

THE PLAN FOR IMPROVEMENT

EAST PASADENA RESORT TO KILKENNY TACTICS

Automobile Drivers Fined for Speeding—Throop Talks of Dropping Football—Other News

PASADENA, Dec. 8.—The meeting of the East Side Improvement association last evening fully came up to the expectations of those who looked for a heated discussion.

A motion to include in the proposed boundaries seeking admission the territory as far east as the arroyo wash, just west of the Baldwin ranch, was considered.

Advocates of the two plans grew somewhat bitter in their remarks and today it is freely reported that rather than compromise or yield a point the entire plan will be buried out of sight.

CHICAGO HAS SECURED A LEASE OF THE LOUVE OPERA HOUSE UNTIL JULY 1 AND WILL ENDEAVOR TO PROVIDE HIGH CLASS THEATRICAL ATTRACTIONS FOR THE WINTER.

FOOTBALL WINS VICTORY

Intercollegiate Conference Defeats a Resolution to Abolish Game and Favors Governing Committee

NEW YORK, Dec. 8.—The advocates of intercollegiate football won a victory at the conference of thirteen colleges and universities in this city today, when an amended resolution declaring that the game should not be abolished, but should be reformed, was carried by a vote of 15 to 8.

Chancellor McCracken of New York had first introduced a resolution declaring that the sport should be done away with, but an amendment was promptly offered by Lieut. Col. Robert Howse of West Point, and the amendment was carried.

A committee composed of representatives of Columbia, West Point and New York university was appointed to draw up a plan of reform, and later submitted three different propositions, which the conference finally merged into the following and adopted by a large majority:

Resolved, that this conference favors the appointment of a rules committee to govern football to be appointed by these institutions annually and to be responsible to the appointing bodies.

Resolved, that an invitation be sent to the colleges and universities that are active in football to appoint annually delegates, one from each institution, who shall elect each year a committee of eleven members to formulate rules for the government of the game.

Resolved, that no one is eligible as a delegate to the conference who has received compensation by reason of his connection with athletics, whether as a player, coach, umpire, referee, director, committeeman or in any other capacity, excepting a member of a faculty of a college and regularly enrolled in the catalogue.

The delegates are invited to meet in this city December 28.

It was ordered that the rules committee be requested to make such changes as would increase the number of players and make certain the detection of foul or brutal play.

The conference also suggested that football between school boys' teams should be prevented by the educational boards, owing to the immaturity of the players.

Resolved, that no one is eligible as a delegate to the conference who has received compensation by reason of his connection with athletics, whether as a player, coach, umpire, referee, director, committeeman or in any other capacity, excepting a member of a faculty of a college and regularly enrolled in the catalogue.

WILL WORK FOR NEW UNIVERSITY

BAPTISTS REACH IMPORTANT DECISION

Southern California Convention Closes at San Bernardino—Hope to Have Institute Under Way in Side of a Year

SAN BERNARDINO, Dec. 8.—This was the closing day of the Southern California Baptist convention proper, though many of the delegates will remain for Saturday and Sunday to attend the state convention of the Baptist Young People's Union.

An important decision reached by the convention in the matter of establishing a Baptist university in Southern California was the appointment of a committee of fifteen on Christian education to act jointly with the board of trustees of the Los Angeles university in paying off the \$32,000 indebtedness on the site in Los Angeles the coming year, putting into operation such plan as they may deem wise for the raising of the funds for this, and for establishing of an endowment fund at once, and report to the convention next year.

It is the confident hope that in one year from date the Los Angeles university, as a Baptist educational institution, will be a reality. The committee is composed of the following: D. K. Edwards, Richard Green, Dr. R. Chester, Rev. C. E. Pierce, Robert Hale, W. B. Curtis, G. P. Fallon, M. A. Pierce and T. C. Roseberry of Los Angeles; Rev. A. H. Smith, T. S. Tompkins and C. H. Barber of Pasadena; Rev. J. L. Seaman of Long Beach; Carew R. Smith of Santa Ana, J. W. Curtis of San Bernardino.

