

SAILORS MEET LAND DISASTER

JACKIES ARE NO MATCH FOR ALL-STARS

Acker Runs Length of Field for a Touchdown in Game Marked by Strong Individual Play

The football team of the torpedo boat Paul Jones and the All-Star aggrega- tion yesterday buried aridiron manuev- ers until another session rolls around, when the jackies suffered a land defeat by a score of 23 to 0.

The game was not much of a football exhibition, the tars being no match for the picked eleven and the latter lack- ing the teamwork necessary for con- sistent play. Individuality was the prominent factor of the game and most of the scoring resulted from long runs that came with but slight interference as an aid.

Acker got away with the sensational feature of the day when he secured the ball on the kickoff near the All-Star ten-yard line and galloped across the intervening distance for a touchdown, evidently with his fingers crossed, as the sailors allowed him to cover the ground without offering much opposition.

"Bill" Traeger was out to show how it used to be done ages back and man- aged to last through the game, con- tributing four points by a well di- rected place kick that shot across from the thirty-yard line.

The All-Star back field was changed for nearly every different play. Traeger went in at fullback, but played both half positions and right tackle before the performance was over. Acker and Mitchell took turns at changing to full- back when Traeger went in the line. With all the experimenting, however, the skim milk aggregation was not to be denied, and individually the members of the team played fast ball.

Sailors Never Dangerous

The sailors were never dangerously near their opponent's goal, though in one instance they came close enough to attempt a place kick that was blocked before it had a chance to rise from the ground. At only one stage of the game and that toward the close of the last half were they able to make their distance. With four or five yards to gain on the last down they rarely punted.

For the sailors Hughes offered the strongest resistance and blocked some of the All-Star plays in decisive fashion. Cunningham received an injury about the head in the last half and was obliged to leave the field.

Traeger kicked off for the Stars, and the Navy, after making an ineffectual attempt to advance the ball, fumbled, Cunningham recovering the oval. On the second play Stan Mitchell skirted the sailors' left end for eighteen yards and a touchdown. Roesch missed goal.

Cox kicked off again and Acker re- turned the ball to the forty-yard line. The jackies held the ball on the twenty- yard line, but lost on the next three plays. Traeger, Acker and Stan Mitchell ploughed steadily through and aided by a quarterback run of Roesch, brought the ball to the thirty-yard line, where Stan Mitchell on a cross back carried the ball over for a second touchdown. Traeger kicked goal.

Acker's Long Run

The sensational event of the day came immediately after the following kick- off, when Acker received the ball on the ten-yard line and ran straight through the scattered field for a touch- down. Traeger kicked goal.

Cox booted off to M. Mitchell, who came back eight yards. Roesch made five yards on a quarterback run around the sailors' left end. Acker lunged through for five more and Grindell made fifteen on the end of the ball being brought back and the Stars penalized fifteen yards for holding. The Los Angeles eleven fumbled near the thirty- yard line and the tars recovered the ball in an attempt to place back from the twenty-eight-yard line. The kick was blocked and Cunningham regained it for the All-Stars. The half ended with the ball on the Los Angeles forty-five- yard line.

Second Half

Traeger's place kick and a safety netted the six points which were added in the final half. The Stars began to tire along toward the latter part of the game and the tars for the first time in the game were able to make their distance holding the ball in one instance until twenty yards had been covered.

Hughes kicked off to M. Mitchell, who darted in thirty-five yards before he was downed. Stan Mitchell tore through the government's left wing twenty- yards. Traeger made one yard over center. Traeger kicked thirty-five yards to the tars' fifteen-yard line and the sailors in turn sent the leather whizzing back into All-Star territory.

The locals worked the ball to the fifty-yard line and the defensive work of Hughes for the sailors was largely instrumental in making the pace a slow one for Traeger and his men. On the fifty-yard line Traeger kicked to Cox, who touched the ball as it went over his head and rolled back of the goal posts. He was downed back of the line for a safety.

