MAY PLAN CLARK LINE TO ORIENT

RAILWAY OFFICIALS TO SAIL FOR JAPAN FEEDER FOR SALT LAKE ROAD

T. E. Gibbon is Believed to Be Charged With Mission of Completing Arrangements for Establishment of Steamship Company

T. E. Gibbon, third vice president and general counsel of the San Pedro, Los Angeles & Salt Lake railroad, will sail for Japan within the next two weeks, the report given credence in railway circles being that his mission is to consummate arrangements for a steamship line from San Pedro to the Orient.

It is further stated that such a steamship line as is now projected will be controlled entirely by Senator W. A. Clark and be operated in connection with the Clark road and entirely independent of any similar lines which Mr. Harrington or Mr. Huntington may have in mind.

It is to T. E. Gibbon that no small part of the honor for the construction of the Salt Lake road is due. It was he who interested W. A. Clark in the venture and it is now stated that the senator, who has freely spoken of such a line as an event of the near future, desires the Los Angeles attorney to once more call his faculties into action for an extension of the trade facilities of the new road.

Another fact of significance is that G. A. Parkyns, assistant general freight and passenger agent of the Southern Pacific, has made arrangements for a similar trip and will sail from San Francisco next Saturday on the steamship Mongolia with Mr. Gibbon. Mr. Gibbon exhibited some surprise last night when he learned that the plans of his trip had become known. "It is merely a pleasure trip, merely a pleasure trip," said Mr. Gibbon. "My wife will accompany me and we expect to be away from Los Angeles for the next three or four months." Mr. Parkyns will visit the Hawaiian islands, China, Japan and the Philippines before returning, but Mr. Gibbon's itinerary is to include only Hawaii and Japan.

NEW MILLION DOLLAR REALTY COMPANY FORMED

CITY CAPITALISTS WILL HANDLE BIG PROPOSITIONS

Officers to Be Chosen in a Few Days and Plans Formulated to Engage Extensively in Large Deals in Los Angeles Real Estate

Among the instruments filed in the recorder's office yesterday was one giving official notice of the incorporation of the Consolidated Realty company of Los Angeles, with a capital stock of \$1,000,000.

The directors of the new company are D. K. Trask, D. A. Hamburger, J. W. A. Off, J. J. Byrne, F. K. Rule, J. T. Jones, W. P. James, L. J. Christopher, J. H. Carson, E. P. Clark and Simon Maier.

It is the purpose of the new company to elect officers at once and select offices centrally located.

"The Consolidated Realty company has been formed for the purpose of handling some of the larger propositions in Los Angeles realty. Operations will be confined for the present to city property. I am not prepared to state now what will be done in reference to outside property."

SEASIDE POSTOFFICES MAY BE CONSOLIDATED

Efforts Made to Combine Postal Stations at Santa Monica, Ocean Park and Venice

Preparations are being made by Postoffice Inspector Wilson, Senator Frank Flint and Congressman McLachlan for holding a meeting next week to consult with representatives of Venice, Ocean Park and Santa Monica relative to a proposed consolidation of the postoffices at each of these towns.

It is asserted that with a small postoffice at each place, as is the present arrangement, no free delivery can be secured and the service is necessarily not as satisfactory as otherwise. It is further asserted that the Ocean Park postoffice is in Santa Monica and the Venice office is within the corporate limits of Ocean Park.

With these offices combined into one large station in any one of the towns, with sub-stations in the others, free delivery could be secured and better service given, but as each town is anxious to be the one with the main office great difficulty in a settlement is expected.

A little forethought may save you no end of trouble. Anyone who makes it a rule to keep Chamberlain's Colic, Cholera and Diarrhoea Remedy at hand knows this to be a fact. For sale by all leading druggists.

INSURANCE TAX MAY BE LEVIED

ORDINANCE TO BE PRESENTED MONDAY PROVIDES FOR LICENSE FEE

Barney Healy Would Increase City Revenue \$16,000 Annually by Requiring Foreign Companies to Pay \$50 Yearly

As a result of the numerous requests from Los Angeles business men that life insurance companies, whose main offices are outside of the state, shall be taxed more heavily than at present, Councilman Barney Healy will present a motion before the council Monday asking for an ordinance providing for a monthly tax of \$50 on each company.

"Almost every branch of trade in Los Angeles pays a monthly license tax," said Councilman Healy yesterday, "but the life insurance companies have been practically exempted. I shall ask the council to instruct the city attorney to prepare and present the necessary ordinance, providing for the payment of a monthly tax which will be in proportion to the importance of that business."

At the present time there is a quarterly tax of \$5. A year ago an effort was made to increase this amount, but through what is said to have been a combination of the insurance agents, the measure was defeated.

There are now eighteen companies whose general offices are without the state and which have agents in Los Angeles. Should the measure meet with the approbation of the other councilmen and an ordinance is passed the city's revenues would be increased by \$16,000 annually.

Healy says several of the councilmen are with him on the question and that there is no desire to affect fraternal or state societies.

MEETINGS TO DISCUSS ILLEGAL LIQUOR SALES

Conferences to Be Held at Churches Tomorrow by Local Temperance Workers

In the interest of the proposition to prohibit the illegal sale of liquor to women and girls at the cafes and restaurants the Los Angeles W. C. T. U. will hold two mass meetings tomorrow evening, at the First Methodist church and the Church of the Nazarene.

Mrs. Lucy S. Blanchard, president of the Los Angeles W. C. T. U., will preside at the First Methodist church. Mrs. Boller, wife of Rev. B. F. Boller, will make an address, as will also Rev. Levi D. Barr of the Friends' church, and E. Leonardson.

Mrs. Ada R. Hand, president of the Central union, will preside at the Nazarene church, where addresses will be made by Miss G. T. Stickney, county superintendent; Rev. J. B. Holly, pastor of the Third Congregational church, and Stephen Bowers.

Rev. J. Wiley Phillips will make statements of existing conditions at both meetings. The main object is to make formal protest against the sale of liquor to women without meals.

TO KILL THE DANDRUFF GERM Is the Only Possible Way of Having an Effective Cure. If you see a woman of a man with luxuriant glossy hair, you may be sure neither has dandruff to amount to anything, in nearly every case where women and men have this brittle hair they owe it to dandruff. There are hundreds of preparations that "claim" to cure dandruff, but not one but Newbro's Herpicide tells you that dandruff is the result of a germ burrowing into the scalp and that permanent cure of dandruff and its consequent falling and baldness, can only be had by killing the germ; and there is no other preparation that will destroy that germ but Newbro's Herpicide. "Destroy the cause and you remove the effect." Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich.
