However, that's another story. We have the suits and are going to sell them out at just a little bit more than they cost us. As they are samples, of course each garment is different—and a finer array of styles and colorings you never saw. Pony coat suits, suits with the "Prince Chap" coat, fitted models, etc. You will want a suit this fall. Why not get it now? No use waiting for "something better." This is the best, right here and now. Just look at these prices on beautiful fall suits.
