

SANTA FE TRAIN  
FREIGHT STRIKES DRIVER OF  
LIGHT RIG

Hurla Horse and Man Fifteen Feet,  
and is Cause of Instant Death  
to Both—Trainmen Know  
Not of Catastrophe

Special to The Herald.  
PASADENA, March 17.—While chasing  
along the Santa Fe freight train, a  
man, a horse and a buggy were this  
evening struck along the Santa Fe  
right of way south of Bellevue drive.

The man was instantly killed. The  
horse was mangled and must have died  
instantly. The rig is a heap of kindling  
wood and is splintered beyond repair.  
The accident happened at the  
Santa Fe intersection of Bellevue drive.  
Jesus Coronado, for fifteen or  
twenty years a prominent resident of  
Lamanda Park, was the victim. He was  
driving home toward  
when he was struck by the flying  
locomotive. The crash must have  
instantly performed its function of  
killing the man and a deep  
gash was made in the skull over the  
left eye and penetrating the brain.

The train struck the outfit between  
the horse and wagon in a manner similar  
to that in which a passenger locomotive  
on the Santa Fe recently struck the  
dead wagon owned by Reynolds &  
Van Nuys. The buggy was thrown to  
the west of the track, the horse was  
found on the east side of the track  
and the body was picked up among the  
ruins of the vehicle. The horse was  
found twenty feet south of the  
crossing.

The train continued on its way after  
the accident had happened. It was  
thought that the trainmen did not know  
of the accident. The victim was  
taken to the undertaking parlors of  
Adams, Turner & Stevens Co.,  
where an inquest will be held over the  
remains tomorrow. The dead man  
leaves a widow and a large family of  
children. He was 37 years of age.  
Constable Newel has charge of the  
case.

ACCIDENT VICTIM TO  
RECOVER HIS HEALTH

Special to The Herald.  
PASADENA, March 17.—Nine-year-old  
Clarence Hinder, who was struck,  
and sustained serious injuries as a  
result, by a Pacific Electric car yesterday  
afternoon, will recover from his  
injuries without serious effects upon  
his health. Today, though suffering  
from internal injuries, he appeared  
quite rested and told his story of how  
the accident happened.

He was riding south on Fair Oaks,  
when he heard a bell clanging behind  
him and wondered at the noise. According  
to his description of the company  
rulings there should be no car  
following him on that track. He again  
heard the gong, and finally as it drew  
closer he swerved to clear the track by  
turning to the right. Instead of the  
car, he found himself in the path of the  
car. The lad changed his course when  
the car was within one car length of  
him, and the turn was timed so that  
the car struck the wheel, smashed it  
and hurled the rider to the ground.  
Internal injuries and a gash over the  
eye constituted the extent of the  
injuries.

ST. PATRICK'S COLORS  
POPULAR IN VENICE

Special to The Herald.  
VENICE, March 17.—The wearing of  
the green was strictly the proper color  
with the crowd of about 10,000 people  
who gathered in the square in front of  
St. Mark's, for the annual St. Patrick's  
day celebration. The crowd, which  
included many of the city's most  
distinguished citizens, was largely in  
evidence and everybody joined in the  
good humor and frankness that the color  
effect fostered. From the viewpoint of  
the merchants the day was the best  
that this resort has seen this year, the  
proprietors of restaurants and refreshment  
stands in particular being among the  
most jubilant.

OLD MAN THROWN OUT  
AS HORSE TAKES FRIGHT

Special to The Herald.  
PASADENA, March 17.—Yesterday  
afternoon a horse with the remains of  
a vehicle attached ran into the yard  
of a ranch house in the Sunny Slope  
district. The ranch post, who  
recognized the animal as belonging to  
Joshua Utterback of Pasadena, and  
proceeded to go back over its trail to  
see what had happened to its driver.  
Mr. Utterback, a man aged 75 years,  
was found in the ditch, and he was  
beside the road, and his son-in-law,  
Policeman Wallace Copping of the Pasadena  
force, was summoned. Mr. Utterback  
was at once taken to his home in  
Pasadena, where Dr. A. D. McCoy  
said he believed the old man will  
pull through, though his advanced  
age is against him.

