

NEW YORK STOCK AND BOND MARKET

By Associated Press. NEW YORK, Jan. 21.—The sudden weakening of the stock market in the last few minutes of trading on Monday left its impression on the mind of the transactions...

A factor in arresting the decline was the check on the violent break in American Smelting, after it had sold down to 5 3/4, at which level a heavy demand sprang up from the overextended short interest in the stock...

The growing dullness of the market on the rally was a reliable index of the part played by the covering of shorts contracts in bringing about a report was current that J. P. Morgan was to leave on a European trip in a few weeks and the bearish dog arguments from this unconfirmed report...

The whole list sold off later in the day and closed weak, not far from the lowest...
