MAY TAKE JUVENILE PRISONERS ON DAY'S OUTING AT BEACH

C. M. PIERCE, MANAGER BALLOON ROUTE EXCURSIONS

C. M. Pierce, manager of the Balloon Route excursions over the lines of the Los Angeles-Pacific, who recently completed a three days' series of free excursions for the poor children of Los Angeles, proposes to give another excursion at an early date for the benefit of the children confined in the detention home.

Mr. Pierce has a hobby and it is one that benefits humanity in a truly humanitarian sense. These free excursions under his auspices have been given at his personal expense and his recompense comes in the reward of the enjoyment of the children who are his guests.

Recently 1600 poor children were taken to the beaches and through the orange groves on all-day excursions. On these trips the juvenile guests were treated to the wonders of the camera obscura at North Beach, rides on the roller coaster, merry-go-round, ice peanuts, popcorn and candy and other good things dear to the children.

GARBAGE PROBLEM MAY BE SETTLED

COUNCIL EXPECTED TO ACT TODAY

ALEXANDER WANTS INCREASE

The council today will settle the question of collecting garbage for the city until the new crematory is completed. The contract with Alexander expired Wednesday and he has been doing the work since with the understanding that arrangements were to be made for collection from week to week.

When Houghton and his committee neglected to act in time to save the city from being without garbage collection, the question was turned over to the board of public works. Only Alexander's willingness to proceed with the collection without a contract, on the verbal promise of some of the councilmen that he would be paid for his work, saved the city from a serious situation.

At the present time there is but one member of the board of public works in the city, Councilman of the Third Ward Hiller. He has been at work on the proposition since Wednesday and has called his colleagues into consultation at every step.

BARTENDER IS INJURED IN AUTOMOBILE ACCIDENT

HARRY GOETZ, BUMPED FROM TONNEAU OF CAR, FALLS ON HIS HEAD

Harry Goetz, bartender, of 542 Maple avenue fell from an automobile near Sixth and Spring streets last night and was severely injured about the head and face.

Officer Berchold saw Goetz climb upon the rear of the automobile at Main and Sixth streets, and the car, which was running at the rate of twenty miles an hour at the corner of Spring and Sixth streets, turned suddenly to avoid a carriage, causing Goetz to lose his hold upon the tonneau.

The car was driven by H. H. Poor of the White garage and was occupied by about a dozen chauffeurs of the Pacific and White garages, who had been spending the day at Santa Monica.

NEWSBOYS' HOME INMATES IN TEMPORARY QUARTERS

Officers of the Newsboys' Home society announce that they have sold the house formerly owned on San Pedro street and are now boarding the boys temporarily at the Alpine street house until the new quarters are ready for occupancy. The society extends thanks to those who have aided by contributions and pledges and made it possible for the board to provide for the boys. Communications for the News and Working Boys' home should be addressed to Mrs. M. E. Threlkeld, 6205 Eaglerock avenue.

NUMEROUS ACCIDENTS ATTENDED AT HOSPITAL

Slight Injuries Sustained by Seven Men in Seven Different Manners

Numerous accidents kept the physicians at the receiving hospital busy yesterday.

P. J. Jackson, 318 1/2 South Spring street, became involved in a fight at First and San Pedro streets and sustained a bruised left eye.

Guy Robinson of the Somerset hotel was worsted in a three-round bout on Main street at 3 o'clock yesterday morning and went to the receiving hospital to have a wound under his left eye dressed.

While feeding sugar to a pet horse in the rear of his home, W. D. Dunham of 808 Temple street was kicked and severely injured by the horse. He was taken to the receiving hospital and later removed to the Good Samaritan hospital.

Joe Moskisko of the St. Charles hotel was stricken with a fit while walking to work at 6:30 o'clock yesterday morning and was removed to the receiving hospital.

C. A. Slocum, 618 East Twelfth street, was taken to the receiving hospital from the Hughes mills at 10 o'clock yesterday morning, suffering with a laceration of the scalp. Slocum says he was passing the mills when he was struck on the head by a negro.

J. Bell, 339 South Bunker Hill street, was seized with convulsions yesterday morning and was removed to the receiving hospital. He was poisoned by eating cantaloupe.

MEXICAN HOLIDAY PARTY NEARLY ENDS IN TRAGEDY

Police Interfere as Table Knives and Dagger Are Ready to Clash

Gathered about a large table in the front room of Jose Caleon's home, 2144 East Eighth street, dining and drinking beer yesterday afternoon, a large party of Mexican men and women were celebrating a holiday when one of the guests became angered at the host and struck him on the nose.

Miss Louise Martinez, realizing that a fight would follow, rushed to a neighbor's telephone and notified Patrolman Glenn. Within a few minutes the officer arrived and was just in time to prevent bloodshed. One of the Mexicans, holding a dagger, was cornered by three others, with table knives. The party was sent to the police station to explain, but as all answered "no sabe" to all questions, they were released.

Municipal League Promotes Scheme to Beautify Grand Avenue and Olive, Hope, Flower and Figueroa Streets

To pave Olive street, Grand avenue, Hope, Flower and Figueroa streets, between Temple and Pico streets, is the proposition upon which the Municipal league has been at work for some time and, according to the latest information, it is considered probable that the scheme will materialize in the near future.

R. W. Reynolds, field secretary of the Municipal league, has been at work for several months on the proposition and securing the consent of the property owners in the district.

His latest report indicates that Olive street owners have practically all signed for the improvement between Temple and Pico streets; and it also shows that a majority of the frontage on Grand avenue is also signed for, while Hope, Flower and Figueroa streets are about half signed for.

Property on these streets, inside the boundaries named, is very valuable and the property owners, in almost every case, according to the men who have made the canvass, signed up willingly.

League Circulates Petitions

For several years there has been talk of paving one or another of these streets, as it was declared the property values justified the improvement, but there was no one to take the lead and do the preliminary work necessary. The Municipal league recognized this state of affairs, as it did the advisability of paving the streets in question, and had the petitions circulated.

Field Secretary Reynolds was entrusted with the work and it has proven an arduous task. It would be easy

enough to make the necessary calls if to property owners lived on the streets, but practically all of them live in different parts of the city, and the secretary has traveled over Los Angeles many times in his efforts to find the owners of the property fronting on these streets.

Most of them were pleased that someone had taken the lead in the enterprise and readily signed for the improvements. The task is almost complete and it is believed that the petitions will be ready for presentation to the council in the near future. The league wants, before presenting them, to secure such a large majority of the frontage that the council can immediately grant the petitions and order the work done as soon as is legal.

One of the principal reasons for paving these streets is to prevent storm water from washing out the streets on the steep hills and covering the paved streets below with a deposit of mud from a foot to two feet deep, as has happened in the past. With the streets paved this trouble will end.
