Tacoma Unable to Score Until Ninth Inning, When They Tie Score - Tigers Use Three Twirlers

Magnate Fisher distributed promiscuously large fiery wads of imprecation from his throne on the bench, but even the confident and complacent leader of the champions had about given up hope for a turn in fortune's tide when certain and divers remarkable things occurred to the delivery of a worthy, yeelp Warren Hall.

Bobby Keefe and Charlie Graham the Santa Clara battery, operated for the Tigers, but Keefe's productions were clouded around the lot with annoying and pernicious frequency by the Seraphic host.

There was nothing to it but Los Angeles until that ninth inning appeared on the horizon. Dillon's men had brought three men around the sacks and can be excused for browsing on their hard earned laurels.

Hall loosened up a bit from his effective work of the preceding innings in the eighth, being found for a total of two hits, but he appeared well able to take care of the game.

In the eighth did the northerners go to the bench without even a lone circuit breaker to their credit, but with fierce and threatening determination to retrieve the fortunes of the day. But the Seraphs felt safe with three compatriots around the sacks.

Tigers Find the Ball

Nordyke was the first Tiger to swish the timber for the pennant possessors. Dyke was urged, coaxed and threatened to do something with the stick from the Tacoma bench, and in evident fear of his life he smote a pretty base drive to left territory. Then the mighty Truck Eagan took his home run tree and hied to the plate. Truck took two swings at the sphere before he was able to lift it away for a safe drive over Tim Flood's pillow.

But there was a man on the third base anyway. Nordyke was Tacoma's hope on the last cushion. Lynch, the big centerfielder, was there with the big stick and sacrificed neatly down to Dillon which brought the vanguard of the Fisherman over the last patch. This looked bad, but when McLaughlin lit on the leather for a single drive over the second bag it appeared a bit squally for the Morleyites. McLaughlin's swat placed Casey on the third angle.

And then Commander Charles Graham prepared for action. Graham proved a pinch hitter of the 18-carat variety in this instance and soused the ball along for a double to the port pasture, Casey leaving the rubber behind him with minutes to spare. This made two of them and placed McLaughlin on Brashear's corner. The fans who were lucky enough to be there settled themselves back and prepared for an extra inning game. And the Seraphs with a quart of blood in each eye prepared to eat up Brown, who was the next lad to linger at the plate.

Hall was groggy at this unhappy period and his seconds were shortly to pass up the sponge. "Rusty" was unable to control his twisters and he ticketed Brown to Dillon's angle. This

TWIRLERS WHO OPERATED ON SLAB, KEEFE AND BAUM

"BONES" BAUM

was too much and Baum was substituted on the slab. "Bones" went into the box with a Tad on each sack. Charley Doyle was the man to face Baum and he promptly jambed a drive in the lanky twirler's direction. It was too torrid to handle and McLaughlin scurried over the pan, tying the score. But Sheehan ended the agony by poking to short, forcing Graham at the second station.

Clarence Cravath won the game for the Seraphs—he broke it up with a double drive to right. Charlie Graham basked Dillon's foul and then Cravath did his. Ross slipped one down to Nordyke and Cravath went to third. To man placed a teaser to Thomas, who slanted 'em over for the Tads in the final inning, and Cravath slid for the tin. It was all over and the Tigers had another knot in their tails. And Mr. Fisher?

Brown went in for Tacoma in the seventh inning. Keefe walking two men in the sixth, and the same number scoring. Tacoma used three twirlers during the game, Keefe, Brown and Thomas, but they couldn't turn the trick.

The first amble arrived for Los Angeles in the second inning. Dillon walked and went to third on Cravath's single to short. Ross passed up to Doyle and the "Big Cap" scored on the throw in. Two more came around in the sixth. Keefe walked Dillon and Bernard between Ross' infield out and Brashear's flyout. Cravath again used the willow for a single drive to left, Bernard and Dillon completing the journey. Cravath was nabbed trying to grab second on a neat pass from Graham to Casey.