Traeger Place Kicks

FAVORS RUGBY FOOTBALL

Faculty Committee of Berkeley Re- commends English Game or Elimination of Existing Evils

Special to The Herald.

BERKELEY, Jan. 1.—The faculty of the University of California have made a report to the academic council on the football situation. The committee considers American college football as played at present a spectacle and not a game. An interesting fact unearthed by the investigations of this committee is the fact that during the last twelve years in which Stanford and California have held intercollegiate games, only seventy-five students of the University of California have taken part in games with Stanford out of over 4000 eligible men students who have been in at- tendance at the university during this time. The scholarship records show that the football men have graduated about the same per cent of their num- ber as those not participating in the game. The committee suggests that such modifications be made in the rules as will make the play more open and do away with the possibility of the heavy mass play. They are also in favor of providing for a rules committee which should be made up of repre- sentatives of the different colleges.

The following is taken from the re- port: "On the afternoon of Monday, December 11 last, upon the invitation of President Wheeler, the presidents of Stanford and California together with the faculty committees on athletics from each institution met at the University club in San Francisco. The result of the discussion was that each committee on athletics agreed to present their respective faculties the resolutions adopted by the joint com- mittee and ask their approval. The resolution is as follows and we recommend that the sense of the resolution be adopted by the academic council as its official expression.

"Resolved by the joint committees on athletics of the University of Cal- ifornia and the Leland Stanford Junior university that we recommend to the faculties of the two universities in question that intercollegiate football contests shall no longer be held under the regulations of the present football rules committee.

"We recommend as a substitute the present English rugby game or else the present American game with such modifications as shall promise to elim- inate existing evils.

"Resolved, that we ask the following gentlemen to act as advisory members to aid us in framing a final decision. "James F. Lanagan, Dr. Frank Simp- son, Dr. A. B. Spaulding, Prentiss Gray, James A. Foran, A. J. Chalmers, E. P. Scott, Roy Elliott, W. T. Reid.

A meeting of the joint committee will be held early in 1906 to further consider the proposed changes in the rules.

NAVAJOS DEFEAT Y. M. C. A.

Basketball Game Ends in Favor of the Navajos—Mechanics Defeat Grocers at Baseball

SPECIAL TO THE HERALD.

RIVERSIDE, Jan. 1.—Boys of the local Y. M. C. A., enjoyed New Year's day to the full. The fun commenced at 9 this morning when a team from the Moral Muscle club played a basket- ball game with the Navajo team. The latter won with a score of 41 to 12. Croquet and shuffleboard were played during the afternoon. On the third floor of the association building the juniors have a very creditable calendar exhibit.

Riverside mechanics defeated a com- bination grocers team at indoor base- ball in Armory last night. The score standing 6 to 4 in their favor. McLaughlin and Shallish umpired and the following was the line up:

MECHANICS. GROCCERS

Goodrich.....C.....Lewis Goodrich.....C.....Lewis

POLO CLUB HAS SPORT

Unique Equestrian Races Provide Amusement for Holiday Crowd at Riverside

SPECIAL TO THE HERALD.

RIVERSIDE, Cal., Jan. 1.—The dis- agreeable north wind kept the usual large crowd away from the New Year's meet of the Riverside Polo club this afternoon. Those who attended, however, witnessed equestrian events distinctly unique. The bending race was won by E. D. Hudson, and the umbrella and cigar race went to Robert Lee.

In the latter event the contestants were to ride a yard, hoist an umbrella and ride 100 yards around a stake and back.

The thread and needle race was the most diverting spectacle of the day. In this each contestant carried a night shirt and rode a yard, hoisted a lady holding a threaded needle and button which she sewed on the shirt.

The contestants then put on and but- toned the night shirt and rode back to the starting point. F. D. Hudson won the event on a better second.

Four periods of polo were played, the whites winning by a score of 6 to 4. The line up was as follows:

Red—Hazell, Flowers, H. G. Pattee, Redmayne, Whites—L. G. Pattee, Robert, Bettner and Hudson.

