

MILLER IS RIDING IN BEST FORM

PILOTS THREE WINNERS AT SANTA ANITA

BEATS BARRIER AND SCORES WITH BOTANIST

El Cazador's Victory Fancy Looking, Others in Race Allowing Him Unbeatable Lead—Larry Mulligan Wins

BY J. G. GRIFFIN

The Millerites came into their own again at Santa Anita yesterday— all day. The marvelous one, favored as usual at the barriers and in his choice of mounts, accounted for half the card, and two of his three winners were at a fancy price. Lee Harrison, which annexed the opening number, was as good as 6 to 1 in the betting. Botanist might have been obtained at 16 to 5 and Col. White could be found at 3 to 2.

The big race on the card found Miller exceptionally alert at the post when the barrier shot up on the field of eight at the six furlong station. He had Botanist all under way and headed in the right direction when Dwyer pulled the string, beating the gate about four lengths.

In the betting previous to the race Botanist was second choice, Magazine being the call at 3 to 2, and Sir Edward having been fancied at 3 1/2 to 1. Botanist was better than 3 to 1 at one time, going to the post half a notch below this figure.

With all the best of the start, Miller went right on with the Boanerges horse and never let the others get near him, winning by two lengths. Sir Edward was second for a bit after the start, but Don Domo rounded for home in that position. Magazine coming next and then Sir Edward. Knapp set down to ride at this point, but could not nab Botanist. Magazine had a hard time getting in the money at all, Don Domo giving him an awful argument for the small end of the purse.

Contrary to his usual custom, Miller took a little of the leader's mud in the opening number, getting away in ninth position with Lee Harrison II and gradually picking up his field, to win by four lengths. Prolific was second, and Chalfonte managed to nod succeed out of the remainder. The latter was favorite at 6 to 5, but failed when called on to do something.

Prolific makes pace, and Bemay and Sir Russell took turns in toiling a length or two away. Rounding the stretch bend, Succeed was in the second hole, but when the drive came stopped and allowed Lee Harrison II, which was fourth, to romp by and win by four lengths. Prolific managed to stick for the place and Chalfonte came from far back to nip Succeed.

Larry Mulligan was given a nice ride by Musgrave and had no trouble in annexing the baby race from Aunt Aggie and Lucky Mate. Aunt Aggie was odds on favorite and should have won, but racing luck alone being responsible for her defeat. She ran a nice race and was only half a length away from the big money at the wire, with Lucky Mate holding third position all the way to cheat Orphan Boy out of a meal ticket. Bertha displayed some nice speed and may do later.

Martin gave Anoura a nice ride in the third number, and the heavily backed favorite won by a head from Billy Bowlegs, which ran an excellent race and succumbed only in the final jumps. Eonite was third, but Senator Beckham and Lois Cavanaugh, which were expected to be thereabouts when the numbers went up, performed indifferently.

The two front ones had it between themselves all the way. Anoura it was the pace for the first half and then being taken back behind Billy Bowlegs. They stuck to the job to the wire, Martin giving the filly a beautiful pilotage and grabbing Billy in the final strides. Eonite was always prominent, and when Chief Desmond pinched himself fought it out with Brawney Lad to get inside by a head.

The fifth number on the card made a noise like Limburger. El Cazador, played from 5 to 1 to half that figure, was allowed to get out in front for a commanding lead, and, as was intended, never let the others collar him. Foncasta was second and Bellmence third. Corriegan and Bellmence were the opening choices, but the public followed the educated scrip and made El Cazador a long priced favorite at the bugle call.

El Cazador Leads. Harty drove El Cazador away from the mile and three-sixteenths post flying, and soon opened up a gap of ten lengths on his field. Corriegan and Gentle Harry, which were next in line, did not close the space much, being five lengths out of it at the final turn. Here Foncasta and Bellmence came from the rear, but could do nothing to El Cazador, the Wayland trick scoring by two lengths. Gentle Harry fell a head short of getting anything.

Col. White was backed to even money in the closing number, a mile affair, and Miller used his best judgment in handling him, coming from behind to win by a length and a half. Preen was second, with Gossiper II next in line. A heavy play on Dredger resulted in nothing for the public, as even Natlie Bumpoo led the Welsh bird home.

Preen showed his usual early speed and led clear to the paddock. Here Col. White, which had been placed third, behind Gossiper, was shaken up for the final run and had no difficulty in scoring. Aucassin was half a length away from Dredger with some clever footwork for there a mile, but decided to tarry at this point.
