MOTORCYCLISTS AFTER RECORDS

FAST MACHINES IN RACES AT AGRICULTURAL PARK

DE ROSIER, THE INDIAN RIDER, NOT ENTERED TODAY

Derikum on Thor Reeled Off Miles Close to 88 Seconds Yesterday in Tryouts—Bresse Goes in 58 on Indian

BY FREDERICO FABST

World's records will be shattered at Agricultural park this afternoon when the track motorcyclists of the west meet in fourteen different events. The speedy little two-wheeled vehicles have been tuned up to cut down existing records, and today to cut down existing records, and judging from the time made yesterday the fastest miles ever seen on a local track will result.

All of the events are well filled and much interest is being shown in the races. The following is the program of events:

- Race No. 1—Five miles, fully equipped stock machine, single cylinder, under 20 cu. in. Prizes, \$20, \$10, \$5, in merchandise.
Race No. 2—Five miles, fully equipped stock machine, double cylinder, under 40 cu. in. Prizes, \$20, \$10, \$5, in merchandise.
Race No. 3—Five miles, Club challenge cup, for single cylinders, for club members only owning their machines 15 days prior to race.
Race No. 4—Five miles, Club challenge cup, for multiple cylinders, for club members only owning their own machines 15 days prior to race.

Race No. 9—Fifteen mile limit, Australian pursuit race for multiple cylinder machines. Prizes, \$20, \$10, \$5, in merchandise.
Race No. 10—Ten mile professional, open. Prizes, \$20, \$10, \$5, in merchandise.
Race No. 11—Ten miles, open, stripped stock machine, single cylinder, under 60 cu. in. for private owners not connected with the trade. Prizes, \$20, \$10, \$5, in merchandise.
Race No. 12—Trials for world's records, both professional and amateur.
Race No. 13—Ten miles, Riden challenge cup, for multiple cylinder machines under 60 cu. in.
Race No. 14—One hour race, free for all. Prize, beautiful cup.

The track was alive with speeding machines yesterday and the circle in front of the Agricultural park was a scene of activity. A force of police kept the people of the course to prevent a repetition of the unfortunate occurrence of the day previous.

The fastest work yesterday was done by Paul Derikum on a Thor. He went close to 88 seconds for the mile, and says he will reach that mark in the contests today.

Ben Bresse did some fast riding on an Indian. He went around the circle in 58 seconds. Others who went close to the minute mark were John Derikum, W. Hoag and G. Blaylock. These latter rode single cylinder machines.

The track is in the best of shape and there is every reason to expect the fastest time.

Receipt That Cures Weak Men—Free

Send Name and Address Today—You Can Have It Free and Be Strong and Vigorous

I have in my possession a prescription for nervous debility, lack of vigor, weakened manhood, falling memory, and lame back, brought on by excess, unattractive drains or the follies of youth, that has cured so many men and women, and is now being put into my home—without any additional help or medicine—that I think every man who wishes to regain his manly power, manly virility, quickly and quietly, should have a copy. So I have determined to send a copy of the prescription, free of charge, in a plain, ordinary sealed envelope, to any man who will write me for it.

NEWS AND NOTES OF THE DIAMOND

BY RED PERKINS

SUBURBAN LEAGUE

The directors of the Suburban league held an important meeting last night at McCormick's pool room, at which several matters pertaining to the league were discussed. Those who were present were Murphy of the Redondo club, Valdez of the Hollywood team, Ebert of the White City, Roach of the Huntington Park and Verdugo of the San Gabriel club. Roach, who was elected secretary and treasurer of the league at the first meeting, resigned on account of inability to attend all meetings, and Red Perkins was elected to succeed him.

McCann was taxed \$1 last Sunday for disputing the decision of Umpire Fernandes. The matter will be discussed at the next meeting of the league and in all probability the fine will be paid.

CALIFORNIA LEAGUE NOTES

Word was received yesterday that Fred Snodgrass, former Los Angeles amateur catcher, who went to the New York Giants, was painfully injured the other day while catching Pitcher McGinnity at Cincinnati in a practice game, fracturing his thumb, which will keep him out of the game for at least three weeks. Snodgrass writes to a friend: "The members of the New York team will invade Los Angeles this week."