MAN'S THROAT NEARLY  
CUT BY BIG SPLINTER

Special to The Herald.  
PASADENA, March 17.—While operating  
a circular saw yesterday a great splinter  
flew off and nearly cut the throat  
of Edward Martin of 752 Hull  
street. The splinter, which struck  
the man's chin and made a great gash  
several inches in length. Had it struck  
an inch lower it would probably have  
ended his life.

NEGRO WOMAN HAS  
MYSTERIOUS DEMISE

Special to The Herald.  
PASADENA, March 17.—Edith Downey,  
colored, was found dead in her  
bed this morning. Heart disease is supposed  
to be responsible for the demise.  
An inquest, however, will be held to  
determine the exact cause of death, the  
inquest taking place at the parlors of  
Ives & Warren at 10 o'clock tomorrow  
morning.

The woman was a servant in the  
family of R. H. Miller of 245 Arcadia  
street. Members of the family do not  
believe there is any grounds for foul  
play, nor do they find it difficult to  
account for the death woman attribute  
the sudden taking off to anything else than  
natural causes in the shape of heart  
failure.

PASADENA NEWS STORIES  
BOILED FOR THE BUSY

Special to The Herald.  
PASADENA, March 17.—Nearly a  
hundred thousand dollars is represented  
in the amount of building started  
the past week. This puts the record  
over \$60,000 ahead of the same week  
last year and makes it the largest  
week so far as buildings started is concerned  
of the year.

James H. Mabury, the man who set  
the contest record for a hundred yards  
at 4-5 seconds, is in Pasadena, trying  
to recover from the exertions of his  
more athletic days. Mabury is an example  
of the man who trained steadily for  
years for athletic contests and now  
has gone stale.

F. H. Ryerson of North Marengo  
avenue is minus a white horse with a  
clipped mane, and he is very much  
of the opinion that the animal was  
stolen, and Constable Austin has the  
case in charge.

Postmaster Wood has received no  
official notice that the two extra clerks  
reported by the Associated Press dis-  
patches as about to be allotted to Pasadena  
will really be so apportioned. However,  
he has received word of one extra  
and hopes for two.

Professor J. F. Chamberlain of the  
state normal school will lecture before  
the men's club of the First Methodist  
Episcopal church Tuesday evening.  
The lecture will be given in the  
church itself and the subject of the  
evening will be the Yosemite. Stereopticon  
views will be used to illustrate  
the subject.

BANQUET FOR ODD FELLOWS  
Los Angeles Brothers Guests of Pasadena Lodge

Special to The Herald.  
PASADENA, March 17.—Odd Fellows  
to the number of about 400 of Pasadena  
and Los Angeles joined in a general  
good time and banquet last evening,  
the Pasadena lodge acting as host. The  
Los Angeles lodge came over on a  
special Southern Pacific train with  
band and regalia.  
Met at the Espee depot in Pasadena,  
the joint lodges paraded to Odd Fellows'  
hall, which was beautifully decorated  
for the occasion. First the visitors  
were taken to the banquet hall,  
where seats were set for 400, and after  
the banquet the members adjourned to  
the larger Woodman hall on the floor  
below, and there a varied entertainment  
was put on for the benefit of all.  
The banquet itself was tastefully  
served by the Rebekahs and the banquet  
room presented a most attractive sight  
with its extensive decorations of smilax  
and flowers. Half a thousand dollars  
were expended by the Pasadena lodge  
on the entertainment, and the event  
was one of the most successful in the  
history of the local order.

