

OFFICERS WILL STOP COURSING

ARCADIA PLANS TO RESUME PRACTICE

IMPORTANT SALE OF REALTY

City Lockup for Dog Owners Who Do Not Pay License—Los Angeles

Fruit Peddler is Fined. Other News

Pasadena Agency, 114 East Colorado Street.

PASADENA, Sept. 16.—It was only last week that Justice Congdon dismissed the Arcadia coursing case against Henry Lyons because of the repeated non-appearance of the attorneys for both sides. The belief was then prevalent that a tacit agreement had been reached between the Humane society officials and "Lucky" Baldwin and his associates to the effect that the sport would not be resumed providing the prosecution was dropped. Today, however, the matter seems all in the air again. Dr. de Biron's visit to Arcadia yesterday and the tip he claims to have received there that coursing will be resumed Sunday have stirred the local authorities to action.

Acting President S. O. Bowen of the Pasadena Humane society said today: "We shall certainly have officers on the spot Sunday. What we shall do will be determined by the circumstances at the time. If the Arcadia people are going to resume coursing we shall see that the whole matter comes into the courts again and we will push it, too." Constables Austin and Newell have been in consultation with the Humane society people, but will not say just what has been decided upon. There is a belief here that the premature announcement of the Arcadia plans is likely to prevent any further proceedings for the present at least.

Important Realty Sale

One of the largest and most important sales of realty made this summer was announced today. Mrs. C. F. Stambach sells twenty-four acres in the northeast section of the city to George T. Thompson; consideration, \$55,000. Sale made through the W. G. Benedict & Son agency. Mrs. Stambach purchased the tract last winter for \$45,000. The property lies north of Mountain street and between El Molino and Los Robles avenues. It will be immediately platted and put on the market as the Orange Heights tract. Three new streets will be opened through the tract and all street and sidewalk work will be completed before any sales are made.

Peculiar Accident

A young man residing at 123 West Union street suffered a peculiar accident this afternoon at Robertson's automobile store. He was "cranking" his machine quite vigorously when snap went both bones of his left forearm. Dr. Sherry was called and found that the young man had sustained severe fractures of both bones. Automobile owners say that the accident has been reported but rarely. The young man will have some other person start his machine for a time hereafter.

Must Pay Dog Tax

Humane Officer Sherwin today swore out a warrant for C. K. Helotes for not paying his dog license. This is the first of a number of cases which are likely to be begun in the effort to enforce the payment of the dog tax in this city. The society does not intend to go after the dogs this time but the owners themselves. The plan seems likely to bring considerable money into the license fund.

Broke City Ordinance

Edward Gardner, a Los Angeles fruit peddler, paid a fine of \$5 in Judge Woods' court this morning for violating the city ordinance which forbids a street vendor's wagon remaining longer than ten minutes in any one place on the business streets. These dealers have usually kept an eye out for the police and moved when they saw one coming. This time a shrewd officer concealed himself in a neighboring place

Piles Quickly Cured at Home

Instant Relief, Permanent Cure—Trial Package Mailed Free to All in Plain Wrapper

Piles is a fearful disease, but easy to cure if you go at it right. An operation with the knife is dangerous, cruel, humiliating and unnecessary.

There is just one other sure way to be cured—painless, safe and in the privacy of your own home—it is Pyramid Pile Cure.

We mail a trial package free to all who write. It will give you instant relief, show you the harmless, painless nature of this great remedy and start you well on the way toward a perfect cure.

Then you can get a full-sized box from any druggist for 50 cents, and often one box cures.

If the druggist tries to sell you something just as good, it is because he makes more money on the substitute.

Insist on having what you call for. The cure begins at once and continues rapidly until it is complete and permanent.

You can go right ahead with your work and be easy and comfortable all the time.

It is well worth trying. Just send your name and address to Pyramid Drug Co., 247 Pyramid Building, Marshall, Mich., and receive free by return mail the trial package in a plain wrapper.

Thousands have been cured in this easy, painless and inexpensive way, in the privacy of the home. No knife and its torture. No doctor and his bills. All druggists, 50 cents. Write today for a free package.

of business and held his watch on Gardner for twenty-five minutes before arresting him.

Pasadena Brevities
Cooper Ophthalmological club of Southern California will hold a special meeting Thursday evening at Throop Polytechnic institute. The program will be made up of talks on vacation experiences.

