Houses
FOR SALE—WESTLAKE RESIDENCES WITH VERY FINE LIVING ROOMS.

We have a number of different residences for sale in the Westlake section, somewhat similar in size and construction, houses all containing nine rooms, finely built homes and very fine appearing.

ABOUT THE LIVING ROOM.
While the living rooms in each of these houses are not exact duplicates, they are so much alike that this one description will give you a correct idea of all of them. They are finished in antique oak, paneled five feet high, with a beautiful wood-paneled ceiling, large circular bay window, very handsome old gold brick mantel, woodwork of which is ornamented with burnt design. Set in one of the panels of the mantel is a painting of the Santa Barbara Mission, which adds much to the beauty of the mantel; the fixtures are in mission style; a very attractive room and one that would appeal to almost everyone looking for a home.

Each of the houses has an oak entrance, with art and plate glass windows; floors downstairs are hard wood; upstairs rock maple built-in window seats and cozy corners and very fine buffets; beamed ceilings and paneled walls. Gracious and nicely made up. You will be surprised at the low figures we can quote you on every one of these residences. The locations are: 1036 Alvarado, 1032 Alvarado, 1148 Magnolia, 1144 Magnolia. When you are out today, make a point to go around and see these houses.