Disgorge at the gate this afternoon, it being the first ladies' day of the season. Fitzpatrick will probably pass 'em over for the lads from Tigerville. The game will be called at 2:30.

"Kitty" Brashear appeared on the third angle in the absence of Jud Smith yesterday. The benedict had four opportunities to knock the leather out of the lot and pulled one hit out of the fire when he drove over second in the third canto.

Tim Flood was put away in the third endeavoring to connect with the terminal patch. Bernard was hovering about the initial corner and Flood had a nice lead off Sheehan's pillow. Bernard drew Graham's fire in cutting for second and Flood cut loose for the tin. Casey made a pretty return to the Tacoma backstop and Tim was killed off.

Spies and Hall were the two Seraphs who failed to get on the first bag yesterday. "Rusty" and the Teuton were at bat three times. Hall is showing considerable improvement in getting his optic on the ball, driving out twice to the outfield, but fanning the last time up. Spies expired on infield bingles, with never a chance for the first cushion.

Bobby Keefe was unusually generous with his transportation. He ticketed four Angels to first and when he began to disappear in the vaulted blue in the sixth inning another lamb was prepared for the slaughter. Keefe was one of the star members of the Tigers' twirling staff last year, but has not been coming quite up to the mark owing to illness during the "off" season.

Tate Cromley, the college pitcher with whom Morley has been dickering these many days, has not yet arrived in the land of sunshine, and the powers that be are unable to tell whether the lad who shut out Harvard, Princeton and Yale last season will come or no. Tate became peevish when he heard that they have "Sunday baseball" in these parts, and being afraid that Manager Morley might desire him to "work" on the Sabbath, has reconsidered his intention to hie westward at once. Tate is evidently a nice boy and Manager Morley should effect a compromise—the collegian passing 'em up on legal holidays only.

A man's greatest inspiration is the knowledge that he needs the money. The egotist is always the other fellow.

MAKES YOU IRRITABLE

Doan's Kidney Pills Relieve and Heal Diseased Kidney Tissues, Set the Kidneys Filtering the Blood, Banish Backache, Dizziness, Urinary Troubles and Restore Strength and Energy.

WATCH THE URINE. Kidney diseases are not always painful in the early stages. They frequently gain ground before the victim knows of their existence.

But an examination of the urine will always tell of the existence of any form of kidney trouble.

Allow a quantity of urine to stand in the vessel for twenty-four hours. If any of the following symptoms appear, the kidneys are diseased:

Brick-dust sediment; whitish, cloudy, or stringy sediment; offensive odor; high reddish color or very pale, watery appearance; oily scum on the surface. Other urinary symptoms are too free or too scanty a flow; frequent desire to urinate; pain or scalding in passing.

Nothing more irritating than constant backache—that dull, heavy throb, which bothers you all day and prevents sound sleep at night.

Backache makes you fretful and nervous—keeps you "on edge" all the time it can get. It shows in the face and ruins a cheerful disposition.

Don't mistake the cause of backache. Overwork might tire your back, but should not make it ache and pain and throb. A man or woman with healthy kidneys can work hard, rest and sleep, and be ready to work hard again.

Backache is kidney ache. It tells you of an inflamed or congested condition of the kidneys, brought on by a cold, a strain on the back, or perhaps some other slight cause.

The danger is that kidney congestion never relieves itself and it so disturbs the blood-filtering processes of the kidneys that uric acid and other poisons collect in the blood.

These poisons should pass off in the urine, but instead are carried by the blood to every part of the body and cause painful and fatal diseases.

Health can only be restored by restoring the kidneys to health. This can only be done with a kidney medicine.

LOS ANGELES TESTIMONY. H. Duquene, retired farmer, of 1637 East Ninth street, says: "I know from the aching in the small of my back and the condition of the kidney secretions that there was something wrong with my kidneys, but I did not know what to do to get rid of the annoyance. Just at the time an advertisement about Doan's Kidney Pills met my eye, and I went to Dean's drug store, corner of Second and Spring streets, for a box. A continuation of the treatment for some time not only stopped the attack of backache, but it rendered the kidney secretions normal."