PASTOR FORMALLY RECEIVES  
YOUNG LADIES' SODALITY

Congregations that taxed the capacity  
of the Holy Cross church attended the  
services of the mission being held in  
the parish yesterday. Last evening the  
Young Ladies' sodality of the parish  
was formally received by the pastor,  
Rev. T. F. Fahy. Miss Cashem is  
president of the sodality, Miss Abbie  
Mullin vice president, Miss Esther K.  
Neill secretary, Miss Oswald treasurer,  
Misses Knopper, Bradford  
and Mullin program committee.  
Following the reception Rev. Patrick  
McLaughlin preached the sermon on  
"The Blessed Virgin." The mission will  
close today with the communion mass  
at 8 o'clock and the closing exercises  
with sermon by Father McLaughlin.  
The decorations yesterday were elaborate,  
a floral shrine being erected before  
the statue of the virgin. A special  
musical program was rendered.

Special to The Herald.  
VENICE, March 17.—Grabusted by  
Abbot Kinney with \$1000 in gold coin  
and the promise of more if it is needed,  
Mrs. Kinney and Mrs. M. M. Merry,  
representing the Young Ladies' sodality,  
commence, will leave here tomorrow  
morning going direct to New York,  
where they will begin steps to secure  
an audience with John D. Rockefeller,  
before whom it is their mission to present  
the desire of the Young Ladies' sodality  
that he set aside an appropriation of  
approximately \$300,000 to be used in  
the establishment of a polytechnic  
college here. Should the envoys be  
satisfied of the premises used for im-  
moral purposes that the law now upon  
the statute books will be rigidly and  
impartially enforced by them."

at the ticket window and at the door  
cost me \$2.50, and I had 50 cents  
left to apply on the bandmen's salaries."

HORSE SHOW MEET  
ELECT OFFICERS

Special to The Herald.  
PASADENA, March 17.—Half a hundred  
men of prominence gathered at the  
Hotel Wentworth Saturday evening,  
the occasion being the annual  
business meeting and banquet of the  
Southern California Horse Show association  
of Pasadena. It was a gala  
night and many of the men present  
were foremost in the inner social circles  
of the country.

OLD OFFICIALS ARE AGAIN  
SELECTED

Among those who took part in the  
affair were: Benjamin Blossom, John  
S. Craven, Colonel W. J. Hogan, A. K.  
Macomber, E. H. Gronendyke, H. I.  
Stuart, H. H. Sinclair, H. L. Thompson,  
John Lambert, E. J. Pyle, F. C.  
Bolt, John Earle Jardine, E. L. Bland,  
Jr., George Ade, M. C. Jones, John  
B. Miller, B. O. Kendall, Colin Stewart,  
F. G. Hogan, C. D. Callery, Churchill  
Harvey-Elder, Fred E. Wilcox, J. S.  
Tanner, E. D. Neff, E. S. McKee, F.  
H. Bixby, George C. Flint, Frank V.  
Rider, C. K. Douglas, John S. Mott,  
E. Eckenbrecher, Fred K. Rule, H.  
Shlandenan, H. S. Sundrene, N. W.  
Bell and Thaddeus Love.

The election of officers resulted in  
retaining the old board of directors  
and entire old officers. There was  
little done at the business session save  
the indorsement of the old officials to  
continue for the ensuing year.  
There were many jolly speeches  
made during the banquet and among the  
speakers was Colonel Hogan, the  
founder of the horse show association.  
He was nothing if not optimistic.  
No allusion was made to the next  
year's horse show. The proposition to  
combine with Los Angeles and hold  
the show next year in the Angel city  
will probably come up in the first  
meeting of the board of directors, to  
be called soon by President Fred E.  
Wilcox.

The banquet room was beautifully  
decorated for this, the first formal  
banquet to be served by the handsome  
new hotel. General Wentworth had  
done his best to make the scene attractive,  
and it went almost without  
saying that he had succeeded.  
Beautiful flowers served to set off the  
attractive apartment, and a charming  
place card marked the space allotted  
to each guest of the evening. The  
menu included one of the most elaborate  
served in Pasadena, and beautiful  
music by the Hotel Wentworth orchestra  
served to round out an unusually  
complete evening.

DOUBTS WISDOM  
OF RESOLUTIONS

Special to The Herald.  
PASADENA, March 17.—The Los Angeles  
church federation, which is attempting to keep the  
crib district closed, received severe jolt  
at the Temple Baptist church yesterday  
morning, when Dr. Robert J. Burdette  
came out openly in favor of  
segregating the "moral lepers" in the  
low part of the city.