Mrs. Gertrude H. Andrews, wife of D. G. Andrews, the North Fair Oaks hardware dealer, died this morning aged 59 years. The deceased was a native of Maine and came to Pasadena five years ago. She leaves a husband and four children.

Rev. F. M. Dowling, pastor of the First Christian church, has traded his property here for a ten-acre ranch at Covina. As Mr. Dowling has been granted a year's leave of absence from his church here on account of ill health it is understood he will spend the time on his new property at Covina.

The Y. M. C. A. meeting tomorrow afternoon will be led by Henry Prinz of Jarvis & Prinz, this city. Special music will be provided, the chief attraction being a tenor solo by W. L. Jones.

Fred H. Jung reported to the police tonight the loss of a Racycle wheel, taken by some one from the Y. M. C. A. building on Raymond and Union.

D. M. Linnard, the indefatigable president of the Pasadena board of trade, who has been sick at a San Francisco hospital for some weeks, surprised his friends by returning home yesterday. He is rapidly recovering his former health, but it still far from well. He announces a number of important building operations to be begun at once at the Hotel Maryland. One of them is a 40x50 addition to the hotel on the west side. The hotel will reopen for the season on September 25.

A Young Woman's Christian Temperance union has been organized in this city, Miss Frances M. Benson being the new president. The organization will meet on the second and fourth Tuesdays of each month. The following superintendents are announced: Flower mission work, Miss Anna K. Duncan; literature, Miss Carol Coman; parliamentary usage, Charles S. Lewis; press, Miss Ketrurah E. Yeo. The next meeting will be held at the home of the president on September 25.

RIVERSIDE NEGRO ACCUSED OF STEALING BICYCLES

Parts of Many Wheels Found in His Tent—Queer Collection of Live Stock

RIVERSIDE, Sept. 16.—Mark Wells, a negro boy of 19, is under arrest for the theft of a wheel from Otis Sheldon. From all indications he will have to face the charge of stealing a number of bicycles. Wells has been living in a tent east of the Gage canal. When arrested there last evening he had in his possession a great array of bicycle parts. There was not a whole bicycle on the place, but enough parts to construct half a dozen. This morning Sheldon identified a pair of wheels as belonging to a wheel which had been stolen from his place a fortnight ago.

Wells had a picturesque lot of livestock on his place, including a dozen chickens and a decrepit horse.

Services will be resumed at All Souls Universalist church tomorrow, Rev. H. E. Benton, the pastor, having returned from his outing spent with his family in Stoddard's canyon.

Riverside will be represented at the University of Southern California this year by Oliver Best, Clarence Critten, Merton O. White, Frank A. Amlis, Glenn Fogelman, Miss Minnie Gaston and Miss Mabel Payton.

ORANGE HIGH SCHOOL FORMALLY DEDICATED

Immense Crowd Attends Opening Exercises, President Millsbaugh Giving Address on "Education"

ORANGE, Sept. 16.—Over 600 people thronged the new high school building last evening, the occasion being the dedication exercises. The auditorium has a seating capacity of 500, but early in the evening every seat was taken and many were compelled to stand.

The Orange orchestra furnished the opening number of the program. The presiding officer of the evening was G. H. Toothaker, president of the board of trustees. After a violin solo by James Rice of Tuslin a number of short addresses were given.

The speaker of the evening was President Millsbaugh of the Los Angeles normal school, whose discourse on "Education" was excellently received. At a recent meeting of the board of trustees the estimate of \$9000 was agreed upon and adopted as the amount to be certified to the county superintendent as that to be raised for the expenses of the high school for the ensuing year.

School opened last week with an enrollment of 112 pupils, more following throughout the week. The district embraced is a large one and is growing at a rapid rate.

IS ORDERED TO INDIA FOR MILITARY OBSERVATIONS

By Washington Press.

WASHINGTON, Sept. 16.—Major General Arthur MacArthur, who has been the senior United States military attaché with the Japanese army, will not return immediately to this country, having received orders to travel to India for the purpose of inspecting the British military forces in that country. In view of the fact that General MacArthur is expected to succeed General Corbin next year as chief of staff, it is the desire of the president that he shall receive every opportunity to observe modern military methods and campaigns.

