GRAND OPENING OF TOYLAND AND DOLLDOM

The Return of Good Old Santa Claus, Announcing His 1906 Headquarters in Los Angeles at Hamburger's as Usual

Only 24 More Shopping Days Before Christmas

Now, Children, Listen There has not been a day since Santa Claus visited you last Christmas that you haven't wished to be a real good boy or girl the past year that Santa may visit you again this season. Every little boy and girl knows how kind and good Santa Claus is and most of you are now making out the lists of what you want for Christmas. Neither time nor space count for anything with Santa Claus, and he has directed his agents all over the world to send the very best dolls and toys from Switzerland, Germany, France, England, Belgium and Japan to the great Hamburger store in Los Angeles, which will be his great storeroom and distributing point for Southern California this Christmas as usual. Santa Claus has a good many towns to visit in the next several weeks, but he authorized us to announce that he will be in Hamburger's Toyland and Dolldom on Monday to meet his little friends and receive any message that you wish to hand to him as to what you desire.

Now, Parents, Listen Santa Claus has made Hamburger's the distributing point for Southern California for toys and dolls this season and we can say that his representative and our buyer, Fred J. Gunther, went last February on his annual buying tour to Europe, where he visited the manufacturers in Berlin, Saxonia, Thuringia, Bavaria, Wurtemberg, Bohemia, Switzerland, France and England, and from the thousands of toys and dolls offered selected the latest and best, many of them exclusive novelties which will not be shown at any other store in the United States. Buying as we do, direct from the manufacturers and in large quantities, we give our patrons the benefit of the great saving in prices, and we will furthermore say that there is no necessity of your sending outside Los Angeles for any toy or doll to be used as a Christmas present, and you will find something to meet your wants and please your taste in Hamburger's great Toyland and Dolldom.

Only 24 More Shopping Days Before Christmas