To Hold Rifle Tournament

By Associated Press. GRAND RAPIDS, Mich., Jan. 1.—The annual tournament of the Indoor Rifle League of the United States will be held February 12 to 17.

GOLFERS CONTEST AT COUNTRY CLUB

FREDERICKSON WINS MEDAL COMPETITION

Wind Plays Strange Pranks on Enthusiasts and Some Remarkable Drives Are Scored—Results of Saturday's Foursomes

In the annual golf medal competition for the club championship held at the Country club yesterday, W. Frederickson carried away the honors and will wear the club's blue ribbon for the next year. Frederickson won his second championship with a score of 167 for thirty-six holes, which was many strokes better than that of his nearest competitor, and this score was con- sidered extremely low under the con- ditions of wind and weather.

His rounds were 86 and 81. Despite the raw atmosphere and high wind, nineteen golfers entered for the regular New Year's tournament and of these eleven handed in cards, the remainder finding the severe north wind too unpleasant and disconcerting to warrant their finishing the two rounds of the course.

Besides capturing the championship Frederickson, playing from scratch, won first place in the choice score handicap competition with a score of 76. Second place was won by S. S. Parsons with 84 choice score and 77 net, while M. M. Harris was third with 78 net.

Wind Plays Pranks

The high wind was the cause of some astonishing plays. At No. 6, a 276- yard hole, two players made the hole in two strokes. J. J. Mellie sent his drive "dead" (within a few inches) to the cup and made a two, while Joseph Ball drove to the green beyond the cup and also holed out in two strokes.

Following are the scores:

Table with columns: Name, Choice, Hdcp. Net. W. Frederickson 76 8 84, S. S. Parsons 84 6 90, M. M. Harris 84 4 78, J. E. Hunt 79 5 84, W. B. Walton 83 8 91, C. B. Jones 83 8 91, Joseph Ball 82 6 88, J. J. Mellie 82 6 88, A. H. Conger 80 6 86, J. E. Cook 80 4 84, G. J. Dennis 80 4 84, E. D. Silent 80 4 84, Wilson, W. Crosby A. F. Moran, J. F. Sartori, R. H. Ingram and G. B. Ellis did not turn in cards.

Mixed Foursomes

In the mixed foursomes, played Sat- urday afternoon, six couples entered. Mrs. C. M. Shannon and W. W. Butler won the handicap prize with 81 net, and Mrs. Frank Griffith and W. Fred- erickson made low score with 84. The full scores were as follows:

Table with columns: Name, Gross, Hcp. Net. Mrs. C. M. Shannon 48 36 12, W. W. Butler 48 36 12, Mrs. E. D. Silent 56 44 12, and C. A. Henderson 56 44 12, Mrs. Frank Griffith 41 34 7, Mrs. Frederickson 41 34 7, Mrs. Coleman 49 51 10, M. L. Graf 49 51 10, Mrs. E. T. Perkins 49 50 9, and Joseph Ball 55 51 10, Mrs. W. T. Bishop 55 51 10, and Y. L. Mott 55 51 10.

WIN NEW YEAR'S GAME

Christophers Defeat Compton High by Heavy Stick Work—Loss to Olinas

The Christopher baseball team com- menced the new year by defeating the nine of the Compton high school by the decisive score of 10 to 2, at Compton yesterday afternoon.

The features of the game were the pitching of Marshall and the base steal- ing of Simmons. Simmons stole three bases and scored five runs. Marshall struck out eleven men and allowed but four scattered hits. Sim- mons out of five times at bat made one hit, walked four times, stole six bases and scored five runs.

The batteries were: Stockwell, Wil- hoit and Schilwaller for the Christo- phers; Marshall and Hay for the Comptons.

The Christophers lost to the Olinas old wells team at Anaheim Sunday by a score of 2 to 0, the features of the contest being the pitching of Johnson and Marshall, the rival twirlers.

Le Brandt and Head wielded the stick in handy fashion for the Olinas.