PLAN NEW LINE FOR SAN DIEGO

LOS ANGELES MEN MAY BUILD SUBURBAN LINE

WOOD'S SUCCESSOR ELECTED

County Tax Rate to Be Fixed by the Board of Supervisors at Its Meeting

ing Next Monday—Harvest Reports Excellent

Special to The Herald.

SAN DIEGO, Sept. 16.—The announcement is made that Los Angeles capitalists are planning to construct and operate a suburban electric road from San Diego eastward along the La Mesa boulevard to Lemon Grove, and beyond that point, possibly to El Cajon valley. Options have been secured on a large amount of land lying along the boulevard, and the advance in the value of this property will largely pay for the construction of the line. The names of the Los Angeles people are not positively known, but the Hooks and H. A. Howard are among those interested.

At yesterday afternoon's meeting of the board of directors of the chamber of commerce the resignation of Secretary H. P. Wood was finally accepted and Supervisor James A. Jasper was unanimously elected to the position. Resolutions of regret at the resignation were passed by the board of directors and it is understood that a banquet will be tendered Mr. Wood before he leaves. Mr. Jasper has been a member of the board of supervisors for many years.

Will Attend National Convention

San Diego members of the W. C. T. U. are planning already to attend the national convention to be held in Los Angeles the latter part of next month. They propose to secure a hall for headquarters and to keep open house during the convention.

The county tax rate will be fixed by the board of supervisors at its meeting on Monday. The rate for state and county taxes will be \$1.65, which will raise for the state and county purposes, \$360,441. The road tax rate on outside property will be 60 cents, which will produce \$52,940. There will be special school taxes to meet bond redemptions and interest in eleven districts. For the maintenance of high schools \$28,000 will be raised, and for special purposes in school districts \$4850 will be required.

OCEAN PARK COMMENT

Municipal League Abandons Effort to Raise Fund for Band

OCEAN PARK, Sept. 16.—After having exhausted every means within its power in an effort to induce property owners to guarantee a permanent fund for the maintenance of a band, without which it is claimed property values will show a decided falling off, the Municipal league has practically washed its hands of the matter and after tomorrow, the date on which the present annual contract expires, the daily concerts will be discontinued. At a meeting of the league held last evening Secretary Rennie reported that a thorough canvass of the district resulted in subscriptions aggregating \$10,000 annually being promised, but that \$19,000 at the lowest estimate would have to be forthcoming to warrant the league taking favorable action, and that there was no likelihood of the amount being raised.

H. C. Wyatt, who is located here with his family during the building and furnishing of the new opera house building, was today presented with a young heir. Wyatt, Jr., and his mother are both reported as doing nicely.

PRESIDENT MAKES NEW FOREIGN APPOINTMENTS

By Oyster Bay Press.

OYSTER BAY, Sept. 16.—President Roosevelt today made some changes of importance in the diplomatic and consular service. He received a few days ago the resignation of Archibald J. Sampson, American minister to Ecuador, and he accepted it, to be effective at the conclusion of Minister Sampson's leave of absence, which will expire the latter part of October. Minister Sampson is now in this country. His home is in Arizona. To succeed Mr. Sampson the president today appointed Joseph W. Lee of Maryland, at present American consul at Panama. Howard D. Vanzant of New Jersey, American consul at Guelph, Ontario, has been promoted to be consul at Kingston, Ontario, and Alex Heingartner of Ohio, until recently consul at Trieste, Austria, has been appointed to be consul at Guelph. The Trieste consulate was filled several months ago.

President Roosevelt spent most of the day in and about Sagamore Hill. No visitors were received.

FALSE THEORIES

Lead to Worthless or Harmful Remedies

Stimulating the scalp may allay the itching of the dandruff, but that does not cure the scalp. The disease won't yield to quinine or capsicum or alcohol, because it is caused by a germ or parasite. To cure dandruff the germ must be destroyed. Until recently there was no hair preparation, or dandruff cure, or hair restorer on the market that would kill that insidious germ that dries up the scalp in little scales called dandruff, and absorbs the vitality of the hair, causing falling hair, and finally baldness. Newbro's Herpicide is the only really scientific preparation to cure dandruff, prevent falling hair and baldness. Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich.