The stand was taken following the  
reading of a set of resolutions from the  
church federation calling upon the city  
officials to rigidly enforce the  
present laws against the cribs. A copy  
of these resolutions had been sent to  
every church of the federation yesterday  
morning with the request that the  
congregation approve of them and send  
a signed petition to that effect to Mayor  
Harper. At the Temple church, at  
least, the plan was not away into thin  
air. Of an audience of about 500,  
scarcely a hundred voted at all, and  
of these a score were opposed to the  
resolutions.

A Cigar Wrapper Often  
Covers a Multitude of Sins

You know quite well that there are many cigars sold  
for five cents that are very poor quality. They are sold  
on appearance. A fine appearing wrapper, a handsome  
gold band or a pretty box-lid may cover a multitude of  
sins, but it is the filler, the inside of a cigar, that deter-  
mines its smoking quality.

Modern manufacture exemplified in the American  
Cigar Company's products has grown way above this un-  
fortunate method of doing business and assures a cigar  
that is honest all through.

The "Triangle A" merit mark on a box of cigars  
means that every sprig of leaf in every cigar in the box  
was graded especially by experts for that one brand, two  
years before it was made; that during this time the leaf  
has mellowed in great, clean warehouses in a perfect tem-  
perature till all its finest qualities are brought to a point  
of perfection.

These are some of the reasons why "Triangle A"  
cigars smoke with the fine mellow flavor that you thought  
was only to be found in expensive brands; why every  
"Triangle A" cigar has an even flavor and aroma from  
end to end; why every cigar of each "Triangle A" brand  
smokes just the same.

"Triangle A" cigars cost you no more than the  
"mixed" cigars—though they are worth twice as much.

Look for the "A" (Triangle A) when you buy cigars.

"Triangle A" brands offer the widest obtainable range of choice,  
and absolutely dependable quality in whatever brand suits your taste.  
You'll never find a better brand to make the test with than

The New CREMO

Every box is now extra-wrapped in glassine paper, sealed at each  
end with the "Triangle A" in red. The cigars are kept clean, fresh  
and in perfect smoking condition until the box is opened.

BISHOP PREACHES  
ON ST. PATRICK

Special to The Herald.  
PASADENA, March 17.—The wearing of  
the green was strictly the proper color  
with the crowd of about 10,000 people  
who gathered in the square in front of  
St. Mark's, for the annual St. Patrick's  
day celebration. The crowd, which  
included many of the city's most  
distinguished citizens, was largely in  
evidence and everybody joined in the  
good humor and frankness that the color  
effect fostered. From the viewpoint of  
the merchants the day was the best  
that this resort has seen this year, the  
proprietors of restaurants and refreshment  
stands in particular being among the  
most jubilant.

WOMEN GO EAST TO  
CONSULT ROCKEFELLER

Special to The Herald.  
VENICE, March 17.—Grabusted by  
Abbot Kinney with \$1000 in gold coin  
and the promise of more if it is needed,  
Mrs. Kinney and Mrs. M. M. Merry,  
representing the Young Ladies' sodality,  
commence, will leave here tomorrow  
morning going direct to New York,  
where they will begin steps to secure  
an audience with John D. Rockefeller,  
before whom it is their mission to present  
the desire of the Young Ladies' sodality  
that he set aside an appropriation of  
approximately \$300,000 to be used in  
the establishment of a polytechnic  
college here. Should the envoys be  
satisfied of the premises used for im-  
moral purposes that the law now upon  
the statute books will be rigidly and  
impartially enforced by them."

MUST PAY ADMISSION  
TO HEAR BAND PLAY

Special to The Herald.  
LONG BEACH, March 17.—"Yesterday  
afternoon we took in \$3. The two men  
at the ticket window and at the door  
cost me \$2.50, and I had 50 cents  
left to apply on the bandmen's salaries."
