

CANFIELD HARDWARE CO. 537-539 S. BROADWAY.

The two principal points for you to remember in buying gas ranges are: "Chicago Jewel" and "Canfield." We have built our business on this range...

"Chicago Jewel" No. 171, Price \$35.00. This table pattern combines more practical points than any other model made. Oven and boiler most conveniently placed for easy operating.

Why "Chicago Jewels" Are Best Because they are built on practical lines—the result of 25 years of scientific stove building—because they are made of the best materials known...

"Chicago Jewel" No. 173, Price \$30. Another popular model, like illustration, has oven and broiler above top of range. Large four-burner top with Giant and Simmer burners.

Buy This Swell Nine Dollar Rocker. In Polished Quarter-Sawn Golden Oak or Genuine Mahogany. Lyon-McKinney Smith Co. 652 Broadway at Seventh.