ELKS AND PALA INDIANS TIE

Baseball Game Continues Until Dark and Ends With a Score of 20 to 2

SAN DIEGO, Jan. 1.—In what was probably the worst game of base- ball ever seen in San Diego, the team of the local Elks quit a tie with the Pala Indians and played at dark with a score of 20 to 2. Aside from the fact that the ball playing was loose and errors were about as numerous as runs, the contest was a success for the at- tending was large, horses were plenty and enthusiasm knew no bounds. The afternoon was cold, this having been the coldest day San Diego has ex- perience for over half a century and the cold was undoubtedly responsible for the most part of the errors. Financial- ly the game was a success and quite an addition will be made to the fund of the Elks' charity box.

Y. M. C. A. KEEPS OPEN HOUSE

Nearly a Thousand Men Partake of Hospitality of Local Asso- ciation

One of the most enjoyable events of New Year's day was the "open house" given by the Young Men's Christian association. The hours were from 10 o'clock in the morning until the same hour in the evening, during which time nearly 1000 young men called and en- joyed the home-like hospitality ex- tended to them. A group of society matrons and a bevy of pretty girls as- sisted in entertaining and served daily refreshments. The rooms were elabor- ately decorated, green being the pre- dominating color.

An "old fashioned sing" was enjoyed after dark, singing, being heartily entered into by the young men, many of whom were strangers here. Each guest was presented with a pretty souvenir.

Following are the matrons and maids who assisted in making the affair a success: Misses Luther, Cleaver, Sharp, Yerger, Misses Cuthbert, Susie Sowers, Mathews, Sible, Miller, Smith, Parks, Yerger, Fitch, Stratton, Cummings, Dolbeer, Koris, Tibbott and Madness.

In the afternoon one of the features that attracted much attention was the sleight of hand performance of Bonar- jee from India. Miss Parks gave a reading and Miss Cummings a vocal solo, accompanied by Miss Stratton. A piano solo by Miss Parks was followed by a gymnasium exhibition by the A. S. C. club of the students' class.

The association orchestra rendered an elaborate program of music during the evening. Miss Clara Cardell gave a vocal solo. Prof. Joseph A. Duckworth gave an interesting talk on "Remin- iscences of My Trip to Mt. Wilson."

Besides capturing the championship Frederickson, playing from scratch, won first place in the choice score handicap competition with a score of 76. Second place was won by S. S. Parsons with 84 choice score and 77 net, while M. M. Harris was third with 78 net.

INDIANS FAIL TO SCORE

FRESNO, Jan. 1.—In one of the best football games ever seen in the San Joaquin valley, the Sherman Indians and the Selma Athletic club played a tie game, 0 to 0. The Indians were out- weighed and many yards were made on them by the use of trick plays. Costly fumbles lost the Indians a score in the first half. The second half was all Selma's. Three times the Indian goal was in striking distance. W. K. Sprott, J. B. Stephenson and C. H. Tucker, old Stanford players, were with Selma. "Dummy" Evans, a deaf mute, H. Sweeney and Fred Jarrett played star games for Selma. Lubo and Scholder played the best games for the redskins.

BASEBALL PLAYER IS DEAD

KANSAS CITY, Mo., Jan. 1.—Frank Bonner, the famous baseball player, died at a hospital in this city late last night of blood poisoning that resulted from quinsy. He had been a profes- sional baseball player for twenty years, and played with the old Baltimore Orioles when that team won the pen- nant three years in succession. He played for Louisville before being transferred to Kansas City and last season was considered one of the best second basemen in the American as- sociation. His nearest relative is a brother in Worcester, Mass.

PIONEER WOMAN IS DEAD

Mrs. Annie E. Littleboy Passes Away at Her Home—Daughter on Wedding Tour

Mrs. Annie E. Littleboy, widow of the late William Littleboy, died yesterday morning at her home, 657 West Six- teenth street, in Los Angeles. Mrs. Littleboy was well known to many of the older residents of the city, as was her husband, who was a druggist. Mr. Littleboy, although a Virginian, was a captain in the Union army, and Louis James, the actor, was a private soldier in his company.

