyman.

A special called meeting of the city council was held yesterday at the city hall for the purpose of deciding upon the improvement of Main street. A full board was present. The council decided to construct rock gutters between First and Eleventh streets and to oil the street. The work will be done under the Vrooman act. The board instructed the city engineer to present plans at the next meeting.

The sale of seats for the interscholastic debate, which takes place at the school house this evening between teams from Riverside and Corona high schools for the "loving cup," has been unusually large. An excellent musical program will be rendered by the High School Mandolin and Guitar club, under the direction of Miss Dena Cooper.

SHOULD OPPOSE RAILROADS' PLAN

SO SAYS SAN PEDRO HARBOR COMMITTEE

Considers Present Government Specifications Satisfactory and Condemns Changes Sought as Antagonistic

Special to The Herald.
SAN PEDRO, March 31.—Following is the full text of the report sent to the city trustees by the committee of citizens sent to investigate proposed changes in inner harbor plans:

To the Honorable Board of Trustees of the City of San Pedro.—The undersigned committee appointed by your honorable body to investigate and report to you as to the effect of the changes in the harbor lines of the inner harbor, as proposed by the Southern Pacific and Salt Lake railroads and the Banning company, beg to respectfully report as follows:

We proceeded to Los Angeles and examined the maps on exhibition at the office of the government engineer. And here we desire to return publicly our thanks to Capt. Charles McKinstry, the government engineer in charge, for the courteous and painstaking manner in which he explained to us the nature and effect of the proposed changes and briefly stated the government engineers established bulkhead and pier head lines along the Terminal island and Wilmington shores, leaving the intervening space open for dredging in the future whenever the need of commerce desired it.

Railroads' Plan
The Southern Pacific, Salt Lake railroads and the Banning company desire these lines changed and that a bulkhead be built some seven hundred feet from either side of the proposed fill from three hundred to one thousand feet in width. And that the proposed fill in the center of the channel be given to the above companies. In short they propose that instead of dredging the harbor from Mormon island to north of Wilmington, the above named companies ask that over half of the available dredging space be filled in by the government and given to them in perpetuity.

At the meeting of this committee R. D. Sepulveda offered the following resolution which was unanimously adopted:

Resolved, that we consider it for the best interest of the harbor of San Pedro that the lines as now laid down by the government engineers from the northerly limits of the city San Pedro to a point south of Wilmington, should be maintained as they now exist. And that the people of this community and the city of Los Angeles, who are equally interested with us, should use their utmost endeavors in opposing the scheme proposed by the Southern Pacific, the Salt Lake railroad and Banning company as antagonistic to the best interests of the people residing in the country tributary to the harbor of San Pedro.

Charges Exorbitant
And further, that this committee respectfully calls the attention of your board to the present exorbitant wharf, unloading, loading and switching charges exacted by the Southern Pacific railroad from the merchants of San Pedro and earnestly urge that you appoint a committee of your own members to interview the railroad authorities and endeavor to obtain a reduction of the same, to a reasonable rate, and that failing therein you appeal to the State Board of Railroad commissioners, asking them to investigate the same.

Respectfully submitted,
JOHN T. GAFFEY,
R. D. SEPULVEDA,
WM. W. BURKE,
A. K. JENSEN,
W. W. THOMAS.

BOND ISSUE NOT FAVORED

Ventura Taxpayers Seek to Defeat the Proposition

Special to The Herald.
VENTURA, March 31.—The principal topic of conversation nowadays is the coming bond election, set for April 22. The proposed bond issue is meeting with violent opposition. Aside from the question of bonding the city for the establishment of a water and light system the citizens will be given an opportunity of voting \$10,000 bonds for the building of the Ash street storm sewer.

During the heavy rain of March 11 the barranca running parallel to Ash street was nothing short of a river and the damage resulting amounted to hundreds of dollars. The proposition is to construct a solid cement flume or sewer of sufficient size to carry off the water.

Invitations are out for the wedding of Miss Mary Cooper of Oxnard and Walter Jones of this city, the marriage to take place at the bride's home on April 21.

Today is the 125th anniversary of the founding of the San Buenaventura mission.

Mrs. Mayhew, mother of Mrs. D. A. Sheldon, died at the Sheldon home near Montalvo Wednesday. Deceased was a native of New Jersey and was 88 years of age. The funeral services were held from the home yesterday afternoon and the remains were taken to Oakland for interment.

Fire was discovered at 9 o'clock last evening in the old Gossnell barn near the corner of Main and Spruce streets. The barn was filled with hay and was destroyed. The finding of a bottle of kerosene near the building leads to the belief that the fire was of incendiary origin.

Go to Corona20 and be warm.

MINING EXPERT TO VISIT SAN DIEGO

REID KENNEDY WILL EXAMINE IRON PROPERTIES

Comes From Pittsburg to Investigate Holdings of Pacific Steel Company and Mines It Is to Purchase

Special to The Herald.
SAN DIEGO, March 31.—Word was received yesterday that Reid Kennedy, the well known iron and steel expert of Pittsburg, Pa., would be here before the middle of next month prepared to make the most exhaustive examination of all the iron mines now owned by the Pacific Steel company, as well as those which it is under contract to purchase. It is said that the examination of the mines, of which there are about sixty, will require from two to three months.