The officers elected for the coming year are considered as especially strong by the convention delegates. They are: President, Rev. W. B. Hinson of San Diego; first vice president, J. W. Curtis of San Bernardino; second vice president, Rev. C. J. Banks of Paso Robles; clerk, Rev. G. Taylor of Sawtelle; assistant clerk, Rev. L. A. Gould; directors, Rev. C. C. Pierce of Los Angeles, Capt. T. J. Lawler of Riverside, Rev. J. H. Garnett, D. D., of Santa Ana, Prof. Melville of Los Angeles, Rev. G. A. Cleveland of Los Angeles; vice president of Pacific Coast Baptist Theological Union, Rev. A. W. Phelps of Los Angeles.

Wedding Creates Surprise

San Bernardino people were considerably surprised this morning to learn of the marriage of Mrs. G. A. Hemler and Dr. Julius Romna, both of this city.

In Pasadena last night, where they will make their home in the future, it has been reported that the bridegroom's home in Pasadena has been a beautiful one.

The bride has been a resident of this city for the past ten years and is well known here, in Colton and in Pasadena, and is regarded as one of the most beautiful and charming women in this city.

The bride was for many years a well known nurse in Los Angeles and met her present husband in Tucson when she was there engaged in a hospital where he was a patient.

She is one of the two young nurses from Los Angeles who volunteered their services to the government about two years ago when the smallpox scourge broke out in Sherman Institute among the Indians.

She remained bravely throughout that epidemic and aided in caring for the nearly 100 cases.

DELAYS ESTATE SETTLEMENT

Suit Brought by the Heirs of Jacob Gruendke Postpones Final Action

SAN DIEGO, Dec. 8.—Complications have arisen in the settlement of the Jacob Gruendke estate, valued at close to a million.

One of the heirs has asked for a distribution of the estate, and the petition was to have been heard today, but the suit brought by Oscar Trippett, the executor of the estate, against the government to avoid the payment of the inheritance tax is apt to delay settlement for some time to come.

ATHLETICS ARE PROFITABLE

ANN ARBOR, Mich., Dec. 8.—The University of Michigan Athletic association netted \$27,000 profit on the 1905 football season.

TO HOLD BOND ELECTION

Santa Monica Citizens Will Vote on Fifteen Thousand Dollar Issue Today

SANTA MONICA, Dec. 8.—All is in readiness for tomorrow's school bond election, when a bond issue to the extent of \$15,000 will be voted on.

The local bond issue is an extraordinary one, as \$50,000 was voted for school purposes less than six weeks ago. The extra \$15,000, it is claimed, will warrant the school board in contracting for brick structures instead of frame as was originally intended.

The board of freeholders met in special session last evening, when a most satisfactory report from the special committee was rendered. To date the board has worked in perfect harmony, no point having arisen to move them momentarily delay the work in hand.

The charter is almost completed and will again receive the attention of the board as the body tomorrow evening.

The local series of Eagles held its semi-annual business meeting last night, when officers were elected for the ensuing term as follows: J. Makin, president; F. Bungay, vice president; H. H. Bungay, past president; J. M. Keen, secretary; J. B. Green, treasurer; Ralph Stimson, chaplain; J. Forsythe, conductor; J. Bowland, inside guard; J. A. Davis, outside guard; C. N. Green, L. E. Beckley and C. S. Beck, trustees; W. H. Kiger, pianist.

The treasurer's report showed the lodge to have received \$965.91 in dues during the six months and a balance on hand of \$368.49.

A contract for building an addition to the Windward avenue (Venice) pier has been awarded to G. W. Bell by the Abbot Kinney company. The contract price is given at \$7095.

VETERANS HOLD ELECTION

Naval Association Chooses Leaders. Uncle Sam's Christmas Present Will Be \$100,000

SOLDIERS' HOME, Dec. 8.—Hopkins squadron No. 11, United States Naval Veterans, have elected the following officers for 1906: Charles D. Falconer, captain; John M. Hoza, commander; Thomas Turner, lieutenant commander; Thomas Rogers, ensign; William Decker, paymaster; Richard Devine, secretary; William Morrison, surgeon; Tim Sullivan, chaplain; Nicholas Pansy, boatswain; Al Smith, master-at-arms.

The latest deaths are: James M. Bird, company L, First New Mexico cavalry; Charles Blackburn, company F, Tenth Wisconsin infantry, aged 75 years.

Maj. Cochrane distributed about \$8000 for salaries of officers and extra duty men, and about December 12 will handle about \$100,000 of Uncle Sam's regards to his country's saviors for pensions for the quarter, most of it in cash and balance in checks.