Mr. James always visited the Little- boy family during his engagements in this city. It is a strange coincidence that Mr. James' present engagement here opens on the same day as the date of the death of Mrs. Littleboy. She and her husband came to this city about the middle of the seventies. They lived on the corner of Third and Spring streets, where the Douglas block now stands, from 1878 to 1884, when Mr. Littleboy died.

There were three neat cottages on that corner; one of them was occupied for many years by the Littleboys, an- other by Dr. A. S. Shorb and his fam- ily. After the death of Mr. Littleboy Mrs. Littleboy built a home on Boyle Heights and lived for many years there, but three or four years ago she built a spacious residence near the corner of Figueroa and Sixteenth streets, where she resided at the time of her death. After the death of Mr. Little- boy Mrs. Littleboy owned and in a general way superintended the Little- boy drug store for about fifteen years.

Mrs. Littleboy was well known in busi- ness circles and in social circles as well. Mr. and Mrs. Littleboy had two children, Bessie Littleboy, who was married to Dr. Charles Stauber about two years ago, and Agnes Littleboy, who was married on Christmas day last to Frederick W. Holbrook of this city. Mrs. Littleboy's mother, Mrs. Martha Sindle, who has resided with her many years, also survives her. Mrs. Littleboy was a aunt of L. D. Hutchin- son, Maudy Hutchinson, J. W. Hutchinson and Attorney E. L. Hutchin- son, sons of D. E. Hutchinson of this city. The funeral will not be held until the arrival of Mr. and Mrs. Hol- brook, who are at Salt Lake City on their wedding tour and who have been notified by telegraph.

EYTON ROUTS SCALPERS

Manager of Burbank Theater Makes Short Work of Ticket Specu- lators

The first four performances of "The Light Eternal" at the Burbank theater have proven to be record breakers. Long before the curtain rose on the first act the entire house was sold out and long lines of people on the sidewalk had to be dispersed.

During the rush yesterday afternoon three ticket scalpers got busy in the lobby selling the regular fifty-cent seats for one dollar and a half.

"Referee" Charles Eytton, whose past performances as a wrestler and pugilist give him a sort of prestige sauntered into the lobby, secured one of the fifty young men by the collar and forced him to hand his tickets back to the box office at regular rates.

In this way twenty-eight seats were placed on the market at two forty-five, which created no small com- motion in the foyer. The other scalp- ers made good their escape.

OLD SORES SAP THE VITALITY AND UNDERMINE THE HEALTH Old Sores that refuse to heal are a constant menace to health. They sap the vitality and undermine the constitution by draining the system of its very life fluids, and those afflicted with one of these ulcers grow despondent and almost desperate as one treatment after another fails. They patiently apply salves, washes, plasters, etc., but in spite of all these the sore refuses to heal and eats deeper into the surrounding flesh, destroying the tissues and growing to be a festering, inflamed and angry mass. The source of the trouble is in the blood. This vital fluid is filled with impurities and poisons which are constantly being discharged into the sore or ulcer, making it impossible for the place to heal. It will not do to depend on external applications for a cure, because they do not reach the real cause, and valuable time is lost experimenting with such treatment; the most they can do is keep the ulcer clean. Any sore that will not heal is dangerous, for the reason that it may have the deadly germs of Cancer behind it. A cure can be brought about only through a remedy that can change the quality of the blood, and this is what S. S. S. does. It goes to the very bottom of the trouble, drives out the poisons and germs with which it is filled, and purifies and builds up the entire cir- culation. By the use of S. S. S. the sore is supplied with new, rich blood which corrects the trouble, soon stops the discharge, and allows the place to heal naturally and permanently. S. S. S. also reinvigorates the entire system, and where the constitution has been depleted or broken down it quickly builds it up and restores perfect health. Write for our special book on sores and ulcers, and any medical advice you are in need of; no charge for either. THE SWIFT SPECIFIC CO., ATLANTA, GA.
