

OREGON DELEGATION ATTENDING CONVENTION

On Delegation: From Left to Right, Mrs. S. E. Hyde, Mrs. S. A. Downing, Mrs. Lizzie E. Norris, Mrs. J. H. Additon, State Treasurer, Mrs. Lucia H. F. Additon, State Treasurer, Mrs. A. C. Marsters, Recording Secretary, Mrs. Henrietta Brown, Corresponding Secretary

if the proposed change in the constitution and by-laws had been carried.

Only One Change

By the time the name of each of the other officers had been given to the convention the favorites were almost hidden beneath the flowers brought as tributes. Mrs. Stevens received a pine tree from her state association of Maine. Seven envelopes were sent up, each fastened to a branch with white ribbons and containing \$1 for a year's subscription to the Union Signal, of which Mrs. Stevens is the editor in chief.

The one change in the list of officials came in the afternoon session when Miss Margaret Wintringer was elected to fill the position of general secretary of the Loyal Temperance Legion in place of Mrs. Helen G. Rice of Boston. Mrs. Rice is a quiet little woman who is wrapped up in the children and many feel that it is a pity to lose her, while they still have all faith in the ability of Miss Wintringer. Miss Wintringer is from Indiana and the Indiana women are most energetic. Last year they were instrumental in placing Mrs. Harriet Wright Brand in the office of national treasurer, and this year their efforts have been to secure the secretaryship of the L. T. L. for Indiana.

The names were placed in nomination by ballot and the vote for Mrs. Rice and Miss Wintringer was close. Mrs. Culla J. Mayhiner at once moved that the convention proceed to the vote, and the result was a small majority for Miss Wintringer. The new secretary from Indiana has for several years been editor of the Crusader Monthly, the official paper of the L. T. L.

Patrolman Shows Great Bravery

Miss Cora E. Seberry was re-elected national secretary of the Y. W. C. T. U., and on behalf of the Y's all over the country Miss Emma Toft, the state secretary, presented a beautiful white ostrich fan and bouquet of flowers to her. Miss Seberry is ill, and the assistant national secretary, Miss Thomas, received the gifts for her. A souvenir speech was also presented to Miss Thomas.

Several men braved the glance of those many women yesterday and two were especially brave. The women learned that Patrolman Banks, who has been stationed outside the door of the church since the opening of the convention, is to have a new beat and they wanted to say goodbye. Officer Banks was induced to come to the platform and Mrs. Stevens introduced him in his buttonhole and as he was leaving the platform Mrs. Stevens asked the knot of white ribbon. "Are you one of us?" she asked.

Startles His Hearers

The doctor's speech was, to say the least, startling. "Ladies, in years gone by the women of Colorado were the superiors of men. Today they are the equals."

This from the husband of the Colorado W. C. T. U. president!

"My!" was the exclamation which escaped from several of the women who heard.

"What will she do to him when she gets him home?" said another.

Parliamentary drill after the fashion of the old spelling matches was conducted by Mrs. S. A. Benjamin of Michigan. Mrs. Stevens introduced Mrs. Benjamin as the circus master and the performers were chosen by Mrs. Katherine Lent Stevenson of Massachusetts and Mrs. Frances R. Beauchamp, two of the brightest women of the convention.

They were the captain and they chose sides, with six on a side.

On the old plan of "spell 'em down" Mrs. Benjamin asked questions, and the brightest women of the convention, for when the gavel called time every woman was still on her feet.

W. C. T. U. WOMAN TAKES RAP AT STERN PARENT

Discusses Foreign Sisters Platform Night at Great Convention and Striking Addresses

Last night was platform night at the W. C. T. U. convention, and addresses of unusual excellence were given. Perhaps the most striking was that of Miss Belle Kearney, national organizer of the W. C. T. U., her topic being "Shadows and Sunlight Across the Sea."

Miss Kearney said in part: "The status of woman in different countries is a very interesting study. I had an excellent opportunity to observe the place of woman in the national life of the several nations when I went around the world."

The German woman is at her best in the guise of a 'hausfrau,' the home maker. She makes an ideal mother and has a high sense of duty. But her place in the affairs of the nation is a limited one, and although the women of Germany are perhaps the most highly educated women in the world, they do not have the opportunities to use their knowledge in the professions as a woman can in America.

Then the French woman. No doubt she is the most domestic creature on earth. Her province is in her home and beyond that she has no ambitions.

"The Russian woman is coming forward faster than the woman of any other race. She goes to the universities of Germany and learns her profession and works in Russia for the betterment of her people."

"The women of Egypt are less intelligent than the men for this reason: The Egyptian man has been told from time immemorial that she has no soul until finally she has accepted this doctrine. The people of Egypt are temperate and religious, but that belief in regard to their womanhood has not tended to develop any of the qualities of greatness in her."