SOMETHING DOING

The 5th Street Store

Broadway & Fifth Los Angeles California

Opening Forecast

In a few days this store will open its doors, thereby adding to the long list of good stores already here, the lightest, brightest, best arranged, best equipped and best stocked of them all. It's an event of supreme importance. It means a place where you can buy cheaper and with more satisfaction than heretofore. The Opening will be a purely commercial event—much there will be of a social nature, much to delight, interest and instruct; much to see, to admire and to wonder at—but the one impression we want this Opening to make, the single conviction that we want to force home and clinch, is the fact that at the 5th Street Store

Good Merchandise is sold cheap and that superior surroundings, more store conveniences and courtesies, and better service are thrown in by way of good measure

The merchandise offerings for the Opening Day will all amply demonstrate this fact, and every business day hereafter will emphasize it. A personal contact with all the sensational merchandise events in later years in this city qualifies us to positively state that nothing in Los Angeles retailing will approximate in value giving this Opening Sale.

There will be "souvenirs," of course, novel and attractive; prized alike by men, women and children; music and various other attractions; but best of all, opportunities at every hand, from basement to top floor, to save a lot of money. Watch the papers and windows for date of Opening and fuller particulars.

Steele, Faris & Walker Co.

PATTON STATE ASYLUM HAS DANGEROUS BLAZE

FIRE STARTED BY PATIENTS IN HAY BARN

Murder of Romero Silvas in Drunken Row Up Before San Bernardino Court—Mexican Independence Day Being Celebrated

SAN BERNARDINO, Sept. 16.—The Southern California state hospital at Patton last evening had a narrow escape from a disastrous fire. It is supposed to have been started by patients throwing matches about the large hay barns, and it was only by the hardest efforts that the stables and other buildings were saved from destruction. The loss will be close to \$2000.

The murder of Romero Silvas, which occurred last January, is to be fore today by the holding of the preliminary examination of Antonio Galindo, who is charged with the crime, before Justice J. B. Hanna. The murder is said to be the result of a drunken row in one of the Declez wineries, and there is said to be plenty of evidence to connect Galindo with the crime.

The death in Los Angeles last night of Mrs. G. W. Tape, wife of Dr. G. W. Tape of the Arrowhead Hot Springs hotel of this city, was a great shock to her friends in this city, few of whom knew she was ill. Her death was caused by appendicitis, for which she was operated on last Saturday. She was 40 years of age.

SOUTHERN PACIFIC GETS ADDITIONAL FRANCHISE

Right of Way Also Granted by Santa Barbara in Exchange for Water Frontage

Special to The Herald.

SANTA BARBARA, Sept. 16.—Two ordinances, one giving the Southern Pacific company a franchise for a spur track to the railroad wharf and the other giving the right of way for a sewer on Carpenteria street, were passed by the city council last night. These ordinances were introduced in connection with the acquisition by the city of the Southern Pacific company's rights to the water front south of the east boulevard and were a condition of the transfer.

Another ordinance was passed dividing the city into ten election precincts. The voting has heretofore been cast by wards, but the vote is now too heavy to be so handled and three extra precincts have been added. This conforms with the county division.

An accident at the freight yards last evening at about 6 o'clock disabled two locomotives, two of the engine men having narrow escapes. Engineer Davis of No. 1079 was the only one injured and a sprained ankle is the extent of his hurts.

RENEW HIS YOUTH

Sawtelle Veteran Carries Off Prize for Graceful Dancing

Special to The Herald.

SAWTELLE, Sept. 16.—William Dusenbury, an active veteran of Sawtelle, won a prize of a handsome blue silk standard given at Huntington Beach for the most graceful dancer. The contest took place at the pavilion at Huntington Beach, and nearly all the veterans and women of the auxiliary at Camp Sikes entered.

Constable J. P. Keener has a broken nose and a pair of blackened eyes as a result of meeting John Sauter last Thursday evening. Keener saw the man loitering along in a suspicious manner carrying a bundle, and thought his actions sufficiently suspicious to warrant an inquiry. He tapped the fellow lightly on the shoulder and was felled by a blow with a heavy bottle. Sauter was arrested and taken to Santa Monica.

Charles Mudge and wife returned this week from San Francisco.

Mrs. Anna Walt of Kansas, who has been attending the Portland exposition, visited Mrs. Laith of Sawtelle this week.

They had been previously married twenty-two years ago, and had lived together a long time, two children being born to them, but they were subsequently divorced, and the woman married another man, who has since died.

