

FRATERNAL SOCIETIES

ROYAL COURT

The masquerade ball given by Helviders assembly No. 24 Friday evening was one of the most successful ones of the season. The hall at East First street and Rowan avenue was beautifully decorated with the colors of the order, and the official flower of the order, the red carnation, was very much in evidence. The enterprise shown by the assembly in this, its initial masquerade, was very creditable. The members worked very hard to have the guests enjoy every moment of the time, and from the opinions expressed they succeeded. Clowns, cowboys, Mephisto, vaqueros, tramps, Dutch boys with wooden shoes and all the other costumes that go with a successful masquerade were there. The ladies representing Night and Evening Star had most fetching costumes. Poppy, morning glory, red rose, carnation and violet were the flower costumes and deserved great praise for their faithful adherence to the originals. As chairman of the floor committee, Courtier Garwood had his hands full, but with the efficient aid of his helpers, Courtiers Rasgorshack and Peterson from the time the doors opened until the last strains of "Home, Sweet Home" by the orchestra all present enjoyed the affair.

Los Angeles assembly No. 2 will hold its regular monthly open meeting Tuesday, March 31. There will be a special program for this month. Whist for prizes will be played, refreshments served in the banquet room will be very much more elaborate than usual, as the ladies wish to repay the many entertainments in that line which they have received in the past, special orchestra for the dances and a very fine musical program will be the magnet to draw all the members and their friends to the hall. "Something doing every night" has been adopted by this assembly as its motto, with "something different" for the open meeting each month. Invitations have been issued to the members and may be obtained from them.

The Good Samaritan club will be entertained Friday evening, April 3, at the home of Mr. and Mrs. John Hunt, 1300 Lynden street. Refreshments. The members of assembly No. 2 will leave the Pacific Electric building at 7:45 and all other members and friends are invited to meet there. Mrs. Charles H. Holdridge and Mrs. Leleigh Wright will have made all arrangements to look after the younger members, and all are requested to be present.

Pico assembly No. 8 will hold its first masquerade and fancy dress ball on Monday, April 6, in the hall at 1100 and 111 Main streets. Elaborate prizes will be given to the best comic and the most appropriate costumes. Special music will be provided for fancy dancing. There will be a progressive whist tournament for those who play cards and handsome prizes will be given. Refreshments will be served free to all in the banquet room. These inducements have attracted large figures, and the promise of a large crowd is assured. The Royal Guards from assembly No. 2 will turn out in full force.

UNITED SPANISH WAR VETERANS

The degree team and many members of Roosevelt auxiliary participated in the meeting of Helen Gould auxiliary, Pasadena, Wednesday evening.

Twenty-five recruits were mustered in their officers installed and the camp instituted, all in one evening. An elaborate supper was provided in the handsomely decorated dining hall. This is the sixth Helen Gould auxiliary, and attests the respect and admiration of the Spanish War Veterans here for Miss Gould.

The banquet to celebrate the tenth anniversary of the declaration of war with Spain has been abandoned owing to the date being one of the days set aside to entertain the battleship fleet. A hall at the armory may be substituted.

The vaudeville performance put on by the entertainment committee, H. A. Atwood, chairman, Dr. McLaughlin, J. E. Hehr and C. A. Parmelee, was good and well received. Paul Brady gave several vocal (tenor) selections and also a clever exhibition stunt. Brady is not a U. S. W. A., but a popular member of the Eureka club of this city, and this tie endears him to quite a number of the Roosevelt camp. Sheck and Aldro, the peerless artists of the Orpheum circuit, put on their hand-balancing sketch and made a hit with the audience. Their presence was appreciated, especially because they made arrangements to have the Orpheum program changed so that they could appear early in the evening. T. F. Richards, baritone, and Miss Barton, soprano, sang a few solos. H. A. Atwood presented a novel feature, when he illustrated how the visitors and tourists to Los Angeles were told by spotters on observation cars, seeing Los Angeles and other points of interest, the size and dimensions, etc., of this building and that; of the beautiful country and balmy climate; of the orange groves where the lemons grow; the large thriving institutions and wonderful industries, and in his excitement and imagination forgot himself when he called out: "On your right you will see the national home for crippled soldiers and on the left the Eureka club headquarters for the U. S. W. V., and you will have five minutes for recreation."