NURSE MARRIED AT YUMA

Pretty Romance of Hospital Culminates in a Wedding With Former Patient

SAN BERNARDINO, Dec. 8.—A romance of two years' standing culminated Wednesday at Yuma when Miss Harwood of this city and George T. Fisher of Tucson, Ariz., were united in marriage.

The bride was for many years a well known nurse in Los Angeles and met her present husband in Tucson when she was there engaged in a hospital where he was a patient.

She is one of the two young nurses from Los Angeles who volunteered their services to the government about two years ago when the smallpox scourge broke out in Sherman Institute among the Indians.

She remained bravely throughout that epidemic and aided in caring for the nearly 100 cases.

FIRE DESTROYS PASTOR'S HOME

PARSONAGE AT HOLLYWOOD IS BURNED

Owing to Insufficient Water Pressure and Lack of Apparatus, Residence of Rev. John Hay Is Total Loss

HOLLYWOOD, Dec. 8.—The parsonage of the Christian church, 32 South Wilcox avenue, was totally destroyed by fire this afternoon at 4:30 o'clock. The fire started by an explosion of a gasoline tank on the kitchen porch.

The house, which was built less than a year ago, at a cost of \$3000, was an eight-room, two-story affair, located about twenty feet from the Christian church and the same distance from the residence of Mr. Kimball.

The fire being in the close vicinity of the business district, volunteer firemen were able to save the greater part of the furniture of Rev. John Hay, pastor of the church. However, most of Mr. Hay's library and the contents of the rooms over the kitchen were lost.

Because of the insufficient water pressure and lack of suitable hose it was impossible to control the fire in the house in any way, so all efforts were concentrated in the saving of the church and the adjoining residence.

That there is need of a fire department in Hollywood has been clearly shown by the record of the past week. There have been three fires, one at Mrs. Blondeau's Saturday evening, and one at the J. R. Newberry Grocery Co. on all during the same evening, and the fire of tonight. The damage done would have more than paid for an engine and equipment, such as would give this city ample protection.

The water service must also be improved, as the pressure this evening was so small that from a number of hydrants there was not sufficient force to send a stream three feet from the nozzle.

A laughable incident occurred this afternoon when the excitement was at its height. An automobile was sent to the Wilcox hall to bring the chemical extinguishers. After they were loaded in great haste an attempt was made to start the auto, but it refused to work. Instead of going forward the auto backed and at last stuck, so that it was impossible to move it.

WANT WATER MAIN BIDS

San Diego Board of Public Works Orders Advertisement for Improvements

SAN DIEGO, Dec. 8.—At the meeting of the board of public works the clerk was ordered to advertise for bids for replacing the Thirtieth street water main with new pipe, according to the provisions of the recent bond issue, and in compliance with the order of the council.

The members of the board want the improvement done at once in order that the new main, which is a feeder for a large portion of the city, will be in place and in use by the time the supply from the Southern California Mountain Water company's system is turned on in May.

TWO TEAMS TIED FOR HONORS

NEW YORK, Dec. 8.—With two teams now tied for the lead, the riders in the six-day bicycle race at Madison Square garden were conserving their energies tonight for the final spurts tomorrow, which will decide the winners of the seven capital prizes at stake. In the early hours this morning, Root, of the Root-Folger team, led a sprint which ended by his overtaking the lead of the Bedell brothers.

The Water You Drink

May contain germs of TYPHOID FEVER, the MILK which the dairyman sells you may contain germs of TUBERCULOSIS, but your beer has been cooked and boiled sufficiently to kill any possible germs in it. As to purity BEER IS MORE RELIABLE THAN WATER OR MILK.

Contains about 10 per cent of solid matter derived from the starch of barley, converted into malt sugar. It is, therefore, of nutritious quality, especially wholesome to persons with weak digestive organs.

Frequently prescribe beer to consumptives and anaemic persons, because of its nutritious qualities and its digestibility.

St. Cloud, Minn., surgeon and Great Northern railroads, says: "Beer is surely a food by reason of its ingredients, and its moderate use is not at all injurious to the health of adult persons."

The Mathie Brewing Company's Beer

Is beyond a doubt the finest beer brewed hereabout, as a trial order will convince anyone.
