Help—Male
SINCE YESTERDAY MORNING I have found a dozen responsible men and women for as many responsible positions and jobs to do at work. The employer and employer are both glad they called to see me. If you are looking for help in any line of business a postal or telephone call will bring me to your office or store. "WORK IT WESTGATE'S WAY."

UPHOLSTERER AND DECORATOR—This man won't be out of work long. He has had 20 years' experience, 9 years with one firm. Seeks steady position where a first-class workman is wanted. Better call and see me about this man at once. Will buy home here if he secures steady job.

GENERAL ENGINEER—This man has had years of experience. He has commanded large salaries wherever employed. Like thousands of others, he wants to make his home in Southern California, and will accept permanent position at a reasonable salary. His references are on file. If you are looking for a real good engineer you will hire this man after talking with him. He should have several offers this week, and is ready to go to work at once.

I can furnish a reliable man or woman for any position that is vacant. I look these people up, make it a rule never to book them unless they can furnish a No. 1 reference, and know who they are before I offer them to you as desirable employees. Collectors, deliverymen, stenographers, druggists, barbers, waiters, cooks, all kinds of help furnished on short notice. Simply call me and 4 p. m. or drop me a postal and I will do the rest. I obtain positions for men and women who can convince me that their records for honesty and reliability are unquestioned.
