

RUSSIAN CHIEF OF POLICE SHOT

MOSCOW OFFICIAL IS VICTIM OF ASSASSIN

KILLED IN AUDIENCE ROOM

Count Shuvaloff Falls Pierced by Four Bullets Fired at Close Range by Man Dressed as a Peasant

By Associated Press. ST. PETERSBURG, July 11.—The assassination of Prefect of Police Count Shuvaloff of Moscow today is considered to be a purely political crime, as the count was not over 40 years of age and was regarded as being one of the best type of Russian officials.

The assassin waited in the anteroom of the prefecture until the other petitioners had been received, and then entering the audience room he advanced toward Count Shuvaloff, firing five shots at close range.

Assassin Was Recently Arrested. The assassin was dressed as a peasant, but has not been identified. He was recently arrested as a political suspect, but escaped from the police station before his examination.

Count Shuvaloff owes his death to his custom of freely granting audiences and receiving petitions from all classes.

One bullet wounded the count in the pericardium, another pierced his abdomen, a third struck him in the arm, a fourth in the shoulder, while the assassin's fifth bullet struck the leg of an official who was standing near.

A great crowd gathered in front of the house of Count Shuvaloff and made a demonstration to show its indignation and sorrow at the assassination of the prefect, who was very popular.

Situation Continues Critical. TIFLIS, Caucasus, July 11.—The streets and squares are occupied by troops, but the city has been quiet since the proclamation of martial law and the official Gazette has resumed publication.

The situation throughout the Caucasus continues critical and the people are in a great state of agitation. Several persons have been arrested in whose lodgings large quantities of bombs were found.

Business at Batoum is at a standstill. The shops and banks, with the exception of the Imperial, are closed.

Cossacks and Rioters in Conflict. MINSK, Russia, July 11.—A general strike has been declared. In a fight between Cossacks and rioters today many persons were wounded.

Demand That Rents Be Reduced. WARSAW, July 11.—Three bloody encounters between troops and striking shoemakers, in which about twenty persons were killed or wounded, occurred today. The strikers were marching through the city from house to house, demanding the lowering of rents by twenty per cent.

Fear Another Mutiny. KUSTENJI, July 11.—The Russian squadron seems to be delaying here, owing to the fear that another mutiny will break out should the vessels put to sea.

The fact that fifty-five sailors from the Kniiaz Potemkine who surrendered have been imprisoned on board the different vessels of the squadron awaiting trial for rebellion has caused intense indignation among the crews, and, as a consequence, there are fears of another mutiny.

Will Apply for Extradition. ST. PETERSBURG, July 11.—The government will commence regular proceedings for the extradition of the crew of the Kniiaz Potemkine as ordinary criminals. In the diplomatic exchanges on the subject the Russian foreign office has pointed out that Roumania's offer to give the mutineers asylum was made before the Roumanian government had been informed of the crimes committed by the Russian sailors.

GOVERNMENT READY TO PROSECUTE RAILROADS. CHICAGO, July 11.—Plans for the prosecution of railroads for the granting of rebates to large individual corporations, issued by the federal courts here and in Kansas City, have been completed, and the first steps in the attack of the government will be made in Kansas City before the end of the week.

ALLEGED BIGAMIST NOW IN BRITISH COLUMBIA

George D. Collins of San Francisco and Second Wife Passed Through Dunsmuir

By Associated Press. SAN FRANCISCO, July 11.—The police believe that George D. Collins, the alleged bigamist, and his second wife are now in British Columbia. Information has been received that the couple passed Dunsmuir on their way north.

An attachment was levied today on Collins' library and other effects. The attachment was made in an effort to recover money due a private detective who had been shadowing people for Collins.

The grand jury today issued a subpoena for "Bogie" O'Donnell to appear and testify before it. Fearing that possibly O'Donnell had sought to escape the grand jury sent four officers to help bring him in.

The police are also hunting for Mrs. McCurdy, who left the city Saturday without leaving any clew to her movements. A warrant for her arrest has been issued and her description telegraphed to every large city in the United States.

By the extradition treaty made between the United States and Great Britain, which binds the Dominion of Canada, bigamy is not a crime for which a refugee in British in British territory must be returned by that government.

The assassin waited in the anteroom of the prefecture until the other petitioners had been received, and then entering the audience room he advanced toward Count Shuvaloff, firing five shots at close range.

A prominent Russian officer here says that the world will never know the inside history of the defeat of Russia's fleet in the engagement on May 27.

By Associated Press. MILWAUKEE, July 11.—Sixty-seven indictments against twenty-five individuals, most of whom are former county officials, were handed down by the Milwaukee county grand jury late today in the municipality court.

Nearly all of the indictments charge bribery in the sum of \$50, the amounts, it is alleged, having been paid to present or former county officials in connection with the awarding of county contracts for the erection of an addition to the county hospital several years ago. Many of the indictments are the result of confessions of Otto Seidel, Jr., and Edward F. Strauss, former members of the county board.

Fred C. Schultz, a newspaper man, is indicted on one count charged with offering a bribe of \$50 to H. J. Pomeroy, a member of the state assembly, in 1901, to vote against the primary election bill. Pomeroy is indicted, charged with accepting the bribe.