An interesting address was made by Mrs. Margaret Dye Ellis, national superintendent of legislation, on "Legislation at the National Capital." An original temperance song by Mrs. Katherine Lent Stevenson, president of the W. C. T. U. in Massachusetts, was sung by Mrs. Frances W. Graham, national music director of the W. C. T. U. The complete program follows:

Solo—"America." Reading of scripture—Miss Kathryn S. Sawyer, Illinois, state Y secretary. Prayer—Mrs. Lucia F. Additon, president Oregon W. C. T. U. Address—"Individual Responsibility for Law Enforcement," Mrs. Adrianna Hungerford, president Colorado W. C. T. U. Solo—"The Choir Invisible," by Miss Julia Scott. Address—"Legislation at the National Capital," Mrs. Margaret Dye Ellis, national superintendent legislation. Music—"Long Beach Ladies' quartet. Address—"Shadows and Sunlight Across the Sea," Miss Belle Kearney, national organizer. Collection. Solo—Selected, Mrs. Frances W. Graham, musical director, national W. C. T. U. Benediction. Prayers.

New Style Regals

Fall and Winter models ready in our new store, 302 South Broadway, Bradbury Building. *We Had to Open It.* Our old location at 222 W. 3rd was too small; although we had a long lease, we had to get larger quarters.

We shall now be able to give prompt attention to every customer and inquirer for some time to come.

A very large percentage of the men of Los Angeles are wearing Regals already.

They are wearing SIX DOLLAR SHOES, but they bought them at the wholesale price.

They are wearing shoes that in London would be recognized as duplicates of Thomas' costly models.

They are wearing shoes that fit them as well as Thomas himself could fit them for \$18 a pair made to order.

Regal quarter sizes have eliminated the last point that gave the high-cost made-to-order shoes the least shadow of superiority.

Los Angeles people took to Regal style from the first—and they are getting their money's worth of all the other shoe qualities, too.

NOBODY IS EXEMPT

A New Preparation Which Everyone Will Need Sooner or Later

Almost everybody's digestion is disordered more or less, and the commonest thing they do for it is to take some one of the many so-called blood purifiers, which, in many cases, are merely strong cathartics. Such things are not needed. If the organs are in a clogged condition they need only a little help and they will right themselves. Charlatans irritate the sensitive linings of the stomach and bowels and often do more harm than good.

Purgings is not what is needed. The thing to do is to put the food in condition to be readily digested and assimilated. Stewart's Dyspepsia Tablets do this perfectly. They partly digest what is eaten and give the stomach just the help it needs. They stimulate the secretion and excretion of the digestive fluids and relieve the clogged condition of the glands and membranes. They put the whole digestive system in condition to do its work. When that is done you need take no more tablets, unless you eat what does not agree with you. Then take one or two tablets; give them needed help, and you will have no trouble.

It's a common-sense medicine and a common-sense treatment, and it will cure every time. Not only does the disease but cure the cause. Goes about it in a perfectly sensible and scientific way.

We have testimonials enough to fill a book, but we don't publish many of them. However, Mrs. E. M. Pahl, of Byrd's Creek, Wis., says:

"I have taken all the tablets I got of you and they have done their work well in my case, for I feel like a different person altogether. I don't doubt if I had not got them I should have been at rest by this time."

H. E. Willard, Onslow, Iowa, says: "Mr. White of Canton was telling me of your dyspepsia tablets curing him of dyspepsia, from which he suffered for eight years. As I am a sufferer myself I wish you to send me a package by return mail."

Phil Brooks, Detroit, Mich., says: "Your dyspepsia tablets cured me of dyspepsia, from which I suffered for years from dyspepsia, but am now entirely cured and enjoy life as I never have before. I gladly recommend them to all who are troubled with dyspepsia. It will cost you to find out just how much Stewart's Dyspepsia Tablets will do for you. Try them."

TO WARN JAPS OF FAN TAN

K. Weigman Says Fellow Countrymen Lose Their Money Gambling in Chinatown

K. Weigman, secretary of the Japanese Association of Los Angeles, appeared before the police commission yesterday morning and pleaded with that body to do something to stop the fan tan games in Chinatown, in which he said a number of his countrymen were being ruined.

"I was in one of these joints a few nights ago and there were at least forty Japanese, besides many Chinese, and there were fan tan games all around," said Weigman.

The mayor and members of the commission expressed mild surprise that there was gambling of any kind in any part of the city and directed questioning looks at Acting Chief Auble.

"I have instructed the officers in Chinatown to allow no Japanese to patronize these fan tan games if they could keep them out," said the acting chief in answer to the looks.

The Japanese will have their big celebration November 3, the anniversary of the emperor's birth and many Japs will come in from the country to take part in the celebration. It is the plan of Secretary Weigman to save as many of these unsophisticated countrymen from the wiles of fan tan as he can, and to that end he asked that some of the Japanese who have been guilty of gambling be arrested and made an example of. The mayor advised him to co-operate with the chief in securing evidence.