KEWANEE BOY BARS NEGROES

PAPKE DRAWS COLOR LINE AS CHAMPION

Manager Jones Says He Has Received Offer of \$30,000 for Twenty Weeks in Vaudeville—Middleweight King Vues Diamond

It is quite possible that dusky Samuel Langford of Boston received the news of the defeat of Stanley Ketchel with much greater pleasure and anticipation regarding the future for himself than did the average fighter, as Ketchel had drawn the color line and thereby put up the bars that shut out dark competition for the middleweight championship, but if he builded any hopes of ever becoming the champion by reason of this defeat of the former champion, it is up to him to put these hopes in the discard. Billy Papke, successor to the title held by Ketchel, also draws the color line.

Papke Buys Diamond

Although he already owns a nice assortment of diamonds, Papke visited a local jeweler yesterday and invested \$1000 of his earnings Labor day in a diamond stud. Billy likes the stones and considers them good investments. He also is an excellent judge of a diamond and the one he bought is a beauty.

EASTERN TENNIS CRACKS VICTORS

Miss Florence Sutton and Mrs. Bruce Beat Mrs. Farquhar and Miss Brewer in Women's Championship Doubles

By Associated Press.

DEL MONTE, Sept. 8.—An event of much interest to the older tennis players of the state was the contest on the courts here this afternoon between Mrs. Sumner Hardy and Harry Hill for the veterans and Melville Long and Carl Gardner for the younger exponents. It looked at first as though the veterans might carry the day, they taking the first set 8 to 6. But in the second and third sets youth and con-

stant practice told for Long and Gardner, who won both with the same score of 6 to 2.

In the afternoon the eastern champions, Nat Niles and Irving Wright, faced Foley and Griffin. Only one game fell to the California players in the first set. They appeared wholly outclassed, but after losing the first game of the second set they pulled themselves together and by the aid of clever playing down the side lines by Griffin won the set by 6 to 4. In the third set the eastern pair again played a very strong net game, forcing their opponents to bobbling from the back lines and winning set and match by 6 to 2, the score for Niles and Wright standing 6-1, 3-6, 6-2.

In the women's championship doubles the Sutton sisters, Miss Florence Sutton and Mrs. Bruce, tried conclusions with Mrs. Farquhar (formerly Miss Jones, national champion) and Miss Brewer. Mrs. Farquhar well maintained her reputation as a first class player, but was handicapped by a partner by no means her equal. The Sutton sisters carried the day with a score in their favor of 6-2 and 6-2.

Manager Bill Goodman of the Hoegoe club will make several changes in his lineup for the winter series of the California Winter league. First Baseman McCann, who, no doubt, will be seen in the uniform of the Oakland team next season, has been elected captain of the team, while McQuade has been appointed assistant manager.

McCann was taxed \$1 last Sunday for disputing the decision of Umpire Fernandes. The matter will be discussed at the next meeting of the league and in all probability the fine will be paid.

CHOSEN MEMBER OF HARBOR COMMISSION

J. E. CARR

CONFIRMS CARR ON HARBOR BOARD

COUNCIL RATIFIES MAYOR'S SELECTION

New Commissioner Succeeds F. W. Braun, Who Retires Because of His Private Business Affairs

J. E. Carr of Carr & Stephens has succeeded F. W. Braun on the Los Angeles harbor commission, Mr. Braun having resigned because of the pressure of work required in serving as commissioner.

The resignation was filed with Mayor A. C. Harper on Saturday, since which two holidays have intervened, giving the mayor opportunity to select a successor without too much intrusion and lobbying by friends of possible appointments. It was the mayor's wish that the resignation be kept unpublished for a day or two.

Mr. Carr's appointment was confirmed by the city council yesterday. Mr. Braun has explained that his own business demanded much of his attention, and as he felt that he could not do the important work of the harbor, he asked to be relieved.

The new commissioner represents the mercantile and shipping interests on the board as distinguished from the manufacturing interests represented by George H. Stewart.

Through his long and successful business career in Southern California Mr. Carr has won a wide circle of friends, added to by his fraternal work and his activity as chairman of the building committee of the Young Men's Christian association. On the shoulders of this committee largely fell the work of financing and erecting the fine new home just opened by the organization.

"In the selection of Mr. Carr the mayor honors the business community," said Secretary A. P. Fleming of the harbor commission last night.

"Mr. Carr has the confidence of the people, and from his knowledge of shipping matters it will not take him long to delve deep into the complicated harbor situation."

to be used in filling in the water frontage now owned by Wilmington. Next comes the building of wharves along this water front over which commerce can be handled for the public. Thirdly, opening and improving the streets to reach these wharves so that automobile trucks if necessary can collect and discharge freight.