ROYAL HIGHLANDERS

Fern castle No. 479 held another of these interesting meetings Thursday night. Elaborate arrangements are being made for the masque ball to be given Thursday night at Maple hall, Fraternal Brotherhood building. No doubt the degree team will put on something novel, and if they do you can look out for some fun. Bridg's orchestra will furnish music for the occasion and all true Highlanders will turn out and dance to the tune of the bagpipes.

TO THE RACES Steam trains to the race 12:15 p. m. and 12:45 p. m.; 35 minutes. Seats for everyone SOUTHERN PACIFIC, 603 South Spring street, or Arcade station.

FRATERNAL ORDER OF EAGLES

Los Angeles aerie, No. 102, F. O. E., meets regularly every Monday night at 120 East Third street. All visiting Eagles welcome. The degree team is working hard and drilling often, and expect to return from Sacramento with the grand prize, for when it comes to the degree team in Los Angeles is there with the goods. This aerie won the state banner at Bakersfield, and why not again?

Frank Erie, president of the California state aerie, and the state board of trustees have taken it upon themselves to postpone the state aerie to May 20, instead of May 18. As this is a difference, as arrangements so far are only partly completed. It is with a great deal of pleasure that the committee on transportation can announce that they have secured a rate of \$15 for the round trip, going from Los Angeles to Sacramento in a special train and returning by way of San Francisco and the coast line.

The eagle special will leave Los Angeles Monday, May 18, and arrive in Sacramento about noon on the 19th. It is expected to pick up a car of Bakersfield, Fresno and San Joaquin valley Eagles en route, making the largest strictly fraternal train ever run across the state of California. Those other than delegates wishing to take advantage of this excursion should secure reservation as early as possible, as there are only 100 berths, and it will require eighty of these to accommodate the delegates and degree teams, so come early and secure a berth, before it is too late.

Mrs. Charles E. Salter entertained the ladies who so ably assisted her in the management of the Eagle bazaar held three weeks ago at Eagle hall, at cards at her elegant home, 316 West Fifty-second street. From the number of ladies in attendance at this reception you could readily see why the bazaar was such a grand success. Refreshments were served and cards and dancing were indulged in until a late hour. It is safe to say that the ladies who worked so hard and faithfully in the management of the bazaar were well repaid by the hospitable treatment at the hands of Mrs. Salter.

UNITED ANCIENT ORDER DRUIDS

Magnolia grove No. 97 had a "dead in earnest" meeting Monday night in Druids hall and some plans were made for increasing the membership. This grove is composed of some good people and can make good whenever they desire to do so. Monday night the first degree will be conferred on two candidates. A good attendance is expected and a lively meeting generally.

Morton grove No. 82 held an interesting meeting Monday night. The attendance was good and the interest ran high. The new constitution and by-laws were received and adopted.

KNIGHTS OF THE PROTECTED ARK

Los Angeles ark No. 75 held another lively session Tuesday night, and much business was transacted. Several applications for membership were received and in the near future there will be a large class initiated. This ark will meet in Mammoth hall every Tuesday night.