Word has been received at the local postoffice to the effect that the United States postal authorities have recently decided to change the color of the small letter boxes from an aluminum color to a brick green. The aluminum paint has proved unsatisfactory because it washes off.

Catholic people in this city are much interested in the report which comes from Boston to the effect that Rt. Rev. Thomas J. Conaty, bishop of Los Angeles, is to be appointed coadjutor bishop of Boston, succeeding Archbishop Williams, who is now nearly 80 years of age and unable to carry on the work of the high clerical office.

Twenty new palm cottages are to be added to Tent City during the month of April and already the workmen are getting ready for the coming of the big crowd that is expected this summer.

Charles O. Mundel, an employe of the Santa Fe at its freight house, has returned to his friends and his work accompanied by a bride, formerly Miss Mary A. Garzill of Los Angeles, to whom he was married on Wednesday at the residence of the bride's uncle, G. G. Witt of Bernardo. The ceremony was performed by W. E. Crabtree of this city.

Mr. and Mrs. Ed H. Quimby of Los Angeles and Mr. and Mrs. A. W. Peet of Kansas City, who have been here for several days, left last evening for Los Angeles for a short visit there.

Professor N. A. Richardson of San Bernardino is to lecture on Socialism on the plaza on Sunday afternoon and at Unity hall on Monday night. The election of Tuesday will be his theme. It is among the possibilities that the San Diego Athletic club will make a match between Frank Fields of Oxnard and "Fighting Dutch" Thurston of Bakersfield. The fight will be at 145 pounds at 3 o'clock on the afternoon of the contest.

Charles H. Fletcher of "Castoria" fame is at Hotel Coronado, accompanied by Miss Fletcher and Miss Grindel.

HIGHLAND WILL ELECT TWO SCHOOL TRUSTEES

Latest Report Shows Large Number of Pupils and Excellent Results Attained

Special to The Herald.
HIGHLAND, March 31.—A school election has been called for Friday, April 11, when two trustees are to be elected. The outgoing trustees are Robert Thompson and C. F. La Follette. No candidates have yet been chosen, but it is probable that the two present incumbents will be re-elected if they will accept.

A new club was organized last week by the young men of Highland for social diversion. It is to be known to the public as the H. T. C.'s and will have quarters in the Knights of Pythias building, Opie L. Warner, editor of the Highland Messenger, was elected president; Sidney Bruce, vice president; Ben Parsons, treasurer and secretary.

Large crowd at Hotel del Coronado, but room for more now.

FORESTRY EXPERTS START WORK AT SANTA BARBARA

Efforts May Be Made to Raise Vessels Sunk During the Recent Storm

Special to The Herald.
SANTA BARBARA, March 31.—George W. Peavy, the special representative of the bureau of forestry, United States department of agriculture, who has arrived in the city with two forestry experts for the purpose of establishing, near Santa Barbara, a government nursery for the propagation of seedlings to be planted near the Santa Ynez river basin, has selected the location for the station. The land has been leased from Mr. Kinnevan, and is being cleared preparatory to the erection of hot houses and out-of-door gardens. Only about an acre of land will be cultivated at first, but later more ground will be broken and further additions to the station made.

Roswell G. Emmons, who had considerable experience as a submarine driver in the government service, may go to the bottom of the ocean some time next week and fasten ropes on the wrecks of several boats that were sunk two weeks ago. The wreck of the Chispa and of the Fortuna have been located, and, though it is difficult to determine how badly they have been damaged, their engines are of value. The fine large engine of the Pride is also at the bottom of the ocean.

A special meeting was held last evening by the chamber of commerce at which it was decided that the dumping grounds on East Ortega street must be closed. How to get rid of the garbage is a problem which again confronts the city authorities who are unable to secure any property suitable for the erection of a garbage crematory.

FOR SCHOOL TRUSTEE

Special Edition of Redondo Breeze to Be Issued

Special to The Herald.
REDONDO, March 31.—The election for the choice of a school trustee to succeed P. S. Venable, whose term expires this year, will be held April 7. It is understood that Mr. Venable is willing to succeed himself, and he should command a large vote.

Editor Barkley of the Redondo Breeze is preparing a special edition of his paper which is expected to present in a very effective way Redondo's many attractions.

"East or West Hotel del Coronado is best."

Benefit at Pomona Opera House
Special to The Herald.
POMONA, March 31.—On Tuesday evening, April 4, at the Fraternal Aid opera house, a benefit entertainment will be given to Marjorie Hathaway, a Pomona girl. The entertainment will be given under the auspices of the Dohbison School of Expression of Los Angeles.

An unusual degree of interest is manifested in this entertainment by the citizens of Pomona and they have provided for the transportation of sixty people from Los Angeles to Pomona and return, the return trip being made in a special train.

The entertainment will be entitled an "Evening With Charles Dickens." It is sunny and warm at Coronado.
