Lon McDonald, who drove Miss Abell and Sadie Mac when they won Futurity honors, is quoted as saying that he considers Miss Abell the speedier of the two.

Dr. Frank Pierce of Albuquerque has purchased the trotter, Master Delmar, 2:16, from W. A. Clark, Jr.

It is reported that James Rennie, manager and superintendent of the Stanford ranch at Vina, has resigned. The resignation revives the rumor that the immense tract included on the ranch is to be cut into ten-acre tracts and sold to eastern agriculturists.

The board of appeals of the American Trotting association will meet December 2 at the Auditorium hotel, Chicago. Applications and evidence must be presented to Secretary W. H. Knight by November 18.

SPECIAL TO THE HERALD. PASADENA, Oct. 28.—The Pasadena high school eleven defeated the Long Beach high school eleven at Tournament park this afternoon by the score of 11 to 5.

The visitors played an uphill game throughout and had it not been for a costly fumble in the second half and a Long Beach player's quickness in snatching the ball and making a dodging run the length of the field for a touchdown would have gone back to the beach with a shut-out to their credit.

The Pasadena lads put up a brisk fight from the start and showed their superiority by running up ten points before time was called. In the second half they looked upon the game as already won and allowed the Long Beach team to score. The attendance and enthusiasm were highly satisfactory to the local football boosters.