FREE AND ACCEPTED MASONS

Loyalty chapter of the Order of the Eastern Star entertained the fourteen other lodges of the city with a dramatic program March 27 at Masonic temple. Mrs. H. C. Ward, who had charge of the entertainment, arranged a program which consisted of three one-act plays—"The Other Woman," "Op-o'-My-Thumb" and "Nance Oldfield." "Op-o'-My-Thumb" is the pathetic curtain raiser in which Maude Adams made a strong appeal a few years ago; "Nance Oldfield" was used by Ellen Terry and was one of her favorite one-act plays. The following cast includes many talented young women of the city and several young men of marked ability: "The Other Woman"—Sylvia Graham, Miss Pauline Bush; Enid Gray, Miss Jessalyn Van Trump. "Op-o'-My-Thumb"—Amanda Afflo, Op-o'-My-Thumb, Miss Harriette Candee; Mrs. Clem Galloway, Miss Maude Lawton; Madam, Miss Rochelle Buhner; Celeste, Mrs. Frederick Allen; Rose, Miss Jessalyn Van Trump; Horace Greensmith, Harry Chandler. "Nance Oldfield"—Nathan Oldsworthy, Raymond Freeman; Alexander Oldsworthy, Howard Lewis; Nance Oldfield, Miss Lucille Culver; Susan, Miss Emily Stanley. The entertainment was a pronounced success and the large assembly were highly pleased with the production.

JUNIOR ORDER UNITED AMERICAN MECHANICS

W. S. Hancock council No. 29 gave a leap year ball Thursday night at its hall, 1805 South Main street. The committees in charge and on arrangement was composed of women who have the interest of the Juniors at heart. The attendance was large, and they present enjoyed a very pleasant evening. Schoneman & Blanchard's orchestra furnished music for the occasion, and refreshments were served. Next Thursday night a reception and banquet will be tendered State Councilor K. B. Bradley at Lindley hall. Representatives from Riverside, Pasadena and Whittier will be present and

HEARD AROUND HOTEL CORRIDORS

Y., have returned from a trip to Santa Barbara and Del Monte and are again guests at the Nadeau hotel.

Your Teeth Regulate Your Health!

You know decayed teeth are the cause of foul breath, but do you know that it is one of the principal causes of indigestion? Decayed teeth cause a fermentation in the mouth, which mixes with the saliva and in the mastication of food is taken into the stomach, causing poisonous gases, which interfere with the action of that organ. Did you ever think what an ally decayed teeth are to that insidious monster "consumption"? What an ideal place it affords for tubercular germs to lie dormant until we contract a cold, then slowly, like a sneak in the dark, they enter the system and perform their deadly work. We all inhale the germs and we should be careful that they have no lodging-place in our mouths. If you have a dentist, go to him—if you have not or for any reason want to change from the one you have you should select one immediately—one who is conscientious and reliable. I practice the only original and scientific method of dentistry. I crown, fill, treat or clean teeth in a first class manner and make my work strong and lasting, and always give the very lowest prices. I have a lady assistant whose duty it is to sterilize every instrument after each operation and not to allow the same bit to be used twice until it has been washed and sterilized. There are no students to experiment on you. Every operation is given my fullest attention and you can rest assured when the work is finished that you will have no further trouble. In extraction of teeth I POSITIVELY GUARANTEE to extract same without one particle of pain and that there will be no after effects. In all operations I use the best materials. The amalgam I use has had a thorough trial. For the last ten years I have used it and where the patient has taken ordinary care of his teeth it has stood the test, both as to durability and color. It will not darken in the teeth. The gold used for filling is 24 K. pure. It is in gold crowns where you must be careful. I use 22 K. gold throughout and 20 K. solder. All of it is stamped by the assay office. For plates the teeth and rubber are of the best grade. No pluss teeth are used. My services are at your command for a reasonable remuneration. EXAMINATION WILL COST NOTHING, and I will give you an exact estimate of what it will cost you to put your mouth in normal condition.

Table with 2 columns: Specimen of Prices, and list of dental services with prices. Includes items like MEYERDENTUM, FILLINGS, AMALGAM, GOLD, CEMENT, 22 K. GOLD, CROWNS, PAINLESS EXTRACTION, PLATES, and CLEANING FEE.

Dr. W. P. Meyers, D.D.S. 804 S. Spring Street, Corner Fourth. Hours: 8 to 5. Sundays 9 a. m. to 1 p. m.

HERALD WANT ADS BRING LARGEST RETURNS

Large advertisement for ZEE-NUT. Features the brand name in large stylized letters, the slogan "THE HOT WEATHER CONFECTION", and the phrase "GEE! BUT IT'S GOOD SOLD EVERYWHERE".