The groom is 64 years old and has acquired the title of "mayor of Cactus Flat" by being the sole resident of that freighting station on the desert. He is known to every miner who frequents the district in which he lives and postmaster of Doble, a camp near his water station at Cactus Flat.

LONG BEACH MEN NEARLY DROWNED IN SAN GABRIEL

Ed Wiseman Sinks Twice Before Being Saved by Companion, Who Swims Out From Shore

Special to The Herald.

LONG BEACH, Sept. 16.—While bathing in the San Gabriel river today Ed Wiseman and W. Cowan, two well-known Long Beach young men, had a narrow escape from drowning. They are both strong swimmers, but swam out too far and were caught in the ebb tide. Two companions swam to the rescue of the drowning men. Cowan was rescued before he had lost consciousness, but Wiseman had sunk twice and was just going down for the third time as David Vieley caught hold of him and struggled to shore with him. Don Fenton rescued Cowan.

SANTA ANA BREVITIES

Walnut Crop Reported as Likely to Be Below the Average

Special to The Herald.

SANTA ANA, Sept. 16.—The Santa Ana Valley Walnut Growers' association will open its packing house for business on October 1. The crop this year is uncertain and estimates vary as to what it will be. The general opinion is that it will fall short of a normal crop by about 25 per cent.

Suit for divorce was filed today by Mrs. Mary Collins against W. S. Collins of the Newport Beach company.

Mrs. S. M. J. Brown of Tuslin is visiting with Los Angeles friends.

Mr. and Mrs. A. C. Bowers are at the Portland fair for a three weeks' stay.

J. H. Smith of Portland is visiting here with his mother, Mrs. J. N. Smith.

Mrs. M. Nilsson returned last night from a visit to the Portland fair.

Mrs. C. R. Titus and family have been visiting in Long Beach and Los Angeles for the past week.

Judge Z. B. West and family are home from a vacation spent in Northern California.

ELSINORE PERSONALS AND SOCIAL COMMENT

Special to The Herald.

ELSINORE, Sept. 16.—A surprise party was given Friday evening to Miss Jessie Chamberlin at her home on Main street, about twenty of her young friends being present.

Mrs. Ed Varnum and daughters, who

What Sulphur Does

For the Human Body in Health and Disease

Special to The Herald.

The mention of sulphur will recall to many of us the early days when our mothers and grandmothers gave us our daily dose of sulphur and molasses every spring and fall. It was the universal spring and fall "blood purifier," tonic and health-giver, and, mind you, this old-fashioned remedy was not without merit.

The idea was good, but the remedy was crude and unpalatable, and a large quantity had to be taken to get any effect.

Nowadays we get all the beneficial effects of sulphur in a palatable, concentrated form, so that a single grain is far more effective than a tablespoonful of the crude sulphur.

In recent years, research and experiment have proven that the best sulphur for medicinal use is that obtained from Calcium (Calcium Sulphide) and sold in drug stores under the name of Stuart's Calcium Wafers.

They are small chocolate coated pellets and contain the active medicinal principle of sulphur in a highly concentrated effective form.

Few people are aware of the value of this form of sulphur in restoring and maintaining bodily vigor and health; sulphur acts directly on the liver and secretory organs and purifies and enriches the blood by the prompt elimination of waste material.

Our grandmothers knew this when they dosed us with sulphur and molasses every spring and fall, but the crudity and impurity of ordinary flowers of sulphur were often worse than the disease and cannot compare with the modern concentrated preparations of sulphur, of which Stuart's Calcium Wafers is undoubtedly the best and most widely used.

They are the natural antidote for liver and kidney troubles and cure constipation and purify the blood in a way that often surprises patient and physician alike.

Dr. R. M. Wilkins, while experimenting with sulphur remedies, soon found that the sulphur from Calcium was superior to any other form. He says: "For liver, kidney and so-called blood 'purifiers,' I have repeatedly seen them dry up and disappear in four or five days, leaving the skin clear and smooth. Although Stuart's Calcium Wafers is a proprietary article and sold by druggists, and for that reason tabooed by many physicians, yet I know of nothing so safe and reliable for constipation, liver and kidney troubles and especially in all forms of skin diseases as this remedy."

At any rate people who are tired of pills, cathartics and so-called blood "purifiers," will find in Stuart's Calcium Wafers a far safer, more palatable and effective preparation.
